INTRODUCTION

The Center Unified School District administered the Elementary School California Healthy Kids Survey (CHKS) in 2009-2010 to fifth-grade students. The CHKS is a comprehensive youth health-risk and resilience data collection service, sponsored by the California Department of Education (CDE). The elementary survey was designed to measure behaviors and, particularly, the factors that influence them. The survey items were selected with the assistance of an advisory committee of experts based on their value to schools and committees for monitoring and understanding behavior and for program planning. This report summarizes the results for key indicators of risk and well-being. The complete survey results are available in the district's Technical Report. Table 1 summarizes the characteristics of the sample and students that completed the survey.

Although this report provides information on the percent of students that are involved in risk behaviors, equally important is the percent of students who did not engage in them. While it is essential to identify and address student problems, we should not lose sight of the positive behaviors and attitudes of most youth. About half the CHKS is devoted to assessing youth assets or resilience traits that have been found to promote success and help prevent the onset of health-risk behaviors even in the presence of high-risk environments.

Why Was the Survey Conducted?

The district conducted the CHKS in order to assess and reduce student violence, substance use, and other health-risk behaviors, and to monitor its progress in promoting youth well-being and school success. The CHKS is an integral part of efforts to improve student academic performance, enhance youth assets, and promote positive youth development.

It provides critically important information to guide the development of programs targeting specific risk behaviors, as well as the fostering of youth assets and resilience that protect against these behaviors. It helps schools and communities understand when and how risk behaviors develop by assessing youth prior to the ages at which they usually occur, as well as identifying early initiators. Research demonstrates that delaying the onset of risk behaviors reduces the level of involvement and related problems. Used in conjunction with the middle and high school CHKS, the results can guide and support the implementation of comprehensive K-12 prevention and health programs.

More specifically, the survey meets the requirements of the federal Safe and Drug Free Schools and Communities Act (SDFSCA) and contains seven performance indicators that the California Department of Education has identified for schools to monitor in meeting the Act's goals of reducing substance use and violence by youth, as required by the No Child Left Behind Act of 2001. The results for these Performance Indicators are summarized in Table 2.

How Was the Survey Conducted?

To have uniform results across schools, the state requires that all participants survey a representative number of fifth-grade students following standard administration guidelines. The district conducted the survey using strict guidelines to preserve student privacy, data

confidentiality, and all other student and parent rights. Each student's participation was completely voluntary and anonymous, and required the written consent of a parent or guardian.

Who Took the Survey?

Table 1 presents the number of fifth-grade students that participated in the CHKS. According to CHKS standards, the district must collect completed answer sheets from a minimum of 60% of students at each surveyed grade level to produce representative data. The lower the percentage of participating students below 60%, the less representative and useful are the results. The student participation rate was high enough to meet the survey's minimum goal. Therefore, the information collected appears to be a good reflection of student behavior.

The biggest challenge for the district in meeting the survey requirements was ensuring that the parents/guardians filled out and returned the consent forms. Research shows only a small proportion of parents will not approve participation, but no student could take the survey without their approval in writing.

ALCOHOL, TOBACCO, AND OTHER DRUG USE

Overall Prevalence

Chart 1 shows the overall lifetime prevalence (have ever used) of the four most popular psychoactive substances among preadolescents: tobacco (cigarettes and smokeless tobacco), alcohol, inhalants, and, to a lesser extent, marijuana. This provides a gauge of the overall drug environment in the school and community and when use onset begins. Although many students may have only experimented with substance use one time with a small amount, those that do at such a young age are especially at risk of later involvement. As indicated in Table 2, the results for cigarettes and marijuana are the performance indicators CDE has recommended for monitoring progress in reducing substance use.

- **Alcohol** is by far the most widely used substance across grades.
- **Cigarette** smoking is normally experimented with in preadolescent years. In the U.S., tobacco use is considered the main preventable cause of death.
- **Inhalants** (glue, paint fumes, etc.) are the most widely used illicit drug among youth because of their ready availability.
- **Marijuana** use is much less common.

Chart 1. Ever Used Alcohol, Tobacco, or Drugs

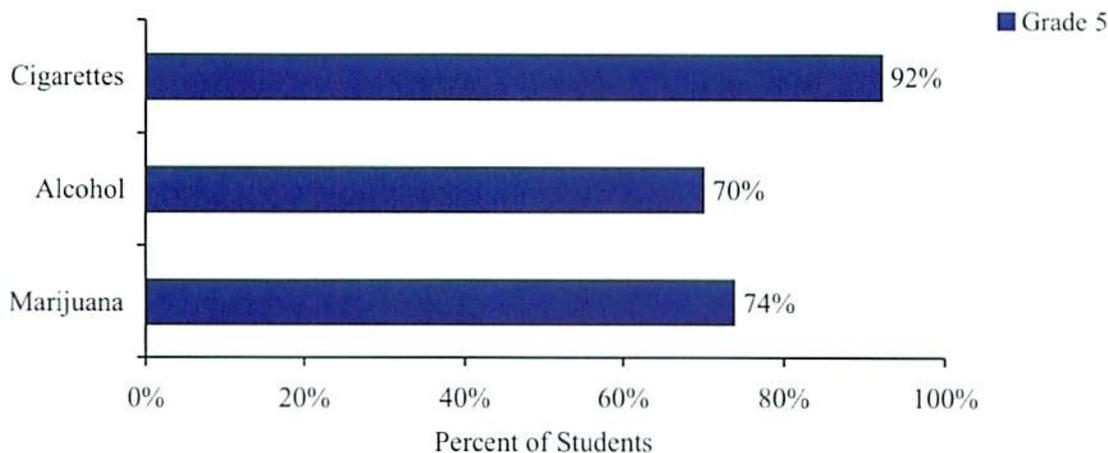

Alcohol and Drug Use at School

Special attention should be paid to the proportion of students who use alcohol or other drugs at school. (See Table 3.3 in the Technical Report.) This not only indicates a high degree of early drug involvement but also of estrangement from school. This behavior threatens the students' education and positive development.

Perceived Harm

Chart 2 provides the results for students who viewed using cigarettes, alcohol, and marijuana as bad for a person's health. The relationship of knowledge, attitudes, and behavior is complex. Attitudes toward drug use among elementary-age youth are generally very negative. Among secondary school students, state and national trend data indicate that perceptions of high harm or risk are associated with lower use rates over time. This indicates that realistically communicating drug hazards is an important strategy of a comprehensive prevention program, particularly if youth do not see regular drug use as harmful.

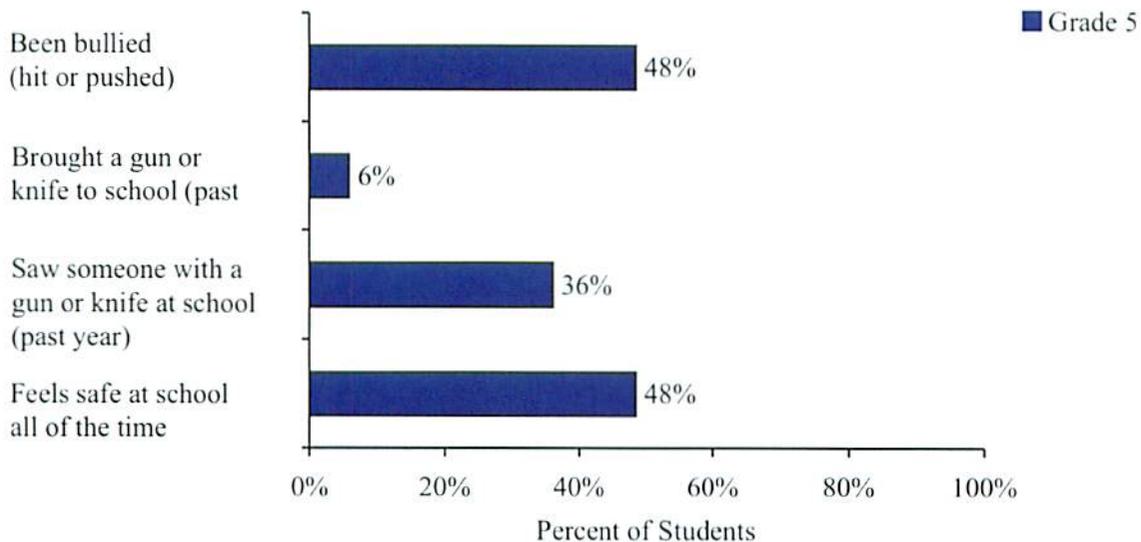

Chart 2. Perception that Use of Cigarettes, Alcohol, or Marijuana is Very Bad for a Person's Health

VIOLENCE AND SAFETY

Violence and safety have emerged as some of the American public's biggest concerns about schools. Chart 3 illustrates different aspects of the school environment relating to violent behavior (carrying weapons), victimization (being bullied), and perceived safety.

Chart 3. Violence and Safety-Related Behavior and Experiences

Bullying

Pushing behavior is a form of harassment or bullying commonly used among elementary level youth. It is a form of abusive behavior that instills a sense of vulnerability, isolation, and fear in its victims. If pushing behavior is confronted with conflict, it can lead to physical fights, possibly with weapons. If not confronted, it can lead to isolation from friends, family and school, depression, and engagement in risk behaviors such as drug use.

Carrying Weapons at School

Much of the public concern over school safety is focused on guns and other weapons. The immediate accessibility of a weapon often is the factor that turns a violent altercation into a lethal event. Chart 3 includes the percentages of students who carried weapons to school and who saw someone with a weapon there. The former is likely lower than the latter because many students might see a weapon brought by only one student. The observation rate provides a sense of the effect of carrying weapons on the school environment.

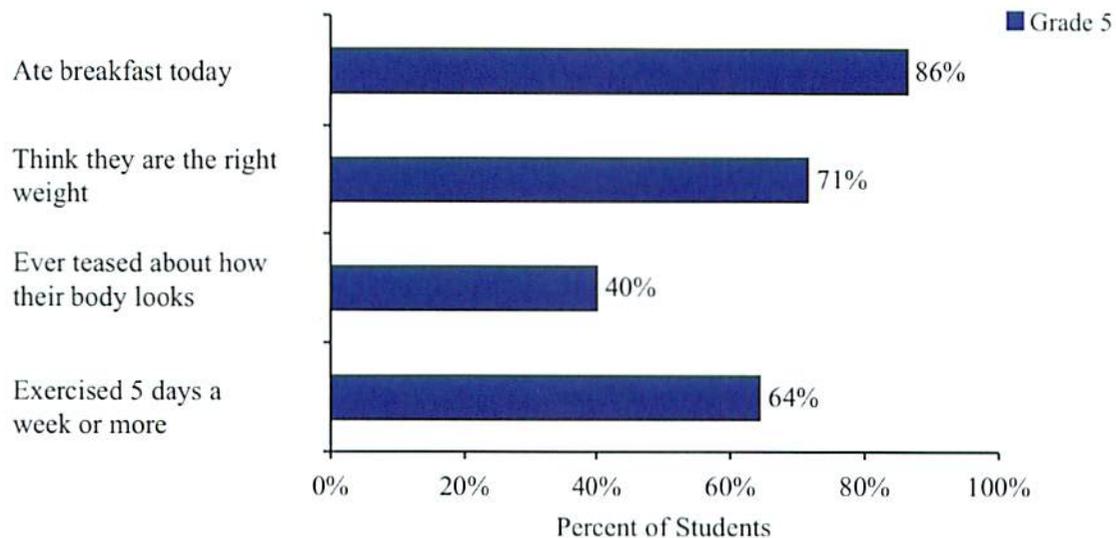

Perceived Safety

The CHKS asks students how safe they felt in school. The mandate for safe schools does not mean merely "violence-free," but safe, secure, and peaceful. Safety—both psychological and physical—is a basic need that must be met in order for students to succeed in school and in life.

PHYSICAL HEALTH

Good nutrition and physical health are among the most overlooked contributors to school success and positive youth development. They enable youth to make the most of the opportunities that are offered to them.

Chart 4. Physical Health

Eating Habits

Lifetime dietary patterns are established during youth. To assess nutritional habits, the CHKS asks elementary students if they had breakfast the day of the survey. Students who attend school hungry or malnourished may experience compromised health, well-being, and school performance.

Body Weight and Image

The CHKS asks students how they felt about their body weight and whether other kids tease them about their body. A poor body type or image can negatively influence self-esteem and school performance. Both obesity and overemphasis on thinness have negative mental and physical health consequences that can lead to perceptions of a distorted body image and thus distorted and unhealthy eating habits. Students who are teased about their body can become isolated from friends, family and school, depressed and vulnerable to risk behaviors.

Physical Activity

Students were asked how many times they exercised. Regular physical activity is associated with the prevention of disease, lower risk behavior rates, better school performance, and less mental health problems. The fitness of children can be significantly affected by the physical education programs in public schools.

RESILIENCE INDICATORS

Too often, surveys gauging youth health and behavior only gather data on risky behaviors. This presents a picture of youth as deviant individuals that need to be changed. The CHKS balances the picture by providing data on essential external (environmental) protective factors and internal (innate) strengths that research has shown to promote resilience and help students overcome adverse situations and difficult circumstances. Understanding the factors that make some students seem invincible to negative social influences will help schools and communities develop strategies to ensure that *all* youth are provided the needed supports for academic success and positive youth development. This is especially important at this formative age.

The CHKS assesses two types of resilience indicators:

- For each of three environments in a youth's life (school, home, and peer), the CHKS asks about the existence of the three principle *Protective Factors* that research has shown to be essential for promoting resilience and positive youth development. Also known as developmental supports or environmental assets, these three resilience principles are: (a) Caring Relationships, (b) High Expectations, and (c) Opportunities for Meaningful Participation. These are the supports and opportunities that meet the basic development needs of youth and are associated with both healthy development—lack of involvement in health-risk behaviors—and academic success.
- In addition, three *Internal Strengths*, also known as developmental outcomes or resilience traits, are assessed: Empathy, Problem Solving, and Goals and Aspirations. These internal strengths are those found to protect a young person from involvement in health-risk behaviors. They are the natural developmental outcomes for youth that experience homes, schools, communities, and peer groups rich in the external assets or developmental supports and opportunities.

Chart 5 provides the percentage of students that were categorized as *High* in Total External assets in the school, home, and peer environments. The total asset score is derived by averaging the scale scores for each of the three resilience principles. The individual scores for the school environment are performance indicators and are provided in Table 2. This provides a measure of how asset-rich or asset-poor the youth are in your community. The goal is for all youth to score high in all categories.

When students report low levels of environmental protective factors, they report higher levels of health-risk behaviors. Similarly, when they report higher levels of these protective factors, they report lower rates of involvement in these risky behaviors. This pattern is illustrated in Chart 6 using the results collected statewide from seventh graders for marijuana use and total assets; similar results were found for each of the three assessed environments and across various risk behaviors.

Chart 5. Percentage of Students Scoring High in Protective Factors in their Home, School, and Peer Environments

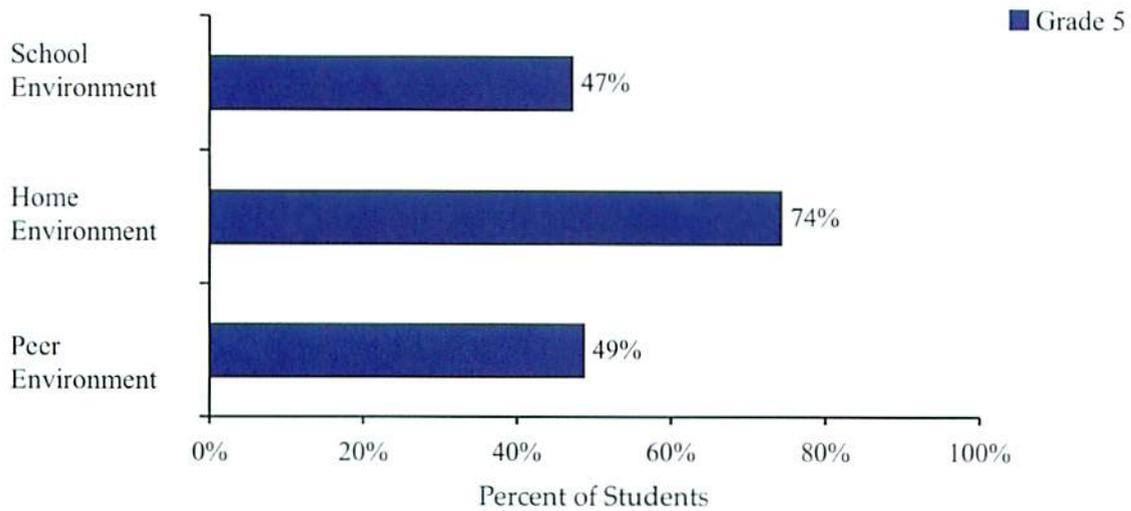

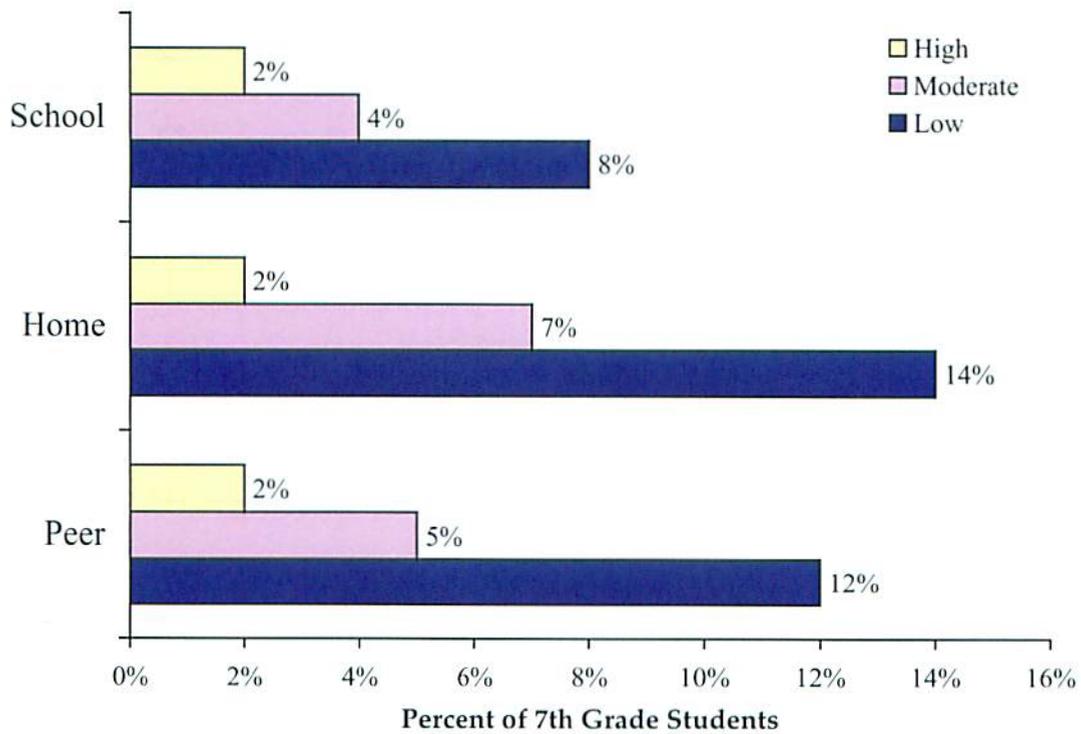

Chart 6. Percent of 7th graders using marijuana at school by level of Protective Factors.

PERFORMANCE INDICATORS

Table 2 lists the results for all the seven Performance Indicators selected by CDE to monitor progress in reducing drug use and promoting protective factors, as required by the No Child Left Behind Act of 2001. In some cases, the wording of the elementary questions differ from the wording of the Performance Indicators, as shown in the Table.

Background

Development

The CHKS was developed under contract from CDE by WestEd in collaboration with Duerr Evaluation Resources, assisted by an Advisory Committee of researchers, teachers, school prevention and health program practitioners, and public agency representatives. It is designed to provide a common set of comprehensive health risk and resilience data across the state to guide local program decision-making and also determine

geographic and demographic variations. Its flexible structure enables it to be easily customized (including the addition of questions) and integrated into program evaluation efforts to meet local needs and interests.

Sampling and Analytic Plans

For districts with 900 or fewer students per grade, all students are surveyed; otherwise 900 students are randomly selected. If a district has over 10 schools per grade, schools are randomly sampled. For results to be representative, a minimum of 60% of the students must complete useable surveys in each grade and school. Results are discarded for students who grossly exaggerated their substance use or had inconsistent response patterns.

Goals

Reduce Risk Behaviors and Promote Well-being and Positive Development

The behaviors assessed by the CHKS are those that contribute directly to the leading causes of death, injury, and social and personal problems among youth. Schools need a thorough understanding of the scope and nature of student risk behavior and assets (resilience) to develop effective prevention and health programs. Without data, districts will struggle to make sound decisions about allocation of resources, programming, and the effectiveness of their efforts.

Promote Learning

Ensuring that students are safe, drug-free, healthy, and resilient is central to improving academic performance. Growing numbers of children are coming to school with a variety of health-related problems that make successful learning difficult, if not impossible. (See the discussion below on *Using the CHKS to Help Improve Schools and Achievement*.)

Demonstrate Accountability

The CHKS is an important component of California's school accountability system, which requires that schools objectively assess students and then set measurable goals for making improvement. The CHKS gathers credible information to identify the health and safety needs of the students, establish district goals, and monitor progress in achieving the goals.

Meet Funding Requirements

For these reasons, state, federal, and private agencies increasingly require schools to collect, disseminate, and use health-related data as a requirement for obtaining and maintaining funding. The CHKS is specifically designed to help meet such requirements. For example, the federal *No Child Left Behind Act* requires LEAs to regularly conduct a drug use and violence needs assessment and report the results to the community. Districts that have state competitive high school grants for *Tobacco Use Prevention Education (TUPE)* programs also must administer the CHKS.

Promote Health Programs and Community Support

The CHKS is designed to send a positive message of the importance of a healthy lifestyle and to promote the development of comprehensive school health programs. It aims to foster school and community collaboration that is essential to tackling these critically important issues.

Using the CHKS to Help Improve Schools and Student Achievement

How do schools engage, motivate, and support students so that they can achieve? Research studies and reviews over the past decade have consistently concluded that student health status and academic achievement are inextricably intertwined. Incorporating health and prevention programs into school improvement efforts produces positive achievement gains. The CHKS provides data to assess and monitor the health-risk and problem behaviors that research has identified as *important barriers to learning*, particularly those related to school climate. The CHKS also assesses perceived *school assets*, an indicator of school connectedness which research has consistently identified as promoting school success. The school asset data can be interpreted as an

indicator of school connectedness. The full CHKS report lists all the school-related questions. An important new tool to help further integrate the CHKS with school improvement efforts is the Staff School Climate Survey. Call your CHKS Service Center for further information.

INTRODUCTION

The Center Unified School District administered the California Healthy Kids Survey (CHKS) in the 2009-2010 school year. We wish to thank all the school staff, teachers, parents, and students who participated in the survey for their commitment, time, and effort.

The CHKS is a service provided by the California Department of Education (CDE) to districts that want to collect information on the health risks and resilience of their students. This report provides a summary of the survey's purpose and key findings relating to substance use, violence and safety. While it is essential to identify and address student problems, it is equally important that we do not lose sight of the positive behaviors and attitudes of most youth. The CHKS provides the data to do this. This report summarizes the results for key indicators of risk and well-being. The complete survey results are available in the district's Technical Report.

Why Was the Survey Conducted?

The "CHKS Goals" at the end of this document provides the reasons why the district administered the survey. The most important reason is the monitoring of progress toward promoting youth well-being and school success. Schools increasingly need—and are often required—to find out what problems their students face and to put in place programs to address them. This is an essential part of efforts to improve student academic performance and positive youth development.

More specifically, the survey meets the requirements of the federal Safe and Drug Free Schools and Communities Act (SDFSCA) and contains eleven performance indicators that the California Department of Education has identified for schools to monitor in meeting the Act's goals of reducing substance use and violence by youth, as required by the No Child Left Behind Act of 2001. The results for these Performance Indicators are summarized in Tables 2 and 3.

How Was the Survey Conducted?

The survey was conducted using passive parent consent. The CHKS targets students in grades 5, 7, 9, and 11. The district conducted the survey using strict guidelines to preserve student privacy, data confidentiality, and all other student and parent rights. Each student's participation was completely voluntary and anonymous. The district administered the survey following detailed written instructions and on-call technical assistance from a CHKS Center.

Who Took the Survey?

Table 1, on the following page, presents the number of students that participated in the CHKS. According to CHKS standards, the district must collect completed answer sheets from a minimum of 60% of students at each surveyed grade level (at a minimum grades 5, 7, 9, and 11) to produce representative data. The lower the percentage of participating students below 60%, the less valid and useful are the results. Overall, the results for the district appear reliable and are a good reflection of student behavior.

ALCOHOL, TOBACCO, AND OTHER DRUG USE

Reported in this section are the results for lifetime and current substance use, alcohol and drug use at school, high-risk behaviors such as binge drinking and drinking and driving, and perceived harm. Tables 2 and 3 on pages 13 through 15 displays state and national comparison data for CDE's Performance Indicators.

Lifetime Use of Alcohol and Other Drugs

Chart 1 illustrates the percent of students who have ever tried a full drink of alcohol (not just a sip), inhalants, or marijuana. These data provide information about the overall drug environment in the school and community. However, lifetime use rates include students who may have only experimented once.

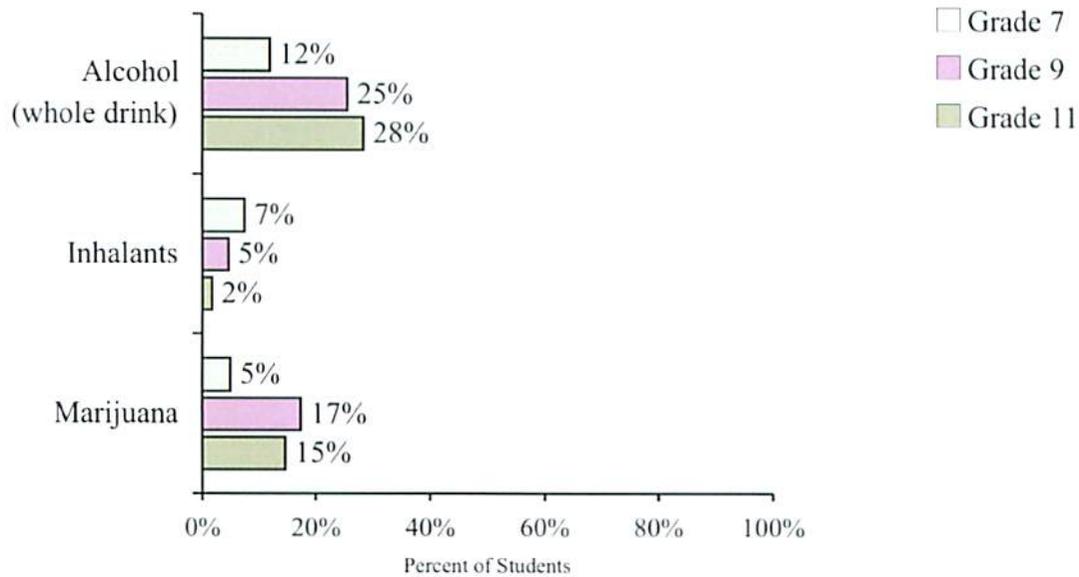

Chart 1. Percent of Students Who Used Alcohol and Other Drugs at Least Once in Their Life

Current Use (Past 30 Days) Of Alcohol and Other Drugs

Chart 2 shows the percent of students who are current users of the same three substances displayed in Chart 1, having consumed them in the thirty days before the survey. These students, particularly in high school, may be regular users and not just students who experiment.

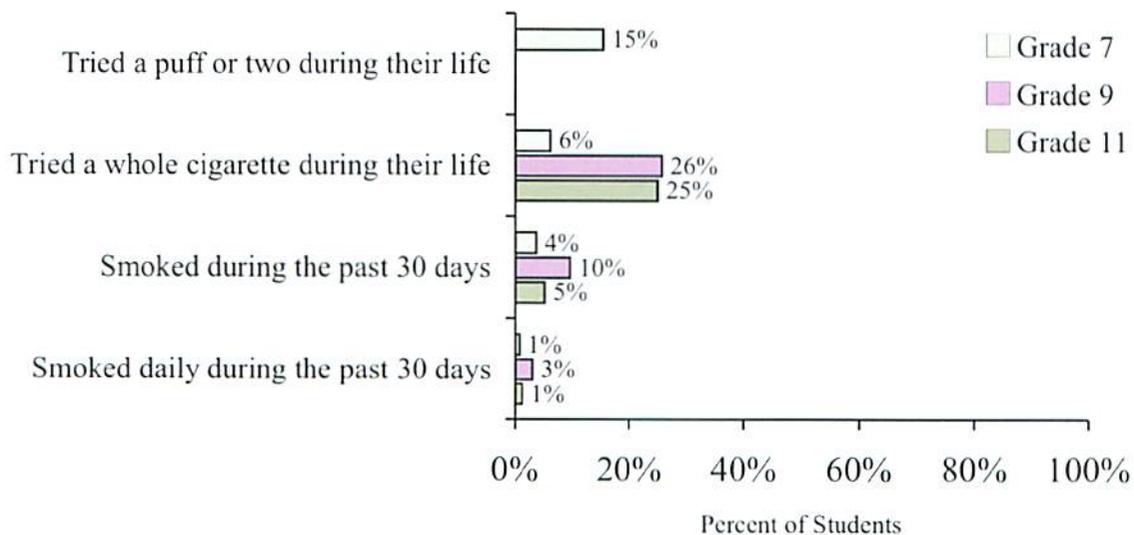

Chart 2. Percent of Students Who Used Alcohol or Other Drugs During the Past 30 Days (Current Use)

Tobacco Use, Lifetime and Current Use

Chart 3 shows the percent of students who experimented with tobacco at least once in their lives, either smoking one or two puffs or a whole cigarette. In addition, the chart displays the percent of students who in the 30 days before taking the survey smoked at least one cigarette as well as smoked daily (at least 20 days).

Chart 3. Percent of Students Who Participated in Various Levels of Tobacco Use

High Risk Behaviors

The CHKS asks students several questions that help determine the level and risk of substance use as a guide for programs targeting serious involvement. Chart 4, on the following page, shows the percent of students who drank alcohol or smoked marijuana on school property, had been sick after drinking, had been high in their lifetime, and drank excessively in the past month.

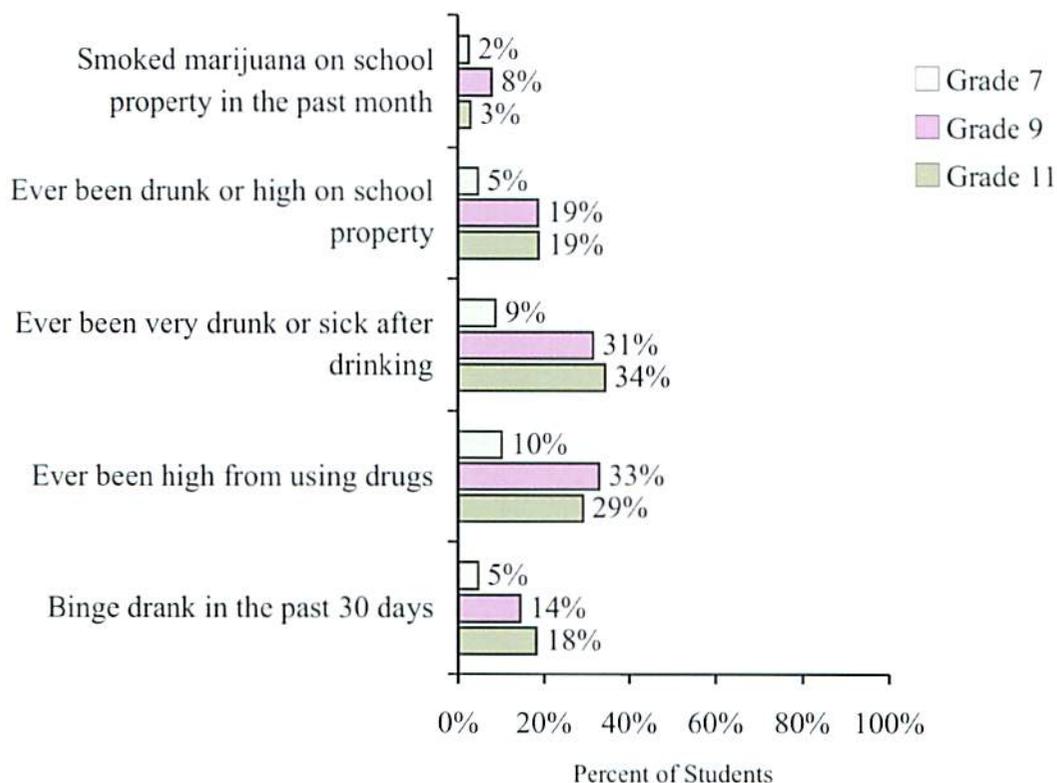

Use at School. Special attention should be paid to alcohol and other drug use at school, as this is a key indicator of serious involvement, as well as a lack of attachment or sense of belonging to the school. These behaviors interfere with students' educational development. Because marijuana is long lasting, can be easily concealed, and is consumed quickly, its use has been particularly associated with attending school "high."

Drunk or High. Youth were asked whether they had *ever* been drunk or sick after drinking alcohol, or been high from using drugs. When considering this information, keep in mind that youth may feel that they are drunk when an adult would not, and that, because of their lower body weight, it also takes less alcohol for them to get drunk.

Binge Drinking. One of the most widely used definitions of heavy drinking is the consumption of five drinks in a row in a single setting or occasion. This is frequently called "binge drinking" or "episodic" heavy drinking. Adolescent binge drinkers open themselves up to many alcohol-related problems, such as losing control over their actions, making poor choices, and taking part in high-risk activities such as unprotected sex or driving while intoxicated.

Involvement in Drinking and Driving. Driving under the influence is one of the main causes of traffic accidents and death among youth. To gauge the overall risk to students from drinking and driving, high school students were asked how often they had ever driven after drinking or been driven by a friend under the influence. 25% of 9th graders and 23% of 11th graders indicated they had either driven a car after drinking or been a passenger in a car driven by a friend who had been drinking. 43% of 7th graders reported riding in a car with a driver who had been drinking. At the middle school level, these drivers are mainly parents and guardians.

Chart 4. Percent of Students Who Participated in High Risk Behaviors Associated with Alcohol, Tobacco, or Other Drugs

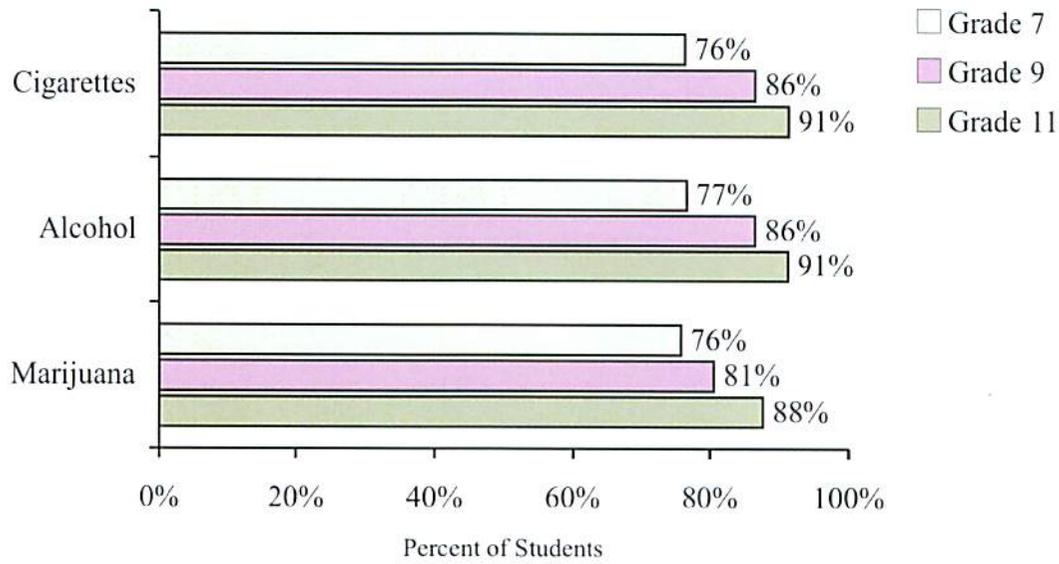

Perceived Harm

As a way to measure attitudes toward substance use, the CHKS asks students how they feel about frequent use (at least once a day) of cigarettes, alcohol, and marijuana. Chart 5 provides the results for students who think it is harmful.

The relationship of knowledge, attitudes, and behavior is complex. Only providing information about the dangers of alcohol, tobacco, and other drug use has had little impact on behavior. However, state and national data indicate that if students think using alcohol, tobacco and other drugs is extremely harmful or risky they will be less likely to use them. This means that talking to students about the use dangers is an important part of a total prevention program.

Research has consistently shown that the great majority of students believe that frequent use of cigarettes, alcohol, and marijuana is harmful. However, it seems students usually think alcohol is less dangerous than tobacco, and that tobacco is less harmful than marijuana.

Chart 5. Percent of Students Who Feel Frequent Use of Alcohol, Tobacco, and Other Drugs is Harmful

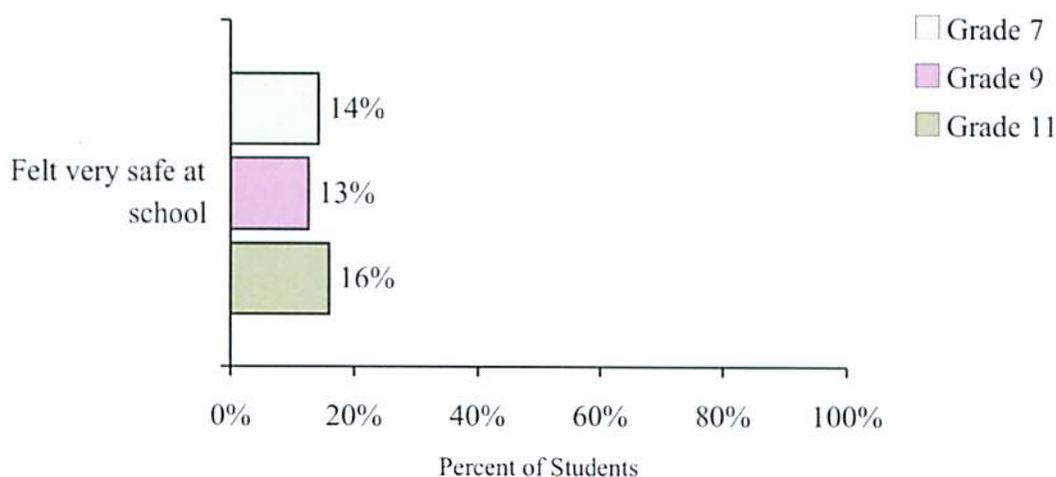

VIOLENCE AND SAFETY

The American public's highest concerns about youth are currently related to violence. Chart 6 shows students' answers to the question about how safe they feel at school. Chart 7 includes indicators of harassment, violence perpetration, and weapons possession at school. A safe school environment is necessary in order for students to succeed academically. Students who feel they belong to their school are also less likely to be involved in violent behavior at school.

Perceived Safety

The CHKS asks students how safe they felt in school. The need for safe schools does not mean just "violence-free," but safe, secure, and peaceful. Safety—both psychological and physical—is a basic need that must be met in order for students to succeed in school.

Chart 6. Percent of Students Who Feel Very Safe at School

Harassment

Harassment is a form of violent and abusive behavior that makes the person being harassed feel vulnerable, isolated, and afraid. This can lead to taking part in risk behaviors such as drug use. The CHKS asks students if they have been harassed at school in the past year because of race, ethnicity, religion, gender, sexual orientation, or disability.

Physical Fights

Fighting often comes before deadly violence among young people. The CHKS asks students about their frequency of involvement in physical fights at school in the past year. This is a measure of the overall scope of fighting behavior and does not differentiate between aggression and victimization. In practice, fighting is often mutual.

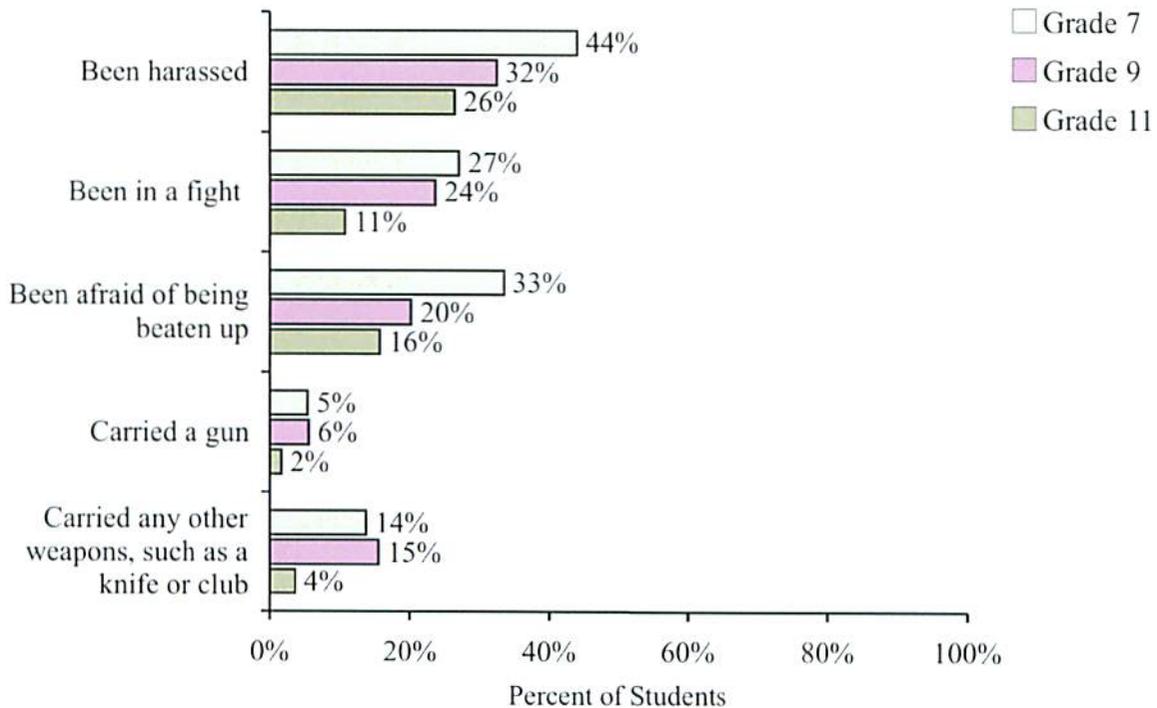

Fear of Physical Violence

To help measure physical victimization, students were asked about the frequency they had “been afraid of being beaten up.” This provides insight into the psychological dimension of fear of being physically harmed. (Students were also asked if they had been “pushed, shoved, slapped, hit, or kicked by someone who wasn’t just kidding around”).

Carrying Weapons

Much of the public concern over school safety is focused on guns and other weapons. The immediate availability of a firearm or other lethal weapon often is part of what turns a violent fight into a deadly incident. Chart 7 shows the percent of students who carried weapons to school at least one day in the past 12 months.

Chart 7. Percent of Students Who Experienced Safety-Related Incidents on School Property During the Past 12 Months

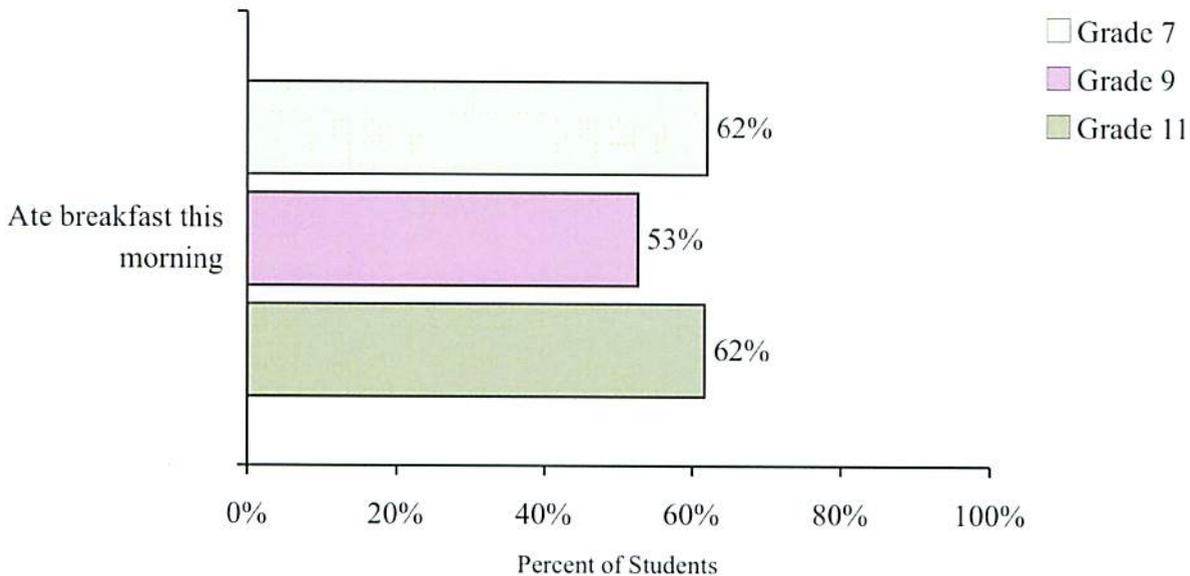

Gang Membership

Gang members typically are proud of their gang membership and do not feel the need to hide the fact when answering questions on a survey. It is very important to find out how much school violence is due to gang-related activity, which has been found to be a factor. These types of incidents require special attention because they are different than violent behaviors seen in the general student population. District-wide results revealed that 8% of 7th graders, 10% of 9th graders, and 10% of 11th graders currently belong to a gang.

BREAKFAST CONSUMPTION

The CHKS assesses the proportion of youth that ate breakfast the day of the survey. Students who eat breakfast have been found to learn better, perform higher on standardized test scores, have better attendance rates at school, and are less apathetic and lethargic.

Chart 8. Percent of Students Who Ate Breakfast

PROTECTIVE FACTORS: SCHOOL SUPPORTS

Youth development researchers emphasize the importance of providing environmental supports and opportunities (external assets) in the form of Caring Relationships, High Expectations, and opportunities for Meaningful Participation, as measured by the CHKS Resilience and Youth Development Module. The presence of high levels of these three Protective Factors will help meet the fundamental developmental needs of youth for love, belonging, security, respect, identity, power, mastery, and meaning. This, in turn, engages students' innate resilience, promotes positive individual outcomes such as improved health and academic achievement, and protects against involvement in risk behaviors such as substance abuse and violence.

Chart 9 illustrates the proportion of students scoring **High** for each of these three protective factors in the school environment, as well as total perceived Protective Factors (average across the three scales). Resilience research clearly documents the power of teachers and schools to tip the scale from risk to resilience for children and youth. Even among children growing up in overwhelmingly negative conditions, researchers have found that 70-80% of them have demonstrated healthy adjustment and achievement when schools are sensitive to them and their burdens and provide supportive activities.¹ Youth development and successful learning are not competing goals but rather complementary or even synergistic processes. As Nel Noddings has observed:

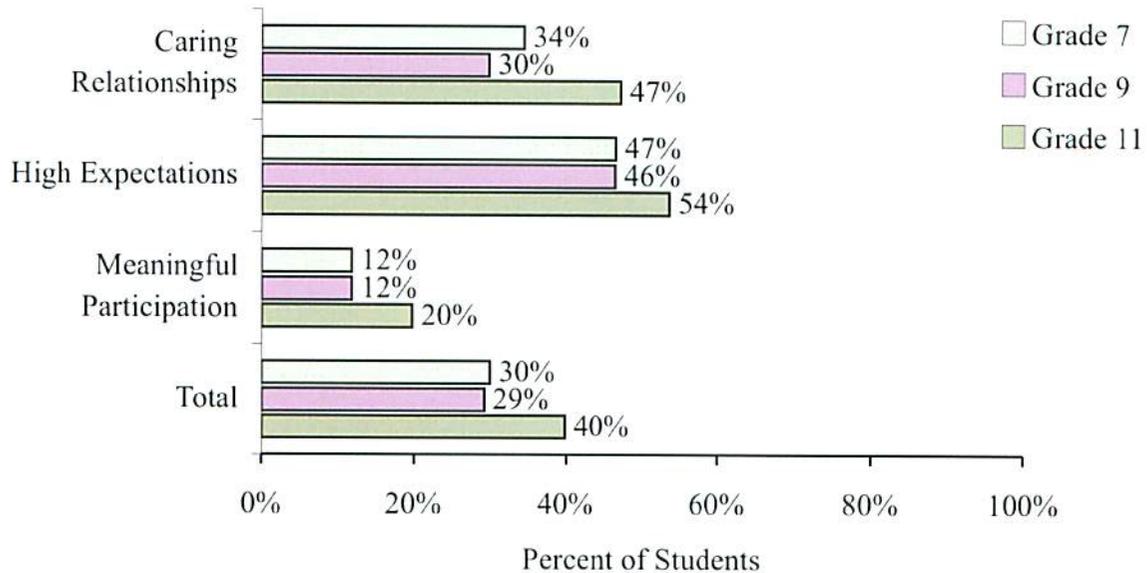

It is clear that when schools focus on what really matters in life, the cognitive ends we now pursue so painfully and artificially will be achieved somewhat more naturally. It is obvious that children will work harder and do things...for people they love and trust.²

The School Connectedness Scale derived from the Add Health Survey is currently used by CDE as the Performance Indicator for school connectedness for Local Education Agency Plans.

COMPARISON TO STATE AND NATIONAL STUDENT DATA

One way to understand the data collected for the schools and district is to compare them to state and national data collected using the same questions. Tables 2 and 3 on the following pages display state and national student data for a select number of questions. The comparison information in the tables comes from the 2007 statewide California Student Survey and the 2007 national Youth Risk Behavior Survey results. The California Student Survey includes 9th and 11th graders in Continuation/Alternative schools with the data from Comprehensive/Traditional high school students. These include Performance Indicators CDE has identified for monitoring progress in reducing drug use and violence, as required in the Local Education Agency Plan. The indicators are identified by the symbol: (PI).

Background

Development

The CHKS was developed under contract from CDE by WestEd in collaboration with Duerr Evaluation Resources, assisted by an Advisory Committee of researchers, teachers, school prevention and health program practitioners, and public agency representatives. It is designed to provide a common set of comprehensive health risk and resilience data across the state to guide local program decision-making and also determine geographic and demographic variations. Its flexible structure enables it to be easily customized (including the addition of questions) and integrated into program evaluation efforts to meet local needs and interests.

Sampling and Analytic Plans

For districts with 900 or fewer students per grade, all students are surveyed; otherwise 900 students may be randomly selected. If a district has over 10 schools per grade, schools may be randomly sampled. For results to be representative, a minimum of 60% of the students must complete useable surveys in each grade and school. Results are discarded for students who grossly exaggerated their substance use or had inconsistent response patterns.

Goals

Reduce Risk Behaviors and Promote Well-being and Positive Development

The behaviors assessed by the CHKS are those that contribute directly to the leading causes of death, injury, and social and personal problems among youth. Schools need a thorough understanding of the scope and nature of student risk behavior and assets (resilience) to develop effective prevention and health programs. Without data, districts will struggle to make sound decisions about allocation of resources, programming, and the effectiveness of their efforts.

Promote Learning

Ensuring that students are safe, drug-free, healthy, and resilient is central to improving academic performance. Growing numbers of children are coming to school with a variety of health-related problems that make successful learning difficult, if not impossible. (See the discussion below on *Using the CHKS to Help Improve Schools and Achievement.*)

Demonstrate Accountability

The CHKS is an important component of California's school accountability system, which requires that schools objectively assess students and then set measurable goals for making improvement. The CHKS gathers credible information to identify the health and safety needs of the students, establish district goals, and monitor progress in achieving the goals.

Meet Funding Requirements

For these reasons, state, federal, and private agencies increasingly require schools to collect, disseminate, and use health-related data as a requirement for obtaining and maintaining funding. The CHKS is specifically designed to help meet such requirements. For example, the federal *No Child Left Behind Act* requires LEAs to regularly conduct a drug use and violence needs assessment and report the results to the community. Districts that have state competitive grants for *Tobacco Use Prevention Education (TUPE)* programs also must administer the CHKS.

Promote Health Programs and Community Support

The CHKS is designed to send a positive message of the importance of a healthy lifestyle and to promote the development of comprehensive school health programs. It aims to foster school and community collaboration that is essential to tackling these critically important issues.

Using the CHKS to Help Improve Schools and Student Achievement

How do schools engage, motivate, and support students so that they can achieve? Ensuring that students are safe, drug-free, healthy, and resilient is central to improving academic performance. Growing numbers of children are coming to school with a variety of health-related problems that make successful learning difficult, if not impossible. Research studies and reviews over the past decade have consistently concluded that student health status and academic achievement are inextricably intertwined. Incorporating health and prevention programs into school improvement efforts produces positive achievement gains. To these ends, the CHKS provides data to assess and monitor the health-risk and problem behaviors that research has identified as *important barriers to learning* among students, particularly those related to school climate. The CHKS also assesses *school assets and connectedness*, which research has consistently identified as promoting positive youth development and school success. The full CHKS report lists all the school-related questions. The numbers refer to the high school module. An important new tool to help further integrate the CHKS with school improvement efforts is the Staff School Climate Survey, required as of fall 2004. Call your CHKS Service Center for further information.

SUBJECT: State Budget Adoption Update

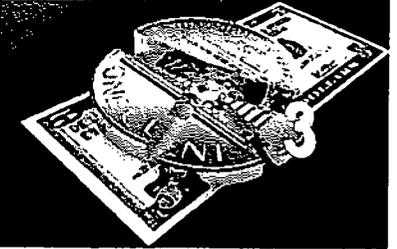

The State has finally passed its budget for the 2010/11 fiscal year. Jeanne Bess will present a summary of information received at the School Finance and Management Conference presented by School Services of California. This information will clarify how the State budget will affect the revenues we will receive for our operating expenses this fiscal year.

Major Changes from May Revision to the Final Budget

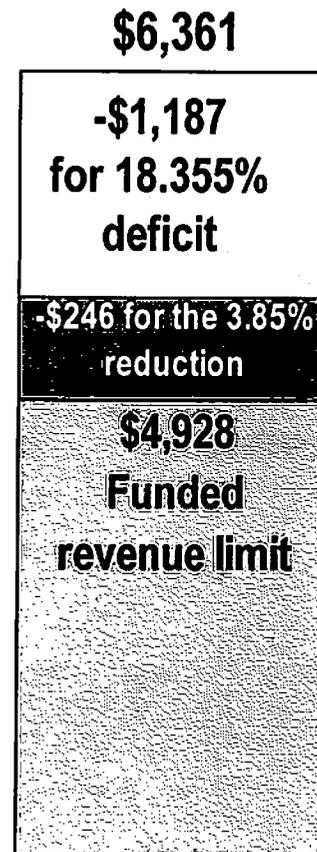

- **May Revision: Reduced revenue limits by \$1.5 billion**
 - **Final Budget: Fully restores revenue limit cut**
- **May Revision: “Fully funded” negative 0.39% COLA**
 - **Final Budget: Holds school agencies harmless from negative COLA**
- **May Revision: No funding for prior-year mandates**
 - **Final Budget: \$300 million in one-time mandate funds, of which \$100 million is for 2010-11 claims and \$200 million is for prior-year claims allocated on a per-ADA basis**
- **May Revision: Eliminated child care programs**
 - **Final Budget: Funding fully restored for licensed care providers**
- **May Revision: Suspended existing AB 3632 special education county mental health mandate**
 - **Final Budget: No suspension of mandate to county mental health**

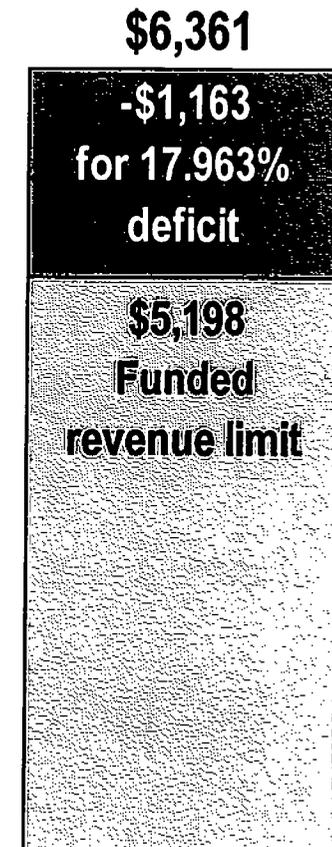

2010-11 Final Budget vs. May Revision

- The Budget agreement did not include the \$1.5 billion revenue limit reduction, estimated to be 3.85% on the total undeficit base revenue limit
- The Budget agreement eliminated the effect of the negative COLA with the lower deficit factor

LEASE

This Lease is made this First day of January, 2000 between Center Unified School District, a political subdivision of the State of California, ("LESSOR" herein) whose address is 8408 Watt Avenue, Antelope, California 95843 and Child Development Centers, a corporation organized under the laws of the State of California, ("LESSEE" herein), whose address is 851 E. Hamilton Avenue, Suite 200, Campbell, California 95008, who agree as follows:

1. Premises. Subject to the terms and conditions hereinafter set forth, LESSOR hereby leases to LESSEE, and LESSEE hereby leases from LESSOR, two (2) relocatable classroom buildings at Arthur Dudley Elementary School, 8000 Aztec Way, Antelope, in the County of Sacramento, State of California (hereinafter "the Premises").

2. Term. The term of this lease shall be for two (2) years, commencing on January 1, 2000 and terminating on December 31, 2002, unless earlier terminated in accordance with the provisions of this lease. This lease may be renewed on the same or different terms for an additional four (4) year period, if the parties mutually agree in writing to such renewal. If either party desires to renew this lease, that party shall notify the other party at least ninety (90) days prior to expiration of the initial terms, to allow time for negotiation of terms. Upon termination, LESSEE shall surrender the Premises and give peaceable possession of the Premises to LESSOR, in good condition, usual wear excepted, and cleaned.

3. Preparation, Acceptance, Fixturing. On commencement of the term, the Premises shall be in good condition. LESSEE's taking possession of the Premises on commencement of the term shall constitute LESSEE's acknowledgement that the Premises are in good condition.

4. Rent.

A. LESSEE shall pay to LESSOR as monthly rent, without deduction, set off, prior notice, or demand, the sum of One Thousand Dollars (\$1,000.00) plus the sum of One Hundred Eighty-five Dollars (\$185.00) per month for utility service to the Premises as set forth in paragraph 13 below, in advance, on the first day of each month, commencing January, 2000 and continuing during the term. Monthly rent for any partial month shall be pro-rated at the rate of 1/20th of the monthly rent per day.

B. Rent and all other sums payable under this lease shall be paid in lawful money of the United States of America and shall be paid to LESSOR at LESSOR's address stated above.

5. Interest on Unpaid Rent. Rent not paid when due shall bear interest from the date due until paid at the maximum rate an individual is permitted by law to charge by written agreement as of the date such sum is due or accrued.

6. Late Charge. LESSEE acknowledges that late payment of rent will cause LESSOR to incur costs not contemplated by this lease, the exact amount of such cost being extremely difficult and impractical to fix. Therefore, if any installment of rent due from LESSEE is not received by LESSOR when due, LESSEE shall pay to LESSOR an additional sum of five percent (5%) of the overdue rent as a late charge. The parties agree that this late charge represents a fair and reasonable estimate of the costs that LESSOR will incur by reason of the late payment by LESSEE. Acceptance of any late charge shall not constitute a waiver of LESSEE's default with respect to the over due amount, or prevent LESSOR from exercising any of the other rights and remedies available to LESSOR.

7. Permitted Use.

A. LESSEE shall use the Premises to operate a duly licensed daytime child care program, Monday through Friday, 7:00 a.m. to 6:00 p.m., throughout the calendar year, and for no other purpose. LESSEE shall not have access to the Premises at times other than the times described above, unless otherwise arranged in advance with the Site Administrator at Arthur Dudley Elementary School, subject to prior approval by the Site Administrator for such additional use.

B. The following conditions must be satisfied prior to occupancy of the Premises and commencement of the delivery of child care services:

1) LESSEE shall file with the Site Administrator of Arthur Dudley Elementary School proof that LESSEE is duly licensed to deliver daytime child care on the Premises.

2) LESSEE shall secure a public liability and property damage insurance policy as set forth in paragraph 15 of this lease, naming LESSOR as additional insured, and provide LESSOR with the required certificate of insurance evidencing such coverage and providing for notice to LESSOR at least twenty (20) days prior to the change in or expiration or termination of coverage.

3) LESSEE shall obtain approval from all appropriate government agencies and all applicable permits and authorizations required for use of the Premises as a daytime child care center.

8. Joint Use.

A. LESSEE shall have joint use with LESSOR of the blacktop, playing fields, and grass areas (hereinafter collectively referred to as "the playground facilities"), and up to six spaces in the parking lot on the Arthur Dudley Elementary School site, Monday through Friday, 7:00 a.m. to 6:00 p.m., at times to be arranged in advance with the Site Administrator at Arthur Dudley Elementary School, subject to prior approval by the Site Administrator. LESSOR shall also reserve a designated section of the parking lot to be used by LESSEE to drop off and pick up children enrolled in LESSEE's program.

B. LESSEE agrees that joint use with LESSOR of portions of the Arthur Dudley Elementary School site described in subparagraph A above will not:

- 1) interfere with the educational program activities of any school or class conducted at Arthur Dudley Elementary School;
- 2) unduly interrupt the residents of the surrounding neighborhood; or
- 3) jeopardize the safety of the students at Arthur Dudley Elementary School.

9. Prohibited Use.

A. LESSEE shall not use any part of the Arthur Dudley Elementary School site that is not expressly leased to LESSEE for any purpose whatsoever without the prior written consent of LESSOR.

B. LESSEE shall not do or permit anything to be done or carry on any activity or allow any condition on the Premises which is a public or private nuisance. LESSEE shall not do or permit anything to be done in or about the Premises or bring or keep anything on the Premises which will in any way increase the existing rate of or affect any fire or other insurance upon the Premises or cause a cancellation of any insurance policy covering the Premises or the site on which the Premises are located. LESSEE shall not commit or allow to be committed any waste in or upon the Premises. LESSEE shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance, or governmental rule or regulation now in force or which may hereafter be enacted or promulgated. LESSEE shall comply with all laws concerning the Premises or LESSEE's use thereof, including without limitation, the obligation at LESSEE's cost to alter, maintain or restore the Premises in compliance and conformity with all laws relating to the condition, use or occupancy of the Premises during the term.

10. Alterations. LESSEE shall not make or suffer to be made any alterations, additions, or improvements to or of the Premises or any part thereof except with the prior consent of LESSOR, which consent shall not be unreasonably withheld. Any structural alterations made shall remain on and be surrendered with the Premises on expiration or termination of this lease, except that LESSOR can elect within thirty (30) days before expiration or within thirty (30) days after termination of the term to require LESSEE to remove any such alterations and restore the premises to the condition designated by LESSOR, all at LESSEE's expense.

11. Liens. LESSEE shall keep the Premises and the property on which the Premises are situated free from any liens arising out of any work performed, materials furnished, or obligations incurred by LESSEE.

12. Assignment and Subletting. LESSEE shall not assign, transfer, mortgage, pledge, hypothecate, or encumber this lease or any interest therein, and shall not sublet the Premises or any part thereof, or suffer any other person to occupy or use the Premises or any portion thereof, without the written consent of LESSOR. A consent to one assignment or subletting shall not be

deemed to be a consent to any subsequent assignment or subletting. Any such assignment or subletting without such consent shall be void, and shall, at the option of LESSOR, terminate this lease. This lease shall not, nor shall any interest therein, be assignable as to the interest of LESSEE by operation of law, without the written consent of LESSOR.

13. Utilities.

A. LESSOR shall furnish all utilities and services to the Premises at LESSOR's sole cost, except telephone service, including garbage collection and reasonable quantities of water, electricity, heat, air conditioning and ventilation. LESSOR shall not be liable for failure to furnish such utilities or services to the Premises if the failure results from causes beyond LESSOR's reasonable control, but in case of a failure, LESSOR will take all reasonable steps to restore the interrupted utilities and services.

B. LESSOR shall also provide a security alarm system for the Premises and connect the Premises to the fire alarm system installed in the Arthur Dudley Elementary School building.

C. LESSEE shall pay for telephone service to the Premises, and all deposits and installation charges related thereto.

14. Maintenance and Repairs. Except as otherwise provided in this lease, LESSEE shall, as a portion of the consideration for rental of the Premises, and at its sole cost, maintain the Premises and every part thereof in good and sanitary condition and repair, and shall repair all damage resulting from use by LESSEE or any person suffered to be on the Premises by LESSEE. LESSOR shall keep in good condition the structural soundness of all structural portions of the Premises, which portions are limited to the pad or foundation system, exterior walls, floors, and roofs. LESSOR's duty to make repairs or alterations is conditioned upon LESSEE's giving LESSOR notice in writing specifying with particularity what maintenance is required of LESSOR. LESSEE's sole remedy for LESSOR's failure shall be to institute suit against LESSOR, and LESSEE shall have no right to withhold rent or terminate this lease.

15. Insurance.

A. Public Liability and Property Damage. LESSEE at its sole cost shall maintain public liability and property damage insurance with a single combined limit of at least One Million Dollars (\$1,000,000), and property damage limits of not less than Two Hundred Thousand Dollars (\$200,000), insuring against all liability of LESSEE and LESSEE's authorized representatives arising out of and in connection with LESSEE's use or occupancy of the Premises. LESSOR shall be named as additional insured. LESSEE shall, prior to going into possession of the Premises, provide LESSOR with a certificate of insurance evidencing the coverage and providing for notice to LESSOR at least twenty (20) days prior to the change in or expiration or termination of coverage. The additional insured endorsement, signed by the underwriter, shall accompany the appropriate certificate.

B. Fire Insurance. LESSOR at its sole cost shall maintain on the two (2) relocatable classroom buildings that are a part of the Premises an all risk policy of standard fire and extended coverage insurance, with vandalism and malicious mischief endorsements, in the amount of at least the replacement cost of same. The insurance policy shall provide that any proceeds shall be made payable to LESSOR, and LESSEE agrees to pay to LESSOR the amount of the deductible provision in the policy.

16. Waiver of Subrogation. The parties release each other, and their respective authorized representatives, from any claims for damage to any person or to the Premises or the site on which the Premises are located and to the fixtures, personal property, LESSEE's improvements, and alterations of either LESSOR or LESSEE in or on the Premises that are caused by or result from risks insured against under any insurance policies carried by the parties and in force at the time of any such damage.

17. Indemnification and Exculpation. LESSOR shall not be liable to LESSEE, and LESSEE hereby waives all claims against LESSOR, for any injury or damage to any person or property in or about the Premises by or from any cause whatsoever.

LESSEE shall hold LESSOR harmless from and defend LESSOR against any and all claims or liability for injury or damage to any persons or property whatsoever occurring in, on or about the Premises and the Arthur Dudley Elementary School site when such injury or damage shall be caused in part or in whole by the act, neglect or fault of LESSEE, its directors, officers, employees, agents or invitees.

18. Compliance with Applicable Law/Permits. LESSEE shall comply with all applicable federal and state laws and local ordinances concerning the Premises and use of the Premises by LESSEE for day time child care, including but not limited to compliance with applicable zoning ordinances, obtaining conditional use or other necessary permits, and compliance with applicable construction or safety codes which may require permits or approvals prior to the alteration of or as a condition for the use or occupancy of the Premises by LESSEE.

19. Taxes and Assessments. LESSEE shall pay prior to delinquency directly to the appropriate taxing authorities all taxes, assessments, fees or charges levied for or during the lease term against all personal property in possession of LESSEE, or installed by or for LESSEE, upon or about the Premises. LESSEE shall also pay any and all real property taxes that may be levied on LESSEE's possessory interest in the Premises.

20. Entry by Lessor. LESSOR reserves and shall at any and all times have the right to enter the Premises to inspect the same or to supply any service to be provided by LESSOR to LESSEE hereunder, to exhibit the Premises to prospective purchasers or tenants, to post notices of non-responsibility, and to alter, improve or repair the Premises, without abatement of rent, and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed. LESSEE hereby waives any claim for damages for any loss of occupancy or quiet enjoyment of the Premises and any other loss occasioned thereby.

21. Default by Lessee.

A. The occurrence of any of the following shall constitute a material default and breach of this lease by LESSEE:

(i) any failure by LESSEE to pay the rent or to pay any other payment required to be made by LESSEE hereunder;

(ii) the abandonment or vacation of the Premises by LESSEE;

(iii) a failure by LESSEE to observe and perform any other provision of this lease to be observed or performed by LESSEE;

(iv) the making by LESSEE of any general assignment for the benefit of creditors; the filing by or against LESSEE of any petition to have LESSEE adjudged bankrupt or of a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against LESSEE, the same is dismissed within sixty (60) days of the appointment of a trustee or a receiver to undertake possession of substantially all of LESSEE's interest in this lease), where possession is not restored to LESSEE within thirty (30) days; or the attachment, execution, or any judicial seizure of substantially all of LESSEE's assets located at the Premises or LESSEE's interest in this lease, where such seizure is not discharged within thirty (30) days.

B. In the event of any such default by Lessee, then in addition to any other remedies available to LESSOR at law or in equity, LESSOR shall have the immediate option to terminate this lease and all rights of LESSEE hereunder by giving written notice of such intention to terminate. In the event that LESSOR shall elect to so terminate this lease, then LESSOR may recover from LESSEE:

(i) any unpaid rent which had been earned after termination until the time that LESSEE vacates the premises, plus 10% per annum interest on the unpaid rent; and

(ii) any other amount necessary to compensate LESSOR for all the detriment proximately caused by LESSEE's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to any rental loss; and

(iii) such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable California law.

C. In the event of such default by LESSEE, LESSOR shall also have the right, with or without terminating this lease, to reenter the Premises and remove all persons and property from the Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost and for the account of LESSEE.

22. Waiver. The waiver by LESSOR of the breach by LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition herein contained.

23. Destruction Due to Risk Covered by Insurance. If, during the term, the Premises are totally or partially destroyed from a risk covered by the insurance described in paragraph 15, rendering the Premises totally or partially inaccessible or unusable, LESSOR shall restore the Premises to substantially the same condition as they were in immediately before destruction, if the restoration can be made under the existing laws and can be completed within sixty (60) working days after the date of the destruction. Such destruction shall not terminate this lease. If the existing laws do not permit the restoration, either party can terminate this lease immediately by giving notice to the other party.

If the cost of restoration exceeds the amount of proceeds received from the insurance required under paragraph 15, LESSOR can elect to terminate this lease by giving notice to LESSEE with fifteen (15) days after determining that the restoration cost will exceed insurance proceeds. In the case of destruction to the Premises only, if LESSOR elects to terminate this lease, LESSEE, within fifteen (15) days after receiving LESSOR's notice to terminate, can elect to pay to LESSOR, at the time LESSEE notified LESSOR of its election, the difference between the amount of the insurance proceeds received and the actual cost of restoration, in which case LESSOR shall restore the Premises. LESSOR shall give LESSEE satisfactory evidence that all sums contributed by LESSEE as provided in this paragraph have been expended by LESSOR in paying the cost of restoration.

If LESSOR elects to terminate this lease and LESSEE does not elect to perform the restoration or contribute toward the cost of restoration as provided in this paragraph, this lease shall terminate.

24. Extent of LESSOR's Obligation to Restore. If LESSOR is required to or elects to restore the Premises, LESSOR shall not be required to restore alterations made by LESSEE, LESSEE's improvements, LESSEE's trade fixtures, and LESSEE's personal property, such excluded items being the sole responsibility of LESSEE to restore.

25. Abatement or Reduction of Rent. In the case of destruction, there shall be an abatement or reduction of rent between the date of destruction and the date of completion of restoration, based upon the extent to which the destruction interferes with the LESSEE's use of the Premises.

26. Waiver of Civil Code Sections. LESSEE waives the provisions of Civil Code sections 1932(2) and 1933(4) with respect to any destruction of the Premises.

27. Surrender of Premises and Holding Over. LESSEE shall, at the end of the term, or on sooner termination of this lease, surrender the Premises and give peaceable possession of the Premises to LESSOR, in good condition usual wear excepted, and cleaned. LESSEE shall surrender all LESSEE's improvements and alterations, except for alterations that LESSEE has the right to remove or is obligated to remove. LESSEE shall remove all its personal property within ten (10) days after termination of the term. LESSEE shall perform all restoration made necessary by the removal of any alteration or LESSEE's personal property within the time period stated in this paragraph.

LESSOR can elect to retain or dispose of in any manner alterations or LESSEE's personal property that LESSEE does not remove from the Premises on expiration or termination of the term as allowed or required by this lease by giving at least ten (10) days' notice to LESSEE. Title to any such alterations or LESSEE's personal property that LESSOR elects to retain or dispose of on expiration of the ten (10) day period, shall vest in LESSOR. LESSEE waives all claims against LESSOR for any damage to LESSEE resulting from LESSOR's retention or disposition of any such alterations or LESSEE's personal property. LESSEE shall be liable to LESSOR for LESSOR's costs for storing, removing and disposing of any alterations or LESSEE's personal property.

If LESSEE fails to surrender the Premises to LESSOR within ten (10) days after termination of the term as required by this paragraph, LESSEE shall hold LESSOR harmless from all damages resulting from LESSEE's failure to surrender the Premises.

If LESSEE, with LESSOR's consent, remains in possession of the Premises after expiration or termination of the term, or after the date of any notice given by LESSOR to LESSEE terminating this lease, such possession by LESSEE shall be deemed to be a month-to-month tenancy terminable on thirty (30) days' notice given at any time by either party.

28. Signs. LESSEE, at its cost, shall have the right to place, construct and maintain one sign on the exterior wall of the Premises, advertising its business on the Premises. LESSEE shall not have the right to place, construct, or maintain any other sign, advertisement, awning, banner or other exterior decoration without LESSOR's prior written consent. LESSOR shall have the sole right to determine the type of sign to be installed, including the size of the letters, style and color.

29. Severability. The unenforceability, invalidity or illegality of any provision of this lease shall not render the other provisions hereof unenforceable, invalid or illegal.

30. Entire Agreement. This Agreement contains the entire Agreement between the parties with respect to the subject matter of this Agreement and supercedes all prior understanding with respect thereto. There are no promises, terms, conditions or obligations referring to the subject matter other than contained herein. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligation hereunder be waived except by written instrument signed by the party to be charged, or by its agents, duly authorized in writing, or as otherwise expressly permitted in this Agreement.

31. California Law. This Agreement shall be construed in accordance with and governed by the laws and decisions of the State of California.

32. Notice. All notices or other communications that may be given under this Agreement shall be in writing and shall be served personally or by certified or by first class mail, postage prepaid, addressed as follows or to such other address as either party may provide to the other party in writing:

LESSOR: Center Unified School District
8408 Watt Avenue
Antelope, CA 95843
Attention: Dr. Rex Fortune, Superintendent

LESSEE: Child Development Centers
851 E. Hamilton Avenue, Suite 200
Campbell, CA 95008
Attention: Mr. Vernon Plaskett

Service shall be deemed complete upon deposit in the United States mail or upon personal delivery.

33. LESSEE's Personnel. The parties, and each of them, understand and agree that LESSEE shall provide all personnel necessary to provide the daytime child care program LESSEE is permitted to provide on the Premises under this lease. Such personnel shall be entirely and exclusively under the direction, supervision and control of LESSEE. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging, or any other terms of employment or requirements of law, including the provision of workers' compensation insurance, shall be determined by and be the responsibility of LESSEE, and LESSOR shall have no right or authority over such persons or the terms of such employment. LESSEE agrees to submit written certification that its employees have not committed a serious or violent felony as defined in Education Code section 45122.1. A criminal background check pursuant to Health and Safety Code section 1596.871 will qualify as a sufficient background check. Failure by LESSEE to have its employees fingerprinted under Health and Safety Code section 1596.871 may result in default by LESSEE at the option of LESSOR. LESSOR shall provide an acceptable certification form for LESSEE's use.

34. Successors and Assigns. The covenants and conditions herein contained shall apply to and bind the heirs, successors, administrators and assigns of LESSOR and LESSEE.

35. Attorneys' Fees. In the event of any action or proceeding brought by any party against the other party under this Agreement, the prevailing party shall be entitled to recover for the fees of its attorneys in such action or proceeding in such an amount as the court may adjudge reasonable.

36. Effect of Child Care Service Contract Termination. LESSOR subcontracts to LESSEE responsibility for providing state-subsidized child care services. This subcontract comprises a majority of LESSEE's revenue. Termination of this subcontract, for any reason, shall provide LESSEE with the option of terminating this lease by giving written notice to LESSOR of such intention to terminate.

LESSOR and LESSEE have executed this lease the day and year first above written.

Disobedient, Disruptive, Defiant, and Disturbed Students: Behavioral Interventions for Challenging Students

Sacramento, CA ♦ October 25 - 26, 2010

Howard Knoff, Ph.D. is the Director of Project ACHIEVE, a comprehensive, evidence-based national school improvement program, and Director of the Arkansas Department of Education's State Improvement/Personnel Development Grant that is funding the statewide implementation of Project ACHIEVE. Dr. Knoff has authored or co-authored 16 books, published over 75 articles and book chapters, and delivered over 500 papers and workshops nationally. He has received over \$15 million in external grants during his career. Dr. Knoff was the 21st President of the National Association of School Psychologists.

This interactive presentation focuses on how to establish the effective school-wide Positive Behavioral Support (PBS)/Discipline, Behavior Management, School Safety systems (Tier 1) in all schools that increase students' prosocial skills, academic engagement, and academic achievement. Using this PBS foundation, Strategic (Tier 2) and Intensive (Tier 3) interventions to assist challenging students who are behaviorally unsuccessful or non-responsive then are described.

How to specifically plan, implement, and evaluate Tier 2 behavioral interventions are especially emphasized over the two-day session. They will be organized to address the need to: (a) Increase or Establish New Student Behaviors; (b) Decrease or Eliminate Inappropriate Student Behaviors; (c) Teach Attention and Engagement Skills; (d) Teach Social, Self-Management, and Self-Control Skills; (e) Increase Student Motivation; and (f) Address Teasing, Taunting, Bullying, Harassment, and Physical Aggression/Fighting. The specific interventions discussed will be evidence-based, teacher-friendly, and field-tested.

This workshop will provide case examples as appropriate. For each intervention, the following information will be provided: (a) Problem Situations where the Intervention is most-used or most useful; (b) functional assessment outcomes that necessarily link to make this intervention relevant; (c) the Age Levels where the Intervention will be most successful; and (d) the Severity Level of the Student and/or Problem where the Intervention will be most successful.

Any Board member, employee, parent/guardian, student, or community member may recommend an individual or organization for Board recognition. He/she shall submit to the Superintendent or designee the name of the individual or organization and a description of the outstanding contribution or service.

Note: The following paragraph lists the types of commendations and awards that may be presented by the Board. Gifts of money or gift certificates may be considered an unconstitutional gift of public funds absent specific legislative authority.

At the Board's discretion, the Board may present a letter of recognition, Board resolution, plaque, or other award at a public Board meeting or may hold a reception or informal recognition activity. The Board also may designate a day, week, or month for special recognition of volunteers.

The Board encourages similar forms of recognition for achievement or services as part of school-level commendation programs.

2. Board Resolution, to be read at a Board meeting, for distinguished service to children and youth.
3. Letter of Recognition, to be prepared by the Superintendent or designee on behalf of the Board, for significant achievement and/or service by groups such as the basketball team, choir, band, and parent/guardian/community organizations.

VISITORS/OUTSIDERS

The Governing Board believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

(cf. 1240 - Volunteer Assistance)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

Note: In Reeves v. Rocklin Unified School District, a California Court of Appeal affirmed districts' authority to establish reasonable regulations for student safety and protection against disruptions on school campuses.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during noninstructional time.

(cf. 6116 - Classroom Interruptions)

Note: Penal Code 627.2 requires "outsiders" to register upon entering school grounds during school hours, and Penal Code 627.1 lists individuals who are not "outsiders" for this purpose; see the accompanying administrative regulation. Education Code 32212 authorizes the Governing Board to adopt policy to control classroom interruptions consistent with local circumstances (see AR 6116 - Classroom Interruptions) and Education Code 35160 authorizes the Board to act in any manner not inconsistent with law. Therefore, it appears that a district has the authority to require all visitors, including parents/guardians as well as those not defined as "outsiders" in Penal Code 627.1, to register upon entering school campus and to comply with other reasonable requirements.

Pursuant to Penal Code 627.1, media representatives are not "outsiders." However, an Attorney General opinion (95 Ops.Cal.Atty.Gen. 509 (1996)) has opined that the Board may restrict media representatives' access in the same manner as access by the general public may be limited (e.g., registration or accompaniment by a staff member when on school grounds). Therefore, if a district has developed a policy requiring all members of the general public (i.e., both visitors and outsiders) to register upon entering school grounds, then media may be subject to the same requirements; see BP 1112 - Media Relations.

The following options may be revised to reflect district practice. Option 1 requires anyone who is not a student or staff member to register. Option 2 requires registration only for individuals who are not listed in Penal Code 627.1 (i.e., individuals who are "outsiders").

OPTION 1: Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

~~**OPTION 2:** All outsiders, as defined in law and administrative regulation, shall register immediately upon entering any school building or grounds when school is in session. (Penal Code 627.2)~~

~~*(cf. 1112 - Media Relations)*~~

VISITORS/OUTSIDERS (continued)

Note: The remainder of this Board policy may be used by all districts.

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher and principal's permission. (Education Code 51512)

Note: Pursuant to Education Code 35160, the Board is responsible for maintaining order in schools under its jurisdiction. Therefore, in accordance with law, the district may authorize school administrators to direct disruptive individuals to leave school grounds; see AR 3515.2 - Disruptions for language regarding the removal of disruptive persons from school grounds. Penal Code 626.7 provides that a person who is directed to leave the campus and fails to leave, or later reenters without following the school's posted registration requirements, may be guilty of a misdemeanor.

The following **optional** paragraph should be modified to reflect district practice.

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

BP 1250

Community Relations

The Governing Board encourages parents/guardians and interested members of the community to visit the schools and view the educational program. The Superintendent or designee shall invite parents/guardians and the community to open house activities and other special events.

To ensure minimum interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be set with the teacher during noninstructional time.

To ensure the safety of students and staff and avoid potential disruptions, the Board requires all visitors/outsiders to identify themselves to the principal or designee upon entering school grounds.

All visitors/outsiders shall register in accordance with law immediately upon entering any school building or grounds when school is in session. (Penal Code 627.2)

(cf. 1112 - Media Relations)

(cf. 3515.2 - Disruptions)

For purposes of school safety and security, the principal or designee shall design a visible means of identification for visitors/outsiders while on school premises.

VISITORS/OUTSIDERS

Note: Penal Code 627.6 requires that the following notice be posted at the entrance to each school and school grounds. In addition, Education Code 32211 requires that the notice include the "school hours," defined as the period from one hour before classes begin to one hour after classes end, unless it is otherwise defined by the Governing Board.

The Superintendent or designee shall post at every entrance to each school and school grounds a notice describing registration requirements, school hours or hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements. (Education Code 32211; Penal Code 627.6)

Note: The following optional paragraph may be revised to reflect district practice.

~~Unless otherwise directed by the principal or designee, a staff member shall accompany visitors/outsideers while they are on school grounds.~~

Outsider Registration

Note: The following section should be used only by districts that select Option 2 of the accompanying Board policy, which requires registration only for "outsiders" as defined in Penal Code 627.2.

~~Outsiders shall register upon entering school premises during school hours. Any person other than the following is considered an outsider: (Evidence Code 1070; Penal Code 627.1, 627.2)~~

- ~~1. A student of the school, unless currently under suspension~~
- ~~2. A parent/guardian of a student of the school~~
- ~~3. A Governing Board member or district employee~~
- ~~4. A public employee whose employment requires being on school grounds, or any person who is on school grounds at the school's request~~
- ~~5. A representative of a school employee organization who is engaged in activities related to the representation of school employees~~
- ~~6. An elected public official~~
- ~~7. A publisher, editor, reporter, or other person connected with or employed by a newspaper, magazine, other periodical publication, press association or wire service, radio station, or television station~~

~~(cf. 1112 - Media Relations)~~

VISITORS/OUTSIDERS (continued)**Registration Procedure**

Note: Registration items listed below are those required by Penal Code 627.3 when "outsiders" register at a school. Pursuant to Education Code 32212 which authorizes districts to adopt a policy to control classroom interruptions, any district choosing Option 1 in the accompanying Board policy may also use the following list. When a district choosing Option 1 wishes to require the same information of all visitors, "outsider" should be changed to "visitor" in the following section.

In order to register, an ~~outsider~~ visitor shall, upon request, furnish the principal or designee with the following information: (Penal Code 627.3)

1. His/her name, address, and occupation
2. His/her age, if less than 21
3. His/her purpose for entering school grounds
4. Proof of identity
5. Other information consistent with the provisions of law

Principal's Registration Authority

Note: Pursuant to Penal Code 627.4, the following section applies to districts that choose Option 2 in the accompanying Board policy. However, pursuant to Education Code 32212, districts that choose Option 1 also may use the section, if consistent with their local circumstances. When a district choosing Option 1 wishes to use this section, "outsider" should be changed to "visitor" throughout the following section.

The principal or designee may refuse to register any ~~outsider~~ visitor if he/she reasonably concludes that the individual's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. The principal or designee or school security officer may revoke any ~~outsider's~~ visitor's registration if he/she has a reasonable basis for concluding that the individual's presence on school grounds would interfere or is interfering with the peaceful conduct of school activities or would disrupt or is disrupting the school, students, or staff. (Penal Code 627.4)

(cf. 3515.2 - Disruptions)

(cf. 3515.3 - District Police/Security Department)

When an ~~outsider~~ visitor fails to register, or when the principal or designee denies or revokes an ~~outsider's~~ visitor's registration privileges, the principal or designee may request that the individual promptly leave school grounds. When an ~~outsider~~ visitor is directed to leave, the principal or designee shall inform him/her that if he/she reenters the school within seven days

VISITORS/OUTSIDERS (continued)

he/she may be guilty of a misdemeanor subject to a fine and/or imprisonment. (Penal Code 627.7)

Appeal Procedure

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or principal by submitting, within five days after the person's departure from school, a written request for a hearing. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the Superintendent or principal shall be held within seven days after receipt of the request. (Penal Code 627.5)

BUDGET

The Governing Board recognizes its critical responsibility for adopting a sound budget for each fiscal year which is aligned with the district's vision, goals, and priorities. The district budget shall guide administrative decisions and actions throughout the year and shall serve as a tool for monitoring the fiscal health of the district.

- (cf. 0000 - Vision)*
- (cf. 3000 - Concepts and Roles)*
- (cf. 3300 - Expenditures and Purchases)*
- (cf. 3460 - Financial Reports and Accountability)*
- (cf. 9000 - Role of the Board)*

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

Budget Development and Adoption Process

Note: Education Code 42127 gives districts a choice of budget adoption methods. Under the single budget adoption process (Education Code 42127(i)), the Board must adopt and submit, by July 1, a "final" budget which subsequently may be amended within 45 days after the state budget is adopted and when necessary in response to disapproval of the budget by the County Superintendent of Schools. Under the dual budget adoption process (Education Code 42127(e) and (g)), the budget that the Board adopts by July 1 serves as a "tentative" budget. By September 8, the Board must submit a revised final budget which responds to the County Superintendent's recommendations and reflects changes in projected income or expenditures after July 1.

Education Code 42127 requires districts using the single budget adoption process to notify the County Superintendent of that decision by October 31 of the preceding calendar year. However, according to the California Department of Education's (CDE) budget calendar, this notification should be given to the County Superintendent along with the unaudited actual data report due by September 15; see AR 3460 - Financial Reports and Accountability.

OPTION 1: (Single Budget Adoption Process)

The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the single budget adoption process described in Education Code 42127(i). He/she shall annually notify the County Superintendent of Schools of the district's decision to use the single budget adoption process in the subsequent year.

~~**OPTION 2: (Dual Budget Adoption Process)**~~

~~The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the dual budget adoption process described in Education Code 42127(e) and (g).~~

Note: The remainder of this section applies to districts that selected either Option 1 or 2 above.

BUDGET (continued)

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

Note: Education Code 42103 and 42127 require a public hearing prior to adoption of the budget and, in the case of the dual budget adoption process, a second public hearing prior to revising the budget; see the accompanying administrative regulation.

The Board encourages public input in the budget development process and shall hold public hearings and meetings in accordance with Education Code 42103 and 42127.

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

(cf. 9323 - Meeting Conduct)

Note: Education Code 42126 requires the district's final budget to be submitted to the County Superintendent in a format prescribed by the Superintendent of Public Instruction. The CDE requires districts to use the Standardized Account Code Structure; see the accompanying administrative regulation. At its discretion, the district may use a different format for communicating the budget to the Board, staff, and public but, according to the CDE, the budget that the Board formally adopts must be in the format that will be submitted to the County Superintendent.

The budget that is formally adopted by the Board shall be in the format prescribed by the Superintendent of Public Instruction. The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

Budget Advisory Committee

Note: The following optional section is for use by districts that choose to establish a budget advisory committee to provide input during the budget development process. The committee may be appointed by the Superintendent or designee (Option 1), by the Board (Option 2), or may be a Board subcommittee composed exclusively of Board members (Option 3). Committees established by Board action are subject to the Brown Act; see BP/AR 1220 - Citizen Advisory Committees. Districts should delete or modify the following options as appropriate. See the accompanying administrative regulation for optional language regarding the committee's composition and duties.

This committee is different from the budget review committee that is required in the event that the County Superintendent disapproves the district's budget; see the accompanying administrative regulation.

OPTION 1: The Superintendent or designee may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

BUDGET (continued)

~~**OPTION 2:** The Board may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.~~

~~**OPTION 3:** The Board may establish a budget subcommittee composed exclusively of Board members.~~

Note: The following paragraph is for use by districts that selected either Option 1, 2, or 3 above.

The committee shall develop recommendations during the budget development process and its duties shall be assigned each year based on district needs. All recommendations of the committee shall be advisory only and shall not be binding on the Board or the Superintendent or designee.

(cf. 1220 - Citizen Advisory Committees)

(cf. 2230 - Representative and Deliberative Groups)

(cf. 3350 - Travel Expenses)

(cf. 9130 - Board Committees)

(cf. 9140 - Board Representatives)

Budget Criteria and Standards

Note: Education Code 33129 requires the district to develop its budget and manage expenditures in keeping with criteria and standards adopted by the State Board of Education pursuant to Education Code 33127. These criteria and standards are delineated in Education Code 33128 and 5 CCR 15440-15451.

In developing the district budget, the Superintendent or designee shall analyze criteria and standards adopted by the State Board of Education which address estimation of funded average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, fund balance, and reserves. The budget review shall also identify supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, and the status of labor agreements. (Education Code 33127, 33128, 33129; 5 CCR 15440-15451)

Note: 5 CCR 15450 establishes a minimum percentage or amount, based on the district's average daily attendance, which the district must maintain as a general fund reserve for economic uncertainty. However, ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009) amended Education Code 33128.3 to reduce the required reserve to one-third of that amount for the 2009-10 fiscal year. In fiscal year 2010-11 the district is required to make progress toward restoring the full reserve, and by fiscal year 2011-12 the district must again comply with the reserve threshold specified in 5 CCR 15450. The following paragraph may be revised to reflect the specific percentage or amount applicable to the district.

BUDGET (continued)

The Board shall establish and maintain a general fund reserve for economic uncertainty that meets or exceeds the requirements of law. (Education Code 33128.3; 5 CCR 15450)

Note: The following optional paragraph may be revised to reflect district practice. As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009) and ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), Education Code 42605 grants districts flexibility to transfer funds received for 39 "Tier 3" categorical programs to be used for any "educational purpose" for the 2008-09 through the 2012-13 fiscal years; see BP 3110 - Transfer of Funds and BP 2210 - Administrative Discretion Regarding Board Policy.

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, categorical program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 3110 - Transfer of Funds)

Fund Balance

Note: The following section reflects the provisions of Governmental Accounting Standards Board (GASB) Statement 54, which makes changes in the way fund balances in the general fund must be reported in external financial reports, beginning in the fiscal year starting July 1, 2010. Fund balances must be classified as nonspendable, restricted, committed, assigned, and unassigned in accordance with GASB 54 definitions; see AR 3460 - Financial Reports and Accountability. Pursuant to GASB 54, the Board has sole authority to specify purposes of funds classified as "committed" and also must express, or delegate the authority to express, intended purposes of resources that result in the "assigned" fund balance. The Board may adopt a formal resolution containing the required components, as provided below, or may modify the following section to reflect its fund balance policy.

The Board shall adopt a formal resolution that provides for classification of fund balances in the general fund and is compliant with Governmental Accounting Standards Board (GASB) Statement 54. The resolution also shall:

1. Establish specific steps for committing funds that cannot be used for any other purpose unless the Board takes action to remove or change the constraint
2. Express the authority of the Board and/or delegate authority to other person(s) to identify intended uses of assigned funds
3. Establish the order in which fund balances will be spent when multiple fund balance types are available for an expenditure

BUDGET (continued)

Note: Item #4 below is optional. Although not required by GASB 54, the Government Finance Officers Association (GFOA) recommends that public agencies adopt a minimum fund balance policy as described below. The GFOA's Best Practice: Appropriate Level of Unrestricted Fund Balance in the General Fund describes a variety of factors that should be considered when developing a minimum fund balance policy, such as the predictability of its revenue and volatility of its expenditures, perceived exposure to significant one-time outlays, potential drain upon the general fund from other funds as well as the availability of resources in other funds, liquidity of resources, and portion of unrestricted fund balance already committed or assigned for a specific purpose. According to the GFOA, a public agency may deem it appropriate to exclude committed and assigned resources and focus on unassigned fund balance rather than unrestricted fund balance. The Board may adopt a formal resolution addressing the minimum fund balance, as provided below, or may modify the following paragraph to reflect its minimum fund balance policy.

4. Address the minimum fund balance in the general fund by establishing an appropriate level of unrestricted fund balance that will be maintained in the general fund, the circumstances under which the unrestricted fund balance can be spent down, and the procedure for replenishing deficiencies

The Board reserves the authority to review and amend this resolution as needed to reflect changing circumstances and district needs.

Long-Term Financial Obligations

The district's current-year budget and multi-year projections shall include adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

(cf. 7210 - Facilities Financing)

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

Note: The following two optional paragraphs are for use by districts that provide "other postemployment benefits" (OPEBs) (i.e., medical, dental, vision, hearing, life insurance, long-term care, long-term disability, and other nonpension benefits to retired employees or Board members) and should be revised to reflect district practice; see BP/AR 4154/4254/4354 - Health and Welfare Benefits and BB 9250 - Remuneration, Reimbursement and Other Benefits. CSBA recommends that districts adopt a specific funding strategy for addressing their OPEB obligations. The district may pay the premiums as they fall due ("pay-as-you-go"), but in such a case the district would then accrue a deficit with respect to future retirees which can be expected to grow as a result of an increasing retiree population and increases in benefit costs. Therefore, it is recommended that the district prefund the debt to the extent possible using a method and level to be determined by the Board. For example, the district may contribute a set amount or percentage of the actuarially determined "annual required contributions" to an irrevocable trust or designated fund each year.

BUDGET (continued)

Regardless of the funding strategy used by the district, GASB Statement 45 requires the district to report the annual expense of OPEBs and, to the extent that the OPEBs are not prefunded, to report them as a liability on the district's financial statements; see AR 3460 - Financial Reports and Accountability.

CSBA's GASB 45 Solutions program provides access to qualified actuaries and consultants and a GASB 45-compliant trust to prefund future obligations. See CSBA's web site for further information.

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

Note: The following optional paragraph is for use by districts that are self-insured for workers' compensation claims, either individually or as part of a joint powers agency. See AR 3460 - Financial Reports and Accountability for provisions related to reporting the estimated accrued but unfunded cost of workers' compensation claims based on an actuarial report.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

Budget Amendments

Note: The following section is optional and should be revised to reflect district practice. CSBA's publication Maximizing School Board Governance: Fiscal Accountability recommends that the Board require continual review and amendment of the budget and that the Board view budget amendment as an important policy discussion that should not be considered routine or delegated to management.

BUDGET (continued)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

Board Policy

Budget

BP 3100

Business and Noninstructional Operations

The Governing Board recognizes its critical responsibility for adopting a sound budget for each fiscal year which is aligned with the district's vision, goals, and priorities. The district budget shall guide administrative decisions and actions throughout the year and shall serve as a tool for monitoring the fiscal health of the district.

(cf. 0000 - Vision)

(cf. 3000 - Concepts and Roles)

(cf. 3300 - Expenditures and Purchases)

(cf. 3460 - Financial Reports and Accountability)

(cf. 9000 - Role of the Board)

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

Budget Development and Adoption Process

The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the single budget adoption process described in Education Code 42127(i). He/she shall annually notify the County Superintendent of Schools of the district's decision to use the single budget adoption process in the subsequent year.

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

The Board encourages public input in the budget development process and shall hold public hearings and meetings in accordance with Education Code 42103 and 42127.

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

(cf. 9323 - Meeting Conduct)

The budget that is formally adopted by the Board shall be in the format prescribed by the Superintendent of Public Instruction. The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

Budget Advisory Committee

The Superintendent or designee may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

The committee shall develop recommendations during the budget development process and its duties shall be assigned each year based on district needs. All recommendations of the committee shall be advisory only and shall not be binding on the Board or the Superintendent or designee.

(cf. 1220 - Citizen Advisory Committees)

(cf. 2230 - Representative and Deliberative Groups)

(cf. 3350 - Travel Expenses)

(cf. 9130 - Board Committees)

(cf. 9140 - Board Representatives)

Budget Criteria and Standards

In developing the district budget, the Superintendent or designee shall analyze criteria and standards adopted by the State Board of Education which address estimation of funded average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, fund balance, and reserves. The budget review shall also identify supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, and the status of labor agreements. (Education Code 33127, 33128, 33129; 5 CCR 15440-15451)

The Board shall establish and maintain a general fund reserve for economic uncertainty that meets or exceeds the requirements of law. (Education Code 33128.3; 5 CCR 15450)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, categorical program requirements and flexibility, if any, as well as other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 3110 - Transfer of Funds)

Long-Term Financial Obligations

The district's current-year budget and multi-year projections shall contain adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

(cf. 7210 - Facilities Financing)

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

Budget Amendments

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year

budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

**Policy CENTER UNIFIED SCHOOL DISTRICT
adopted: February 17, 2010 Antelope, California**

FINANCIAL REPORTS AND ACCOUNTABILITY

Unaudited Actual Receipts and Expenditures

Note: Education Code 42100 requires that the following report be submitted to the County Superintendent of Schools on a form prescribed by the Superintendent of Public Instruction (SPI). The California Department of Education (CDE) requires that this report be made using the standardized account code structure (SACS) software.

The Superintendent or designee shall prepare a statement of all unaudited actual receipts and expenditures of the district for the preceding fiscal year, using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). On or before September 15, the Governing Board shall approve this statement and file it with the County Superintendent of Schools. (Education Code 42100)

Gann Appropriations Limit Resolution

The Board shall adopt a resolution on or before September 15 of each year to identify, pursuant to Government Code 7900-7914, the estimated appropriations limit for the district for the current fiscal year and the actual appropriations limit of the district during the preceding year. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code 42132; Government Code 7910)

Interim Reports

The Superintendent or designee shall submit two interim fiscal reports to the Board, the first report covering the district's financial and budgetary status for the period ending October 31 and the second report covering the period ending January 31. The reports and supporting data shall be made available by the district for public review. (Education Code 42130)

(cf. 1340 - Access to District Records)

Note: Education Code 42130 requires that the interim reports be based on the criteria and standards adopted by the State Board of Education (SBE) pursuant to Education Code 33127. These criteria and standards are delineated in 5 CCR 15453-15464 and address the areas listed in the following paragraph.

Pursuant to 5 CCR 15455, one of the criteria is the maintenance of a general fund reserve for economic uncertainty that meets the specified minimum percentage or amount based on the district's average daily attendance; also see BP 3100 - Budget. However, ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009) amended Education Code 33128.3 to reduce the required reserve to one-third of that amount for the 2009-10 fiscal year. In fiscal year 2010-11, the district is required to make progress toward restoring the full reserve, and by fiscal year 2011-12 must again comply with the reserve threshold specified in 5 CCR 15450.

Each interim report shall include an assessment of the district budget as revised to reflect current information regarding the adopted state budget, district property tax revenues, if any, and ending balances for the preceding fiscal year. The report shall be based on criteria and standards adopted by the State Board of Education (SBE) which address fund and cash

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

balances, reserves, deficit spending, estimation of average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, and facilities maintenance. The report shall also provide supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, temporary interfund borrowings, the status of labor agreements, and the status of other funds. (Education Code 33128.3, 42130, 42131; 5 CCR 15453-15466)

Within 45 days after the close of the period reported, the Board shall approve the interim fiscal report and certify, on the basis of the interim report and any additional financial information known by the Board to exist at the time of certification, whether the district is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. The certification shall be classified as one of the following: (Education Code 42130, 42131)

1. "Positive certification" indicating that the district will meet its financial obligations for the current fiscal year and two subsequent fiscal years
2. "Qualified certification" indicating that the district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years
3. "Negative certification" indicating that the district will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

Note: Education Code 42130 and 42131 require that the interim report and certification be submitted to the County Superintendent in a format or on forms prescribed by the SPI. The CDE requires that these be reported using the SACS software. Pursuant to Education Code 42131, upon receiving the certification, the County Superintendent is required to send any qualified or negative certification, along with the interim report, to the State Controller and the SPI.

The Superintendent or designee shall submit a copy of the interim report and certification to the County Superintendent using the state's SACS software, as prescribed by the SPI. (Education Code 42130, 42131)

Note: Education Code 42131 gives the County Superintendent 75 days after the close of the reporting period to change the district's positive certification to qualified or negative. Districts may appeal the County Superintendent's determination to the SPI, who will determine the certification to be given to the district.

If the district submits a positive certification that is subsequently changed by the County Superintendent to a qualified or negative certification, the district may appeal the decision to the SPI within five days of receiving the notice of change. (Education Code 42131)

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

Note: Whenever the district receives a qualified or negative certification, Education Code 42131 requires the County Superintendent, within 75 days after the close of the reporting period, to submit his/her comments on the certification to the State Controller and the SPI and report any remedial action proposed or taken under the authority granted to the County Superintendent by Education Code 42127.6. Pursuant to Education Code 42127.6, the County Superintendent shall take one or more of the following actions: (1) assign a fiscal expert to advise the district on its financial problems; (2) conduct a study of the financial and budgetary conditions of the district which includes, but is not limited to, a review of internal controls; (3) direct the district to submit a financial projection of all fund and cash balances as of June 30 of the current year and subsequent fiscal years as required by the County Superintendent; (4) require the district to encumber all contracts and other obligations, prepare appropriate cash flow analyses and monthly or quarterly budget revisions, and appropriately record all receivables and payables; (5) direct the district to submit a proposal for addressing the fiscal conditions that caused the negative or qualified certification; (6) withhold the Board stipend and Superintendent compensation if requested financial information is not provided; and/or (7) assign the Fiscal Crisis and Management Assistance Team (FCMAT) to review and provide recommendations to improve the district's teacher hiring process, teacher retention rate, extent of teacher misassignment, and provision of highly qualified teachers. Education Code 42131 also authorizes the State Controller to conduct an audit or review of the financial condition of any district having a negative or qualified certification.

Pursuant to Education Code 42652, a district that receives a qualified or negative certification also may lose the County Superintendent's or SPI's approval to draw warrants on the county treasury. Furthermore, pursuant to Education Code 42133, a district that receives a qualified or negative certification must have the County Superintendent's approval before issuing any certificates of participation, tax anticipation notes, revenue bonds, or other non-voter-approved debt (see section entitled "Non-Voter-Approved Debt Report" below).

Whenever the district receives a qualified or negative certification as determined by the Board or the County Superintendent, the Superintendent or designee shall cooperate in the implementation of any remedial actions taken by the County Superintendent under the authority granted to him/her pursuant to Education Code 42131.

Note: Education Code 42637 authorizes the County Superintendent, at any time during the fiscal year if he/she concludes that the district's budget does not comply with criteria and standards adopted by the SBE, to conduct a comprehensive review of the financial and budgetary conditions of the district and report his/her findings to the Board at a public meeting. According to FCMAT's Fiscal Oversight Guide, this provision of the law requires the County Superintendent to exercise this authority when the district receives a negative certification and authorizes him/her to do so when the district receives a qualified certification. After receiving such a report, the Board must respond to the recommendations within 15 days.

Whenever the County Superintendent conducts a comprehensive review of the district's financial and budgetary conditions after determining that the district's budget does not comply with SBE-adopted criteria and standards for fiscal stability, the Board shall review the County Superintendent's recommendations at a public Board meeting. Within 15 days of receiving the report, the district shall notify the County Superintendent and the SPI of its proposed actions on the recommendations. (Education Code 42637)

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

Note: Whenever the district's second interim report is accompanied by a qualified or negative certification, the district must submit another financial statement by June 1 as described below; this report is sometimes referred to as the "third interim report."

If the second interim report of the fiscal year is accompanied by a qualified or negative certification as determined by the Board or the County Superintendent, the Superintendent or designee shall, no later than June 1, provide to the County Superintendent, the State Controller, and the SPI a financial statement that reports data for the period ending April 30 and projects the district's fund and cash balances as of June 30. (Education Code 42131)

Note: Whenever a district with a qualified or negative certification is negotiating a collective bargaining agreement, it must allow the county office of education 10 working days to review and comment on the proposed collective bargaining agreement pursuant to Government Code 3540.2; see BP 4143/4243 - Negotiations/Consultation.

Audit Report

Note: Pursuant to Education Code 41020, the Board must, no later than May 1 of each year, arrange for an audit of all the district's funds. However, if the Board has not provided for an audit by April 1, the County Superintendent shall do so at the district's cost. Thus, the following paragraph reflects the April 1 deadline.

By April 1 of each year, the Board shall provide for an audit of the district's books and accounts or the County Superintendent shall make arrangements to provide for that audit. (Education Code 41020)

The Superintendent or designee shall establish a timetable for the completion and review of the audit within the deadlines established by law.

Note: Education Code 41020 requires districts to select an auditor from a directory of certified public accountants and public accountants deemed by the State Controller as qualified to conduct audits of local education agencies. The State Controller is required to publish this directory by December 31 of each year.

In addition, Education Code 41020.5 prohibits the Board from employing any accountant identified by the State Controller as ineligible based on failure of past audits to comply with provisions of the K-12 annual audit guide. The State Controller will annually notify districts of ineligible accountants by the first day of March.

To conduct the audit, the Board shall select a certified public accountant or public accountant licensed by the State Board of Accountancy from among those deemed qualified by the State Controller. (Education Code 41020, 41020.5)

Note: Education Code 41020 requires that districts rotate auditors as specified below. However, the district may request that the Education Audit Appeals Panel (EAAP) waive this requirement if no otherwise eligible auditor is available to perform the audit.

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

The Board shall not select any public accounting firm to provide audit services if the lead or coordinating audit partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for the district in each of the six previous fiscal years. (Education Code 41020)

While a public accounting firm is performing the audit of the district, it shall not provide any nonauditing, management, or other consulting services for the district except as provided in Government Accounting Standards, Amendment #3, published by the U.S. Government Accounting Office. (Education Code 41020)

The audit shall include an audit of income and expenditures by source of funds for all funds of the district, including the student body and cafeteria funds and accounts and any other funds under the control or jurisdiction of the district, as well as an audit of student attendance procedures. (Education Code 41020)

(cf. 3430 - Investing)

(cf. 3451 - Petty Cash Funds)

(cf. 3452 - Student Activity Funds)

(cf. 3551 - Food Service Operations/Cafeteria Fund)

Note: The following optional paragraph is for use by districts that elect to participate in the school district of choice program (Education Code 48300-48316); see Option 2 in BP/AR 5117 - Interdistrict Attendance. Pursuant to Education Code 48301, any district that elects to participate in the school district of choice program must ensure that its annual financial audit includes, at district expense, a review of the district's compliance with program requirements to establish a random, unbiased process for student admittance and to provide appropriate and factually accurate parent/guardian communications. A summary of any audit exceptions found by the auditor must be included in reports to each geographically adjacent school district, the county office of education, CDE, and Department of Finance as required by Education Code 48313.

~~If the district participates in the school district of choice program to accept interdistrict transfers, the Superintendent or designee shall notify the auditor, prior to the commencement of the audit, that the audit must include a review of the district's compliance with specified program requirements. (Education Code 48301)~~

(cf. 5117 - Interdistrict Attendance)

Note: The following paragraph is optional. The Governmental Accounting Standards Board (GASB) Statement 34 contains requirements for the contents of the district's annual audited financial reports.

The Superintendent or designee shall cooperate with the auditor to provide the necessary financial records and to ensure that the audit report contains all information required by law and the Governmental Accounting Standards Board (GASB).

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

By January 31 of each year, the Board shall review, at an open meeting, the annual district audit for the prior year, any audit exceptions identified in that audit, the recommendations or findings of any management letter issued by the auditor, and any description of correction or plans to correct any exceptions or any issue raised in a management letter. (Education Code 41020.3)

(cf. 9322 - Agenda/Meeting Materials)

Note: The following paragraph is optional. Although Education Code 41020.3 requires that the Board review the audit report by January 31 of each year, as provided above, CSBA's publication Maximizing School Board Governance: Fiscal Accountability recommends that the Board conduct this review before the audit is filed with the County Superintendent, CDE, and State Controller on December 15.

To the extent possible, the Board's review shall occur prior to December 15 to provide the Board and the community an opportunity to review the audit before it is submitted to local and state agencies.

No later than December 15, the Superintendent or designee shall file the report of the audit for the preceding fiscal year with the County Superintendent, the California Department of Education, and the State Controller. (Education Code 41020)

Note: Pursuant to Education Code 41344 and 41344.1, the district may informally or formally appeal an audit finding to the EAAP within the timelines noted below, when the audit finding requires the district to repay an apportionment or pay a penalty. If it finds that there has been substantial compliance with the law, the EAAP may waive or reduce repayments or order other remedial measures to induce future compliance.

If an audit finding results in the district being required to repay an apportionment or pay a penalty, the district may appeal the finding to the Education Audit Appeals Panel by making an informal, summary appeal within 30 days of receiving the final audit report or initiating a formal appeal within 60 days of receiving the report. (Education Code 41344, 41344.1)

Fund Balance

Note: The following optional section reflects the provisions of GASB Statement 54, which makes changes in the way fund balances in the general fund must be reported in external financial reports, beginning in the fiscal year starting July 1, 2010. Pursuant to GASB 54, the Board has sole authority to specify purposes of committed funds (item #3 below) and also must express, or delegate the authority to express, intended purposes of resources resulting in the assigned fund balance (item #4 below); see BP 3100 - Budget.

In accordance with GASB Statement 54, external financial reports shall report fund balances in the general fund within the following classifications based on the relative strength of constraints placed on the purposes for which resources can be used:

1. Nonspendable fund balance, including amounts that are not expected to be converted to cash, such as resources that are not in a spendable form or are legally or contractually required to be maintained intact

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

2. Restricted fund balance, including amounts constrained to specific purposes by their providers or by law
3. Committed fund balance, including amounts constrained to specific purposes by the Board
4. Assigned fund balance, including amounts which the Board or its designee intends to use for a specific purpose
5. Unassigned fund balance, including amounts that are available for any purpose

Negative Balance Report

Whenever the district reports a negative unrestricted fund balance or a negative cash balance in its annual budget or annual audit report, it shall include in the budget a statement that identifies the reasons for the negative unrestricted fund balance or negative cash balance and the steps that have been taken to ensure that the negative balance will not occur at the end of the current fiscal year. (Education Code 42127.5)

Non-Voter-Approved Debt Report

Note: The following section addresses notices regarding the issuance of revenue bonds, certificates of participation, and other non-voter-approved debts. Pursuant to Education Code 42133, a district that has a qualified or negative certification in any fiscal year cannot issue non-voter-approved debt in that fiscal year or in the next fiscal year unless the County Superintendent determines that the district's repayment of the debt is probable.

Upon approval by the Board to proceed with the issuance of revenue bonds or any agreement for financing school construction pursuant to Education Code 17170-17199.5, the Superintendent or designee shall notify the County Superintendent and the county auditor. The Superintendent or designee shall provide the Board, the county auditor, the County Superintendent, and the public with related repayment schedules and evidence of the district's ability to repay the obligation. (Education Code 17150)

When the Board is considering the issuance of certificates of participation and other debt instruments that are secured by real property and do not require the approval of the voters of the district, the Superintendent or designee shall provide notice to the County Superintendent and county auditor no later than 30 days before the Board's approval to proceed with issuance. The Superintendent or designee shall provide the Board, the county auditor, the County Superintendent, and the public with information necessary to assess the anticipated effect of the debt issuance, including related repayment schedules, evidence of the district's ability to repay the obligation, and the issuance costs. (Education Code 17150.1)

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

Note: Pursuant to Education Code 17150 and 17150.1, the County Superintendent and county auditor may, within 15 days of receiving the above notices from the district, comment publicly to the Board regarding the capability of the district to repay the debt obligation.

Other Postemployment Benefits Report (GASB 45)

Note: GASB Statement 45 contains reporting requirements pertaining to "other postemployment benefits" (OPEBs) (i.e., medical, dental, vision, hearing, life insurance, long-term care, long-term disability, and other nonpension benefits for retired employees). Under GASB 45, the district must report OPEBs as a current expense during the working years of an employee, calculated by an actuary using one of six specified actuarial cost methods. In addition, to the extent that the OPEBs are not prefunded in a designated fund or irrevocable trust, they must be reported as a liability on the district's financial statements. The decision of whether to prefund the benefits, and by how much, is at the Board's discretion; see BP 3100 - Budget.

The SBE's criteria and standards for budget adoption (5 CCR 15440-15451) require districts to estimate unfunded OPEBs as well as the unfunded portion of any self-insured benefits program. Changes to the unfunded liabilities are disclosed at interim reporting periods (5 CCR 15453, 15464). These reports are included in the SACS software used to develop budget and interim reports.

CSBA's GASB 45 Solutions program provides access to qualified actuaries and consultants and a GASB 45-compliant trust to prefund future obligations. See CSBA's web site for further information.

The following optional section may be revised to reflect district practice and should be deleted by districts that do not provide OPEBs.

In accordance with GASB Statement 45, the district's financial statements shall report the annual expense of nonpension other postemployment benefits (OPEBs) on an accrual basis over retirees' active working lifetime, as determined by a qualified actuary procured by the Superintendent or designee. To the extent that these OPEBs are not prefunded, the district shall report a liability on its financial statements.

(cf. 4154/4254/4354 - Health and Welfare Benefits)

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

The Superintendent or designee shall annually present the estimated accrued but unfunded cost of OPEBs and the actuarial report upon which those costs are based at a public meeting of the Board. (Education Code 42140)

Note: Pursuant to GASB 45, the district must arrange for an actuary to update the valuation of its OPEB obligations either every two years (for OPEB plans with a total membership of 200 or more) or every three years (for OPEB plans with fewer than 200 members). CDE correspondence dated February 26, 2007 indicates that districts with fewer than 100 plan members may use an alternative method that does not require the services of an actuary. The district may revise the following paragraph to reflect the district's circumstances.

FINANCIAL REPORTS AND ACCOUNTABILITY (continued)

The amount of the district's financial obligation for OPEBs shall be reevaluated every two or three years in accordance with GASB 45 depending on the number of members in the OPEB plan.

Workers' Compensation Claims Report

Note: The following optional section is for use by districts that are self-insured for workers' compensation claims, either individually or as part of a joint powers agency. See BP 3100 - Budget for provisions related to funding the estimated accrued cost of workers' compensation claims.

The Superintendent or designee shall annually provide the Board, at a public meeting, information and related actuarial reports showing the estimated accrued but unfunded cost of workers' compensation claims. The estimate of costs shall be based on an actuarial report completed at least every three years by a qualified actuary. (Education Code 42141)

Unaudited Actual Receipts and Expenditures

The Superintendent or designee shall prepare a statement of all unaudited actual receipts and expenditures of the district for the preceding fiscal year, using the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). On or before September 15, the Governing Board shall approve this statement and file it with the County Superintendent of Schools. (Education Code 42100)

Gann Appropriations Limit Resolution

The Board shall adopt a resolution by September 15 of each year to identify the estimated appropriations limit for the district for the current fiscal year and the actual appropriations limit of the district during the preceding year, as determined pursuant to Government Code 7900-7914. Documentation used to identify these limits shall be made available to the public on the day of the Board meeting. (Education Code 42132; Government Code 7910)

Interim Reports

The Superintendent or designee shall submit two interim fiscal reports to the Board, the first report covering the district's financial and budgetary status for the period ending October 31 and the second report covering the period ending January 31. The reports and supporting data shall be made available by the district for public review. (Education Code 42130)

(cf. 1340 - Access to District Records)

The interim report shall include an assessment of the district budget as revised to reflect current information regarding the adopted state budget, district property tax revenues, if any, and ending balances for the preceding year. The review shall be based on criteria and standards adopted by the State Board of Education (SBE) which address fund and cash balances, reserves, deficit spending, estimation of average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, and facilities maintenance. The review shall also consider supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, temporary interfund borrowings, the status of labor agreements, and the status of other funds. (Education Code 33128.3, 42130, 42131; 5

CCR 15453-15464)

Within 45 days after the close of the period reported, the Board shall approve the interim fiscal report and certify, on the basis of the interim report and any additional financial information known by the Board to exist at the time of certification, whether the district is able to meet its financial obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. The certification shall be classified as one of the following: (Education Code 42130, 42131)

1. "Positive certification" indicating that the district will meet its financial obligations for the current fiscal year and two subsequent fiscal years
2. "Qualified certification" indicating that the district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years
3. "Negative certification" indicating that the district will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year

The Superintendent or designee shall submit a copy of the interim report and certification to the County Superintendent using the state's SACS software, as prescribed by the SPI. (Education Code 42130, 42131)

If the district submits a positive certification that is subsequently changed by the County Superintendent to a qualified or negative certification, the district may appeal the decision to the SPI within five days of receiving the notice of change. (Education Code 42131)

Whenever the district receives a qualified or negative certification as determined by the Board or the County Superintendent, it shall cooperate in the implementation of any remedial actions taken by the County Superintendent under the authority granted to him/her pursuant to Education Code 42131.

Whenever the County Superintendent conducts a comprehensive review of the district's financial and budgetary conditions after determining that the district's budget does not comply with SBE-adopted standards and criteria for fiscal stability, the Board shall review the County Superintendent's recommendations at a public Board meeting. Within 15 days of receiving the report, the district shall notify the County Superintendent and the SPI of its proposed actions on the recommendations. (Education Code 42637)

If the second interim report of the fiscal year is accompanied by a qualified or negative certification as determined by the Board or the County Superintendent, the Superintendent or designee shall, no later than June 1, provide to the County Superintendent, the State Controller, and the SPI a financial statement that reports data for the period ending April 30 and projects the district's fund and cash balances as of June 30. (Education Code 42131)

By April 1 of each year, the Board shall provide for an audit of the district's books and accounts or the County Superintendent shall make arrangements to provide for that audit. (Education Code 41020)

The Superintendent or designee shall establish a timetable for the completion and review of the audit within the deadlines established by law.

To conduct the audit, the Board shall select a certified public accountant or public accountant licensed by the State Board of Accountancy from among those deemed qualified by the State Controller. (Education Code 41020, 41020.5)

The Board shall not select any public accounting firm to provide audit services if the lead or coordinating audit partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for the district in each of the six previous fiscal years. (Education Code 41020)

While a firm is performing the audit of the district, it shall not provide any nonauditing, management, or other consulting services for the district except as provided in Government Accounting Standards, Amendment #3, published by the U.S. Government Accounting Office. (Education Code 41020)

The audit shall include an audit of income and expenditures by source of funds for all funds of the district, including the student body and cafeteria funds and accounts and any other funds under the control or jurisdiction of the district, as well as an audit of student attendance procedures. EMERGENCY SCHEDULES

In order to provide for the safety of students and staff, the Governing Board authorizes the Superintendent or designee to close a school site, change the regular school day schedule, or take any necessary action when hazardous environmental or weather conditions or other emergencies warrant.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 4157/4257/4357 - Employee Safety)
(cf. 5142 - Safety)
(cf. 6112 - School Day)

Note: Education Code 41420 requires every district to have at least 175 days of instruction to receive full average daily attendance (ADA) reimbursement. However, pursuant to Education Code 41422 and 46392, a district may apply to the Superintendent of Public Instruction when one or more schools are prevented from meeting this minimum requirement because of a fire, flood, earthquake, epidemic, or other "extraordinary condition" so that it may receive full ADA reimbursement.

When an emergency condition causes a school closure, reduction in attendance, or change in schedule pursuant to Education Code 41422 or 46392, thereby preventing the district from complying with the minimum number of instructional days or minutes required by law, the Superintendent or designee shall complete and submit to the Superintendent of Public Instruction the necessary forms for obtaining approval of the days of the closure, reduction in attendance, or change in schedule. The Superintendent or designee shall submit other relevant district records as may be required.

(cf. 3580 - District Records)
(cf. 6111 - School Calendar)

Note: Vehicle Code 34501.6 mandates the Governing Board of any district that provides student transportation to adopt procedures that limit the home-to-school operation of school buses when atmospheric conditions reduce visibility to 200 feet or less; see AR 3543 - Transportation Safety and Emergencies for language implementing this mandate. The following optional paragraph may be revised to reflect district practice.

The Superintendent or designee shall establish a system for informing students and parents/guardians when school buses are not operating as scheduled, the school day schedule is changed, or the school is closed. The district's notification system shall include, but is not limited to, notifying local television and radio stations, posting on district web site(s), sending email and text messages, and/or making telephone calls.

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

The Superintendent or designee may provide a means to make up lost instructional time later during the year. Students and parents/guardians shall receive timely advanced notice of any resulting changes in the school calendar or school day schedule.

DRUG AND ALCOHOL-FREE WORKPLACE

Note: Government Code 8355 mandates state grant recipients such as a school district to certify to the state contracting agency (e.g., the California Department of Education (CDE)) that it agrees to provide a drug-free workplace by taking the actions specified below. Federal grantees are also subject to the same requirements and must provide the same certifications under the federal Drug-Free Workplace Act (41 USC 701-707).

Federal law contains independent requirements for the drug and alcohol testing of school bus drivers; see BP/AR 4112.42/4212.42/4312.42 - Drug and Alcohol Testing for School Bus Drivers. For language regarding a drug testing program for other employees, see BP/AR 4112.41/4212.41/4312.41 - Employee Drug Testing.

The Governing Board believes that the maintenance of a drug- and alcohol-free workplace is essential to staff and student safety and to help ensure a productive and safe work and learning environment.

(cf. 4112.41/4212.41/4312.41 - Employee Drug Testing)

(cf. 4112.42/4212.42/4312.42 - Drug and Alcohol Testing for School Bus Drivers)

An employee shall not unlawfully manufacture, distribute, dispense, possess, or use any controlled substance while on duty, on district property, or at a school-related activity or event. (Government Code 8355; 41 USC 701)

In addition, an employee shall not use or be under the influence of any alcoholic beverage or controlled substance, as defined in 21 USC 812, while on duty, on district property, or at a district-related activity or event.

Note: Government Code 8355 and 41 USC 701 require the district to certify to the CDE that it has published a statement that notifies employees of the (1) prohibition against drug use, (2) actions that will be taken by the district in the event of a violation, and (3) requirement that employees, as a condition of employment, abide by the district's policy and notify the district in the event of a conviction.

The Superintendent or designee shall notify employees of the district's prohibition against drug use and the actions that will be taken for violation of such prohibition. (Government Code 8355; 41 USC 701)

An employee shall abide by the terms of this policy and shall notify the district, within five days, of his/her conviction for violation in the workplace of any criminal drug statute. (Government Code 8355; 41 USC 701)

The Superintendent or designee shall notify the appropriate federal granting or contracting agency within 10 days after receiving notification, from an employee or otherwise, of any conviction for a violation occurring in the workplace. (41 USC 701)

DRUG AND ALCOHOL-FREE WORKPLACE (continued)

Note: 41 USC 703 requires the district, within 30 days of receiving notification from an employee of his/her conviction of a controlled substance offense, to either discipline the employee or require him/her to complete a drug rehabilitation program as specified below. Pursuant to Education Code 44940 and 45304, when a certificated or classified employee is charged with a controlled substance offense as defined in Education Code 44011, the district must place the employee on a mandatory leave of absence. If the employee is ultimately convicted of the offense, Education Code 44836 and 45123 require the employee to be dismissed. See AR 4118 - Suspension/Disciplinary Action, AR 4117.4 - Dismissal, and AR 4218 - Dismissal/Suspension/Disciplinary Action.

In accordance with law and the district's collective bargaining agreements, the Superintendent or designee shall take appropriate disciplinary action, up to and including termination, against an employee for violating the terms of this policy and/or shall require the employee to satisfactorily participate in and complete a drug assistance or rehabilitation program approved by a federal, state, or local health or law enforcement agency or other appropriate agency.

1. The dangers of drug and alcohol abuse in the workplace.
2. The district policy of maintaining drug and alcohol-free workplaces.
3. Any available drug and alcohol counseling, rehabilitation, and employee assistance programs, and

Board Policy

Drug And Alcohol-Free Workplace

BP 4020
Personnel

The Governing Board believes that the maintenance of drug and alcohol-free workplaces is essential to school and district operations.

No employee shall unlawfully manufacture, distribute, dispense, possess, use or be under the influence of any alcoholic beverage, drug or controlled substance as defined in the Controlled Substances Act and Code of Federal Regulations before, during or after school hours at school or in any other district workplace.

The Superintendent or designee shall:

1. Publish and give to each employee a notification of the above prohibitions. The notification shall specify the actions that will be taken against employees who violate these prohibitions. The notification shall also state that as a condition of employment, the employee will abide by the terms of this policy and notify the employer, within five days, of any criminal drug or alcohol statute conviction which he/she receives for a violation occurring in the workplace.

For the purpose of this policy, "conviction" shall mean a finding of guilt, including a plea of nolo contendere, or imposition of sentence, or both, by any judicial body charged to determine violations of federal or state criminal drug or alcohol statutes.

2. Establish a drug and alcohol-free awareness program to inform employees about:

- a. The dangers of drug and alcohol abuse in the workplace.
- b. The district policy of maintaining drug and alcohol-free workplaces.
- c. Any available drug and alcohol counseling, rehabilitation, and employee assistance programs, and
- d. The penalties that may be imposed on employees for drug and alcohol abuse violations.

3. Notify the appropriate federal granting or contracting agencies within ten days after receiving notification, from an employee or otherwise, of any conviction for a violation occurring in the workplace.

4. Initiate disciplinary action within 30 days after receiving notice of a conviction for a

violation in the workplace from an employee or otherwise. Such action shall be consistent with state and federal law, the appropriate employment contract, the applicable collective bargaining agreement, and district policy and practices.

5. Make a good faith effort to continue maintaining a drug and alcohol-free workplace through implementation of Board policy.

In taking disciplinary action, the Board shall require termination when termination is required by law. When termination is not required by law, the Board shall either take disciplinary action, up to and including termination, or shall require the employee to satisfactorily participate and complete a drug or alcohol assistance or rehabilitation program approved by a federal, state or local health, law enforcement or other appropriate agency. The Board's decision shall be made in accordance with relevant state and federal laws, employment contracts, collective bargaining agreements, and district policies and practices.

REASONABLE ACCOMMODATION

Note: Pursuant to the federal Americans with Disabilities Act (ADA) (42 USC 12101-12213) and the state's Fair Employment and Housing Act (FEHA) (Government Code 12900-12996), the district has a duty to reasonably accommodate qualified employees and job applicants with known disabilities, except when such accommodation would cause an undue hardship to the district. This accommodation is not required for individuals who are not otherwise qualified for the job.

Pursuant to 28 CFR 35.150 and 35.160, the district must also afford individuals with disabilities (including community members, students, and employees) an equal opportunity to participate in or enjoy the benefits of a service, program, or activity. Therefore, the district may need to provide auxiliary aids and services to ensure that existing services and facilities are readily accessible to and usable by individuals with disabilities. See BP 0410 - Nondiscrimination in District Programs and Activities, BB 9320 - Meetings and Notices, and BB 9322 - Agenda/Meeting Materials.

The following optional administrative regulation is consistent with the recommendations contained in the Equal Employment Opportunity Commission's (EEOC) Enforcement Guidance: Reasonable Accommodation and Undue Hardship Under the Americans with Disabilities Act and clarifies a district's responsibility under the ADA.

Except when undue hardship would result to the district, the Superintendent or designee shall provide reasonable accommodation:

1. In the job application process, to any qualified job applicant with a disability
2. To enable any qualified employee with a disability to perform the essential functions of the position he/she holds or desires to hold or to enjoy equal benefits or other terms, conditions, and privileges of employment as other similarly situated employees without disabilities

Note: Pursuant to 28 CFR 35.107, each district having 50 or more (full- or part-time) employees must designate at least one employee to coordinate its efforts to comply with the ADA, including complaint investigation. This coordinator may be the same individual designated by the district pursuant to 34 CFR 106.8 to coordinate efforts to comply with and investigate complaints regarding Title IX (discrimination on the basis of gender). Districts that have not so designated an individual in BP 4030 - Nondiscrimination in Employment should modify the following paragraph to include the title of the individual designated by the district. See also AR 4031 - Complaints Concerning Discrimination in Employment.

The district designates the position specified in BP 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

REASONABLE ACCOMMODATION (continued)**Definitions**

Note: The following section contains some basic definitions of terminology used in the ADA. P.L. 110-325 amended 42 USC 12101 to expand the definition of "disability" and requires EEOC to revise its regulations and guidance to reflect the amendment. However, because FEHA has long provided additional protections under California law, the amendments will not likely have much impact in California.

Government Code 12926 and 12926.1 provide definitions of "physical disability" and "mental disability" that require a "limitation of a major life activity," but do not require a "substantial limitation." Government Code 12926 and 12926.1, and the amended federal law, provide that a condition limiting a major life activity shall be determined without respect to any mitigating measures (e.g., medications, assistive devices), unless the mitigating measure itself limits an individual's ability to participate in a major life activity.

The terminology used in the law is complex and is often the subject of litigation. The district should consult legal counsel if a question arises as to whether an individual has a qualifying disability and/or if an accommodation cannot be provided due to "undue hardship."

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 20 CFR 1630.2)

1. A physical or mental impairment that limits one or more of the major life activities
2. A record of such an impairment
3. Being regarded as having such an impairment

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Note: Pursuant to 29 CFR 1630.2 and the EEOC's Enforcement Guidance, evidence as to whether a job function is "essential" includes the district's judgment, written job descriptions, the consequences of not requiring the incumbent to perform the function, the terms of a collective bargaining agreement, and work experience of past and current employees in the job. These considerations underscore the importance of developing and maintaining detailed, up-to-date job descriptions, preferably signed by individuals holding the position.

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (Government Code 12926; 29 CFR 1630.2)

Reasonable accommodation means: (Government Code 12926; 29 CFR 1630.2)

1. For a qualified job applicant with a disability, modifications or adjustments to the job application process that enable him/her to be considered for the position he/she desires

REASONABLE ACCOMMODATION (continued)

2. For a qualified employee with a disability, modifications or adjustments to the work environment, or to the manner or circumstances under which the position the employee holds or desires is customarily performed, that enable him/her to perform the essential functions of that position or to enjoy equal benefits and privileges of employment as are enjoyed by the district's other similarly situated employees without disabilities

Note: Pursuant to 29 CFR 1630.15, the district may require that, in order to be qualified for a job, a person must not pose a "direct threat" to the health and safety of himself/herself or others in the workplace. In 2002, the U.S. Supreme Court in Chevron USA v. Echazabal upheld the regulation as it relates to the health and safety of the employee requesting the accommodation.

Pursuant to 29 CFR 1630.2, a "direct threat" is a significant risk that cannot be eliminated or reduced by reasonable accommodation. Before finding that a person is not qualified by reason of posing such a threat, the district must consider whether reasonable accommodation could reduce the risk of harm to an acceptable level. If no such accommodation exists, the district may refuse to hire the applicant or may discharge the employee.

Qualified individual with a disability means a job applicant or employee with a disability who: (29 CFR 1630.15, 1630.2)

1. Satisfies the requisite skill, experience, education, and other job-related requirements of the employment position he/she holds or desires
2. Can perform the essential functions of the position with or without reasonable accommodation
3. Would not pose a significant risk of substantial harm, which cannot be eliminated or reduced by reasonable accommodation, to himself/herself or others in the job he/she holds or desires

Note: In US Airways, Inc. v. Barnett, the U.S. Supreme Court laid out the burdens of proof for an individual with a disability and an employer in an ADA lawsuit alleging failure to provide reasonable accommodation. Once the employee shows that a requested accommodation is reasonable on its face, the burden shifts to the employer to provide case-specific evidence proving that reasonable accommodation would cause an undue hardship in the particular circumstances.

29 CFR 1630.2 lists factors relevant to the determination of undue hardship; see section below entitled "Granting Reasonable Accommodation."

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that the provision of a specific accommodation would cause significant difficulty or expense to the district. (29 CFR 1630.2)

REASONABLE ACCOMMODATION (continued)**Request for Reasonable Accommodation**

Note: The EEOC's Enforcement Guidance clarifies that, in requesting reasonable accommodation, the employee or job applicant is not required to mention the ADA, use the term "reasonable accommodation," or put the request in writing. Government Code 12940 requires that the district and employee or job applicant engage in an informal, interactive process to clarify the individual's needs and identify the appropriate reasonable accommodation.

Generally, according to the EEOC's Enforcement Guidance, a district is not obligated to ask an employee whether a reasonable accommodation is needed when the employee has not informed the district that an accommodation is necessary. However, the district should initiate the reasonable accommodation interactive process without being asked if the district (1) knows that the employee has a disability; (2) knows, or has reason to know, that the employee is experiencing workplace problems because of the disability; and (3) knows, or has reason to know, that the disability prevents the employee from requesting a reasonable accommodation.

With regard to job applicants, the EEOC's Enforcement Guidance states that the district may tell applicants what the hiring process involves and may ask applicants whether they will need reasonable accommodation for the process. Generally, the district may not ask an applicant whether he/she needs a reasonable accommodation for the job.

When requesting reasonable accommodation, an employee or his/her representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition. The supervisor shall inform the coordinator of the employee's request as soon as practicable.

When requesting reasonable accommodation for the hiring process, a job applicant shall inform the coordinator that he/she will need a reasonable accommodation during the process.

Note: According to the EEOC's Enforcement Guidance, the district may ask the individual for reasonable documentation about his/her disability when the need for accommodation is not obvious. The following paragraph is consistent with the EEOC's Enforcement Guidance.

When the disability or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations, and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the coordinator to submit a list of specific questions to his/her health care or vocational professional.

Note: The EEOC's Enforcement Guidance states that if the employee provides insufficient documentation, the district may require the employee to undergo a medical examination, as specified below. However, before requiring the employee to submit to such an examination, the district should specify why the documentation is insufficient and give him/her an opportunity to provide the missing information in a timely manner.

REASONABLE ACCOMMODATION (continued)

If the documentation submitted by the employee does not indicate the existence of a qualifying disability or explain the need for reasonable accommodation, the coordinator shall request additional documentation that specifies the missing information. If the employee does not submit such additional documentation in a timely manner, the coordinator may require him/her to submit to an examination by a health care professional selected and paid for by the district.

The district may make a medical or psychological inquiry of a job applicant or require him/her to submit to a medical or psychological examination after he/she has been given a conditional offer of employment but before the commencement of his/her job duties, provided the inquiry or examination is job-related, consistent with business necessity, and required for all incoming employees in the same job classification. (Government Code 12940)

Note: Pursuant to 42 USC 2000ff-1-2000ff-11, the Genetic Information Nondiscrimination Act (P.L. 110-233), it is unlawful for a district to request, require, or purchase an employee's or his/her family member's individual genetic information except in complying with the medical certification requirements for family care and medical leave purposes or with the employee's prior, knowing, voluntary, and written authorization. See AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave. Any such information received by the district must be kept confidential.

The coordinator shall not request any job applicant's or employee's genetic information except as authorized by law. (42 USC 2000ff-1, 2000ff-5)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

Note: Pursuant to 42 USC 12112, any information regarding the medical history or condition of a qualified individual with a disability must be treated as a confidential medical record. However, the district should inform supervisors of reasonable accommodation granted to qualified individuals with disabilities. In addition, when such an individual's disability may require emergency medical treatment, first aid and safety personnel should be informed. In A.M. v. Albertsons, LLC, a California appeals court held an employer liable when the employer failed to inform a supervisor about the accommodation allowed one of her subordinates and the subordinate suffered some injury when she was denied the accommodation on one occasion.

In accordance with law, the coordinator shall take steps to ensure the confidentiality of information related to medical conditions or history. As applicable, he/she shall notify the supervisor or manager of the qualified individual of any reasonable accommodation granted the individual and may notify first aid and safety personnel when the disability of the qualified individual may require emergency treatment. (42 USC 12112)

(cf. 4112.6/4212.6/4312.6 - Personnel Records)

REASONABLE ACCOMMODATION (continued)**Granting Reasonable Accommodation**

Note: The following process is consistent with 29 CFR 1630.2 and the EEOC's Enforcement Guidance.

Upon receiving a request for reasonable accommodation from a qualified individual with a disability, the coordinator shall:

1. Determine the essential functions of the job involved
2. Engage in an informal, interactive process with the individual to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential accommodations, and assess their effectiveness

Note: According to the EEOC's Enforcement Guidance, the district is not required to provide the reasonable accommodation preferred by the individual. Rather, the district must provide an accommodation that is "effective." An "effective accommodation" is one which enables the employee to perform the essential functions of the job or to gain equal access to a benefit or privilege of employment.

Pursuant to 42 USC 12112, the district must provide reasonable accommodation to qualified individuals unless the district can prove that to do so would cause undue hardship as defined in the section entitled "Definitions" above. The burden of proving undue hardship rests with the district and what may be an undue hardship for one district may not be an undue hardship for another, depending on factors such as cost and district size. The EEOC's Enforcement Guidance clarifies that even if the cost of an accommodation would cause undue hardship to a district, the qualified individual should have the option to pay for the portion of the cost that constitutes undue hardship, or to personally provide the accommodation.

3. Develop a plan for reasonable accommodation which will enable the individual to perform the essential functions of the job or gain equal access to a benefit or privilege of employment without imposing undue hardship on the district

A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

- a. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding
- b. The overall financial resources of the facility making the accommodation, the number of persons employed at this facility, and the effect on expenses and resources of the facility
- c. The overall financial resources, number of employees, and the number, type, and location of facilities of the district

REASONABLE ACCOMMODATION (continued)

- d. The type of operation of the district, including the composition, structure, and functions of the workforce and the geographic separateness and administrative or fiscal relationship of the facility making the accommodation to other district facilities
- e. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business

The coordinator may confer with the site administrator, any medical advisor chosen by the district, and/or other district staff before making a final decision as to the accommodation.

Reasonable Accommodation Committee

Note: At the suggestion of the Office for Civil Rights, some districts have established a reasonable accommodation committee to help in planning for the reasonable accommodation requested by an applicant or employee. The following optional section should be modified to reflect district practice.

The coordinator may appoint a committee to review or assist in the development of appropriate plans to reasonably accommodate qualified individuals who request modifications or adjustments in their work duties or environment because of known physical or mental disabilities.

Committee members shall be selected on the basis of their knowledge of the specific functions and duties required in the position, the physical work environment, available accommodations, and other relevant issues. The committee may include a district administrator, site administrator, medical advisor or rehabilitation specialist, and as necessary, a certificated and/or classified employee. Membership may change on a case-by-case basis.

At the coordinator's discretion, the employee or applicant requesting accommodation may participate in the committee's meetings. If the employee or applicant is excluded from the committee's meetings, the coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

Appeal Process

Any qualified individual with a disability who is not satisfied with the decision of the coordinator may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal

REASONABLE ACCOMMODATION (continued)

2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the individual his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

Note: The employee or applicant also may appeal directly to the Office for Civil Rights at any point.

Administrative Regulation

Reasonable Accommodation

AR 4032
Personnel

Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code 12926; 29 CFR 1630.2)

- 1. A physical or mental impairment that limits one or more of the major life activities**
- 2. A record of such an impairment**
- 3. Being regarded as having such an impairment**

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code 12926)

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (29 CFR 1630.2)

(cf. 4119.3/4219.3/4319.3 - Duties of Personnel)

Reasonable accommodations that an employer may need to provide in connection with modifications to the work environment or adjustments in how and when a job is performed that enable an individual with a disability to enjoy equal employment opportunities include, but are not limited to: (29 CFR 1630.2)

- 1. Making existing facilities accessible and usable**
- 2. Restructuring the job duties**
- 3. Offering part-time or modified work schedules**
- 4. Acquiring or modifying equipment or devices**
- 5. Changing tests, training materials or policies**
- 6. Providing qualified readers or interpreters**

7. Reassigning the employee to a vacant position

Qualified individual with a disability means an individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the employment position and who, with or without reasonable accommodation, can perform the essential functions of such position. (29 CFR 1630.2)

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that a specific reasonable accommodation would cause significant difficulty or expense. A determination of undue hardship should be based on several factors, including: (29 CFR 1630.2)

- 1. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding**
- 2. The overall financial resources of the facility making the reasonable accommodation, the number of persons employed at this facility, the effect on expenses and resources of the facility, or the impact on the operations of the facility**
- 3. The overall financial resources, size, number of employees, and the number, type and location of facilities of the district**
- 4. The type of operation of the district, including the structure and functions of the workforce, the geographic separateness, and the administrative or fiscal relationship of the facility involved in making the accommodation**
- 5. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business.**

Requests for Reasonable Accommodation

The district designates the position specified in BP 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

When requesting reasonable accommodation, the employee or employee's representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition.

When requesting reasonable accommodation during the hiring process, a job applicant shall inform the coordinator that he/she will need a reasonable accommodation for the process.

Employees' requests for reasonable accommodation may first be considered informally by the site administrator. The site administrator shall consult with the coordinator before any decision as to accommodation is made.

When the disability and/or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations and the need for reasonable accommodation. The employee may be asked to sign a limited release allowing the district to submit a list of specific questions to the health care or vocational professional.

If the documentation submitted by the employee does not specify the existence of a qualifying disability and explain the need for reasonable accommodation, the district may require the employee to submit to an examination by a health care professional selected and paid for by the district.

Upon receiving a request to reasonably accommodate a qualified employee with a disability, the coordinator shall:

- 1. Determine the essential functions of the job**
- 2. Engage in an informal, interactive process with the employee to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential means for providing accommodation, and assess their effectiveness**
- 3. Develop a plan for reasonable accommodation which is effective and allows the employee to perform the essential functions of the job or to gain equal access to a benefit or privilege of employment and does not impose undue hardship on the district**

To qualify for a job, an individual shall not pose a significant risk of substantial harm to himself/herself or others in the workplace which cannot be eliminated or reduced by reasonable accommodation. (29 CFR 1630.2)

The determination of whether an individual poses a significant risk of substantial harm to himself/herself or others shall be made on a case-by-case basis and shall be based on objective, factual evidence, taking into consideration the duration of the risks, the nature and severity of the potential harm, the likelihood that the potential harm will occur and the imminence of potential harm. (29 CFR 1630.2)

The coordinator may confer with the site administrator, the district medical advisor and/or other district staff before making a final decision as to the accommodation.

Reasonable Accommodation Committee

The coordinator may appoint a Reasonable Accommodation Committee to review or assist in the development of appropriate plans to reasonably accommodate an employee or qualified job applicant who has requested an adjustment in work duties or environment because of known physical or mental disabilities. The membership of this committee may change on a case-by-case basis. The committee may include:

1. A district administrator
2. A site administrator
3. A medical advisor or rehabilitation specialist
4. A certificated employee
5. A classified employee

Committee members shall be selected on the basis of their knowledge of the relevant issues, including:

1. The specific functions and duties required in the position
2. The physical work environment
3. Available accommodations

At the coordinator's discretion, the employee or applicant requesting accommodation may participate in or be excluded from committee meetings. If the employee or applicant is excluded from committee meetings, the coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

The coordinator shall take steps to ensure the confidentiality of information related to medical conditions.

Appeal Process

If the employee or applicant is not satisfied with the decision of the coordinator, he/she may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal
2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall

give the employee or applicant his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

Refusal To Harm Or Destroy Animals

BP 5145.8

Students

The Governing Board supports the right of students to refrain from participating in instruction which involves dissecting or otherwise harming or destroying animals when they have a moral objection to such activities.

Students shall not be discriminated against because of a decision to exercise this right. (Education Code 32255.1)

(cf. 5145.2 - Nondiscrimination/Harassment)

After notifying the teacher of his/her objection pursuant to law and administrative regulations, the student shall be excused from the project and may be provided an appropriate alternative project. Alternative projects include, but are not limited to, the use of video recordings, models, films, books, and computers. The alternative project shall involve time and effort by the student comparable to that required by the original project. (Education Code 32255, 32255.1)

INDEPENDENT STUDY

Note: Education Code 51745-51749.3 authorize districts to establish independent study programs to meet the educational needs of students. Independent study may be offered as a charter school, a program within a school, or an alternative school of choice pursuant to Education Code 58500-58512; see AR 0420.4 - Charter Schools and BP/AR 6181 - Alternative Schools/Programs of Choice.

When developing policy on independent study, 5 CCR 11701 requires the Governing Board to consider, in a public hearing, (1) the scope of its existing or prospective use of independent study as an instructional strategy, (2) its purposes in authorizing independent study, and (3) factors bearing specifically on the maximum realistic lengths of assignments and acceptable number of missed assignments for specific populations of students or adult students.

The Governing Board authorizes independent study as an optional alternative instructional strategy for eligible students whose needs may be best met through study outside of the regular classroom setting. Independent study shall offer a means of individualizing the educational plan and enabling students to reach curriculum objectives and fulfill graduation requirements. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study.

(cf. 0420.4 - Charter Schools)

(cf. 6011 - Academic Standards)

(cf. 6143 - Courses of Study)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6181 - Alternative Schools/Programs of Choice)

(cf. 6200 - Adult Education)

A student's participation in independent study shall be voluntary. Students participating in independent study shall have the right, at any time, to enter or return to the regular classroom mode of instruction. (Education Code 51747; 5 CCR 11700)

Parents/guardians of students who are interested in independent study shall contact the Superintendent or designee. The Superintendent or designee shall approve independent study for an individual student only upon determining that the student is prepared to meet the district's requirements for independent study and is likely to succeed in independent study as well as or better than he/she would in the regular classroom.

Note: Pursuant to Education Code 46300, the attendance of students participating in independent study for five or more consecutive school days will be included in computing average daily attendance for apportionment purposes. The following optional paragraph is for use by districts that wish to limit independent study to periods of five or more consecutive school days.

The minimum period of time for any independent study option shall be five consecutive school days.

Note: Education Code 51747 mandates that the Board adopt a policy providing that a current written agreement will be maintained for each student. Pursuant to Education Code 51747, no independent study agreement can be valid for longer than one semester (or one-half year for a school on a year-round calendar). See the accompanying administrative regulation for required content of the written agreement.

INDEPENDENT STUDY (continued)

The Superintendent or designee shall ensure that a written independent study agreement, as prescribed by law, exists for each participating student. (Education Code 51747)

Note: Education Code 51747 mandates that the Board, in a public hearing, adopt a policy on the maximum length of time, by grade level and type of program, which may elapse between the time an independent study assignment is made and the date by which the student must complete the assignment. 5 CCR 11700 defines "type of program" as the statutory program category for purposes of attendance accounting, such as adult education or continuation high school. In addition, 5 CCR 11701 mandates that Board policy reflect an awareness that excessive leniency in the duration of independent study assignments can result in a student falling so far behind his/her peers as to increase, rather than decrease, the risk of dropping out of school.

The following paragraph sets one week, for all grade levels and types of programs, as the maximum length of time an independent study assignment should be completed. This paragraph should be revised to reflect the length of time determined by the Board. In order to ensure that apportionments are received, the district's written agreement should also be revised to reflect the length of time determined by the Board in its policy.

~~The written agreement shall specify the length of time in which each independent study assignment must be completed. Because excessive leniency in the duration of independent study assignments may result in a student falling behind his/her peers and increase the risk of dropping out of school, independent study assignments shall be no more than one week for all grade levels and types of program. However, when necessary based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement.~~

To foster each participating student's success in independent study, the Board establishes the following maximum lengths of time which may elapse between the date an assignment is made and the date by which the student must complete the assigned work:

1. One week for students in grades K-3
2. Two weeks for students in grades 4-8
3. Three weeks for students in grades 9-12, continuation or adult education
4. At Antelope View Charter School all assignments will be due not more than 20 school calendar days from the date of assignment and not later than the last day of the current monthly attendance cycle.

Note: Education Code 51747 mandates that the Board, in a public hearing, adopt a policy which specifies the number of missed assignments allowed before an evaluation would be required to determine whether it is in a student's best interest to remain in independent study. The following paragraph specifies a maximum of three assignments and should be revised to reflect the Board's determination of the number of missed assignments that will trigger an evaluation.

INDEPENDENT STUDY (continued)

The number of missed assignments that will trigger an evaluation must be included in the student's written agreement; see the accompanying administrative regulation. **In order to ensure that apportionments are received, the district's written agreement should also be revised to reflect the number of assignments determined by the Board in its policy.**

When a participating student misses three assignments, an evaluation shall be conducted to determine whether it is in the student's best interest to remain in independent study. However, a student's written agreement may specify a lower or higher number of missed assignments that will trigger an evaluation when the Superintendent or designee determines it appropriate based on the nature of the assignments, the total number of assignments, and/or other unique circumstances.

Note: The remainder of this section is **optional** and may be revised to reflect district practice.

Supervising teachers should establish an appropriate schedule for student-teacher conferences in order to help identify students falling behind in their work or in danger of failing or dropping out of school. Except in unusual circumstances, it is expected that the supervising teacher will meet, either in person or by electronic means, with each participating student at least once a week to discuss the student's progress.

(cf. 5147 - Dropout Prevention)

Missing appointments with the supervising teacher without valid reasons also may trigger an evaluation to determine whether the student should remain in independent study.

The Superintendent or designee shall annually report to the Board the number of students participating in independent study, the average daily attendance generated for apportionment purposes, the quality of these students' work as measured by standard indicators, and the number and proportion of independent study students who graduate or successfully complete independent study. Based on the program evaluation, the Board and Superintendent shall determine areas for program improvement as needed.

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6162.5 - Student Assessment)

Board Policy

Independent Study

BP 6158
Instruction

The Governing Board authorizes independent study as an optional alternative instructional strategy for students, including adult education students, whose needs may be best met through study outside of the regular classroom setting. Independent study shall offer a means of individualizing the educational plan and enabling students to reach curriculum objectives and fulfill graduation requirements. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study.

(cf. 6143 - Courses of Study)
(cf. 6146.1 - High School Graduation Requirements)
(cf. 6200 - Adult Education)

The Superintendent or designee shall approve independent study for an individual student only upon determining that the student is prepared to meet the district's requirements for independent study and is likely to succeed in independent study as well as or better than he/she would in the regular classroom.

The minimum period of time for any independent study option shall be five school days.

The Superintendent or designee shall ensure that a written independent study agreement, as prescribed by law, exists for each participating student. (Education Code 51747)

To foster each participating student's success in independent study, the Board establishes the following maximum lengths of time which may elapse between the date an assignment is made and the date by which the student must complete the assigned work:

1. One week for students in grades K-3
2. Two weeks for students in grades 4-8
3. Three weeks for students in grades 9-12, continuation or adult education
4. At Antelope View Charter School all assignments will be due not more than 20 school calendar days from the date of assignment and not later than the last day of the current monthly attendance cycle.

When any participating student fails to complete two consecutive independent study assignments by the teacher designated due date or fails to attend two appointments in the

current semester with his/her Consulting Teacher without rescheduling and making up that appointment within five school days, an evaluation shall be conducted to determine whether it is in the student's best interest to remain in independent study.

When circumstances justify a longer time, the Superintendent or designee may extend the maximum length of an assignment to a period not to exceed eight weeks, pursuant to a written request with justification.

Supervising teachers should carefully set the duration of independent study assignments, within the limits specified above, and establish an appropriate schedule for student-teacher conferences in order to help identify students falling behind in their work or in danger of failing or dropping out of school. Except in unusual circumstances, it is expected that the supervising teacher will meet with each participating student at least once a week to discuss the student's progress.

(cf. 5147 - Dropout Prevention)

When any participating student fails to complete three consecutive independent study assignments in a period of 15 school days, or misses two appointments with his/her supervising teacher without valid reasons, an evaluation shall be conducted to determine whether it is in the student's best interest to remain in independent study.

The Superintendent or designee shall annually report to the Board the number of students participating in independent study, the average daily attendance (ADA) generated for apportionment purposes, the quality of these students' work as measured by standard indicators, and the number and proportion of independent study students who graduate or successfully complete independent study.

Home-Based Independent Study

The Superintendent or designee shall encourage parents/guardians desiring to teach their children at home to have their children participate in independent study. Such participation allows continued contact and cooperation between the school system and the home-based student.

INDEPENDENT STUDY

Educational Opportunities

Note: The following section is **optional**. Education Code 51745 lists educational opportunities that may be provided through independent study. See the California Department of Education's (CDE) Independent Study Operations Manual for additional examples. The district may revise or expand items #1-5 below to reflect district practice.

Educational opportunities offered through independent study may include, but are not limited to: (Education Code 51745)

1. Special assignments extending the content of regular courses of instruction

(cf. 6143 - Courses of Study)

2. Individualized study in a particular area of interest or in a subject not currently available in the regular school curriculum
3. Individualized alternative education designed to teach the knowledge and skills of the core curriculum, but not provided as an alternative curriculum

4. Continuing and special study during travel

(cf. 5112.3 - Student Leave of Absence)

5. Volunteer community service activities that support and strengthen student achievement

(cf. 0420.4 - Charter Schools)

(cf. 6142.4 - Service Learning/Community Service Classes)

(cf. 6181 - Alternative Schools/Programs of Choice)

In addition, when requested by a parent/guardian due to an emergency, vacation, or illness, independent study may be used on a short-term basis to ensure that the student is able to maintain academic progress in his/her regular classes.

(cf. 5113 - Absences and Excuses)

Note: The following paragraph is for use by districts maintaining high schools. Education Code 51745 requires that no course required for high school graduation may be offered solely through independent study, as provided below. However, pursuant to 5 CCR 11705, for this purpose a charter school is deemed an "alternative school" and thus, according to the CDE, is allowed to offer courses required for graduation solely through independent study; see AR 0420.4 - Charter Schools.

INDEPENDENT STUDY (continued)

No course required for high school graduation shall be offered exclusively through independent study. (Education Code 51745)

(cf. 6146.1 - High School Graduation Requirements)

Equivalency

The district's independent study option shall be substantially equivalent in quality and quantity to classroom instruction to enable participating students to complete the district's adopted course of study within the customary time frame. Students in independent study shall have access to the same services and resources that are available to other students in the school and shall have equal rights and privileges. (5 CCR 11700, 11701.5)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

The district shall not provide independent study students and their parents/guardians with funds or items of value that are not provided for other students and their parents/guardians. (Education Code 46300.6, 51747.3)

Eligibility for Independent Study

Note: The following optional paragraph is based on recommendations in the CDE's Independent Study Operations Manual and may be revised to reflect district practice.

Provided that experienced certificated staff are available to effectively supervise students in independent study, the Superintendent or designee may approve the participation of a student who demonstrates the motivation, commitment, organizational skills, and academic skills necessary to work independently. A student whose academic performance is not at grade level may participate in independent study only if the school is able to provide appropriate support, such as supplemental instruction, tutoring, counseling, ongoing diagnostic assessments, and/or differentiated materials, to enable the student to be successful. For an elementary student, the Superintendent or designee may consider the parent/guardian's level of commitment to assist the student.

A student participating in independent study must be a resident of the county or an adjacent county. Full-time independent study shall not be available to students whose district residency status is based on their parent/guardian's employment within district boundaries pursuant to Education Code 48204. (Education Code 46300.2, 51747.3)

(cf. 5111.12 - Residency Based on Parent/Guardian Employment)

INDEPENDENT STUDY (continued)

For a student with disabilities, as defined in Education Code 56026, participation in independent study shall be approved only if his/her individualized education program specifically provides for such participation. (Education Code 51745)

(cf. 6159 - Individualized Education Program)

A temporarily disabled student shall not receive individual instruction pursuant to Education Code 48206.3 by means of independent study. (Education Code 51745)

(cf. 6183 - Home and Hospital Instruction)

Note: Education Code 46300.1 provides that the district may not receive apportionments pursuant to Education Code 42238 for independent study for students age 21 or older, or for students 19 or older who have not been continuously enrolled in grades K-12 since their 18th birthday. However, pursuant to Education Code 46300.4, these students may be eligible for independent study through the adult education program; see BP/AR 6200 - Adult Education.

Students age 21 or older, and students age 19 or older who have not been continuously enrolled in school since their 18th birthday, may participate in independent study only through the adult education program for the purpose of enrolling in courses required for a high school diploma by Education Code 51225.3 or the Governing Board. (Education Code 46300.1, 46300.4)

(cf. 6200 - Adult Education)

No more than 10 percent of the students enrolled in a continuation high school or opportunity school or program, not including pregnant and parenting students who are primary caregivers for one or more of their children, shall be eligible for apportionment credit for independent study. (Education Code 51745)

(cf. 5146 - Married/Pregnant/Parenting Students)

(cf. 6184 - Continuation Education)

Written Agreements

Note: Education Code 51747 mandates that, in order for the district to receive apportionments for independent study, the district must adopt and implement policy providing for a written independent study agreement which contains the components listed in the following section. Districts should ensure that its written agreements contain all of the components specified below. Because apportionments are provided only for independent study of five or more consecutive school days pursuant to Education Code 46300, written agreements are required only in such instances.

A written agreement shall be developed and implemented for each student participating in independent study for five or more consecutive school days. (Education Code 46300, 51747)

INDEPENDENT STUDY (continued)

The agreement shall include general student data, including the student's name, address, grade level, birth date, school of enrollment, and program placement.

The independent study agreement for each participating student also shall include, but not be limited to, all of the following: (Education Code 51747; 5 CCR 11700)

1. The manner, time, frequency, and place for submitting the student's assignments and for reporting his/her progress
2. The objectives and methods of study for the student's work and the methods used to evaluate that work
3. The specific resources, including materials and personnel, that will be made available to the student

Note: Pursuant to Education Code 51747, the written agreement must contain statements reflecting Board policy pertaining to (1) the maximum length of time, by grade level and type of program, which may elapse between the time an independent study assignment is made and the date by which the student must complete the assignment and (2) the number of missed assignments allowed before an evaluation would be required to determine whether it is in a student's best interest to remain in independent study. The accompanying Board policy should contain the Board's specific determinations and those determinations must be included in the district's master written agreement.

4. A statement of the Board's policy detailing the maximum length of time allowed between an assignment and its completion and the number of missed assignments which will trigger an evaluation of whether the student should be allowed to continue in independent study

Note: Education Code 51747 provides that the written agreement must include the duration of the agreement within the limits described in item #5 below. Districts that operate on a trimester system should limit the terms of an independent study agreement to one trimester.

5. The duration of the independent study agreement, including the beginning and ending dates for the student's participation in independent study under the agreement, with a maximum of one semester or one-half year if the school is on a year-round calendar
6. A statement of the number of course credits or, for an elementary student, other measures of academic accomplishment appropriate to the agreement, to be earned by the student upon completion
7. A statement that independent study is an optional educational alternative in which no student may be required to participate

INDEPENDENT STUDY (continued)

8. In the case of a suspended or expelled student who is referred or assigned to any school, class, or program pursuant to Education Code 48915 or 48917, a statement that instruction may be provided through independent study only if the student is offered the alternative of classroom instruction

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Note: Education Code 46300.7 states that no apportionments shall be received for a student in independent study unless the district receives written permission from the parent/guardian, before the independent study begins, specifying the actual dates of participation, methods of study and evaluation, and resources to be made available for the student's independent study. Since all of these components are included in the written agreement which the parent/guardian must sign, the parent/guardian's signature on the agreement satisfies the requirement to obtain his/her written permission.

Before the student begins the independent study, the written agreement shall be signed and dated by the student, the parent/guardian or caregiver of the student if the student is under age 18, the certificated employee responsible for the general supervision of independent study, and all persons who have direct responsibility for providing assistance to the student. (Education Code 51747; 5 CCR 11702)

Monitoring Student Progress

Note: The following optional section may be revised to reflect district practice. According to the CDE's Independent Study Operations Manual, the terms "tardiness" and "truancy" do not apply to independent study students.

Independent study students who are late, miss scheduled conferences, or do not submit assigned work on time shall not be reported as tardy or truant.

However, the independent study administrator and/or supervising teacher shall promptly and directly address any failure by the student to meet the terms of his/her written agreement. The following supportive strategies may be used:

1. A letter to the student and/or parent/guardian
2. A meeting between the student and the teacher and/or counselor
3. A meeting between the student and the independent study administrator, including the parent/guardian if appropriate
4. An increase in the amount of time the student works under direct supervision

INDEPENDENT STUDY (continued)

When the student has missed the number of assignments specified in the written agreement as precipitating an evaluation, the Superintendent or designee shall conduct an evaluation to determine whether or not independent study is appropriate for the student. This evaluation may result in termination of the independent study agreement and the student's return to a regular school program.

Responsibilities of Independent Study Administrator

Note: The following optional section may be revised to reflect district practice.

The responsibilities of the independent study administrator shall be to:

1. Ensure that the district's independent study option is operated in accordance with law, Board policy, and administrative regulation and is substantially equal in quality and quantity to the classroom instruction
2. Obtain and maintain current information and skills required for the operation of an independent study program that meets established standards for the district's educational programs
3. Develop and manage the budget for independent study
4. Authorize the selection of certificated staff to be assigned as independent study teachers
5. Supervise any staff assigned to independent study functions who are not regularly supervised by another administrator
6. Approve or deny the participation of students requesting independent study
7. Facilitate the completion of written independent study agreements
8. Assure a smooth transition for students into and out of the independent study mode of instruction
9. Approve all credits earned through independent study and forward the information to the appropriate staff so that the information becomes part of the student's record
10. Complete or coordinate the preparation of all records and reports required by law, Board policy, or administrative regulation

INDEPENDENT STUDY (continued)

Assignment and Responsibilities of Independent Study Teachers

Note: The following optional section may be revised to reflect district practice.

Because the federal No Child Left Behind Act (20 USC 6319, 7801; 34 CFR 200.55-200.57; 5 CCR 6100-6126) requires teachers to demonstrate subject matter competency for each core academic subject they teach, many middle and high school independent study programs assign subject matter specialists to oversee student work related to their subject, while assigning supervising teachers to oversee matters of student attendance, work samples, parent/guardian communications, and other duties of "homeroom" teachers. Districts that implement such a model may revise the following section to specify the duties of both supervising teachers and subject matter specialists assigned to work with independent study students.

Each student's independent study shall be coordinated, evaluated, and carried out under the general supervision of a certificated employee who consents to the assignment. (Education Code 44865, 51747.5; 5 CCR 11700)

(cf. 4112.2 - Certification)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind)

The principal and independent study administrator may recommend and the Superintendent shall approve the assignment of teachers to directly supervise independent study and/or work with students on specific subject matter. The Superintendent or designee shall ensure that independent study teachers have access to professional development and support comparable to classroom-based teachers.

(cf. 4131 - Staff Development)

Note: The following paragraph is optional. Pursuant to Education Code 51745.6, the equivalency of teacher-student ratios described below is a necessary condition for the district to receive apportionments for independent study. The district may exceed these ratios, but those additional units of independent study average daily attendance would not be funded.

The ratio of student average daily attendance to full-time equivalent certificated employees responsible for independent study shall not exceed the equivalent ratio for all other education programs in the district. (Education Code 51745.6)

The responsibilities of the supervising teacher shall be to:

1. Complete designated portions of the written independent study agreement and add additional information to the written agreement when appropriate
2. Supervise and approve coursework
3. Design lesson plans and make assignments

INDEPENDENT STUDY (continued)

4. Maintain records of student assignments showing the date the assignment is given and the date the assignment is due
5. Provide direct instruction and counsel as necessary for individual student success
6. Regularly meet with the student to discuss the student's progress

Note: Pursuant to Education Code 51747.5, the district may only claim apportionment credit for independent study based on the time value of student work products as personally judged in each instance by a certificated teacher.

7. Judge the time value of assigned work or work products completed and submitted by the student
8. Assess student work and determine and assign grades or other approved measures of achievement

Note: The CDE recommends that the district establish a consistent standard for the frequency of collecting work samples for each subject (e.g., two samples per subject per semester) and specify whether all work samples must be from a particular timeframe. The district should modify item #9 below to reflect district practice.

9. Select and save representative samples of the student's completed and evaluated assignments for each subject, signed or initialed and dated in accordance with item #3 in the section on "Records" below
10. Maintain a daily or hourly attendance register in accordance with item #4 in the section on "Records" below
11. Maintain any other required records and files on a current basis

Records

The Superintendent or designee shall ensure that records are maintained for audit purposes. These records shall include, but not be limited to: (Education Code 51748; 5 CCR 11703)

1. A copy of the Board policy, administrative regulation, and other procedures related to independent study.
2. A separate listing of the students, by grade level, program, and school, who have participated in independent study. This listing shall identify units of the curriculum attempted and units of the curriculum completed by students in grades K-8 and identify course credits attempted by and awarded to students in grades 9-12 and in adult education, as specified in their written agreements.

INDEPENDENT STUDY (continued)

3. A file of all agreements, with representative samples of each student's work products bearing the supervising teacher's signed or initialed and dated notations indicating that he/she has personally evaluated the work or that he/she has personally reviewed the evaluations made by another certificated teacher.
4. A daily or hourly attendance register, as appropriate to the program in which the students are participating, separate from classroom attendance records, and maintained on a current basis as time values of student work products judged by a certificated teacher, and reviewed by the supervising teacher if they are two different persons.

(cf. 3580 - District Records)

Note: The following paragraphs are **optional**. According to the CDE's Independent Study Operations Manual, the above auditable records should be maintained for three years as provided below.

The above records shall be maintained for three years, excluding the current fiscal year.

The Superintendent or designee also shall maintain a record of grades and other evaluations issued to each student for independent study assignments.

Each school shall maintain records for the students at that school.

Note: Education Code 51747 requires that the results of evaluations conducted after students have missed the number of assignments specified by the Board (see the accompanying Board policy and the "Monitoring Student Progress" section above) must be maintained as a mandatory interim student record. See AR 5125 - Student Records for requirements pertaining to the maintenance of mandatory interim student records.

A written record of the findings of any evaluation conducted after the student has missed the number of assignments specified in Board policy shall be treated as a mandatory interim student record which shall be maintained for three years from the date of the evaluation. (Education Code 51747)

(cf. 5125 - Student Records)

STUDENT ASSESSMENT

Note: The following **optional** policy may be revised to reflect district practice.

The following paragraph addresses potential uses of student assessment data. Education Code 10601.6, added by SBX5 1 (Ch. 2, Fifth Extraordinary Session, Statutes of 2010), allows districts to use data in the California Longitudinal Pupil Achievement Data System (Education Code 60900) and the California Longitudinal Teacher Integrated Data Education System for purposes of employment decisions

The Governing Board recognizes that student assessments are an important instructional and accountability tool. Assessment data shall be used to help determine individual students' progress, mastery of academic standards, appropriate placement in district programs, and/or eligibility for graduation. In addition, program effectiveness and staff evaluations shall, as appropriate, be based in part on indicators of student achievement.

(cf. 0500 - Accountability)
(cf. 4115 - Evaluation/Supervision)
(cf. 5123 - Promotion/Acceleration/Retention)
(cf. 6011 - Academic Standards)
(cf. 6190 - Evaluation of the Instructional Program)

To obtain the most accurate evaluation of student performance, the district shall use a variety of measures, including district, state, and/or national assessments. As appropriate, assessment results shall be disaggregated by student subgroup, classroom, grade level, or school site to allow for critical analysis of student needs.

(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 6142.7 - Physical Education and Activity)
(cf. 6162.51 - Standardized Testing and Reporting Program)
(cf. 6162.52 - High School Exit Examination)

In selecting or developing a district assessment, the Superintendent or designee shall examine evidence of its reliability, its validity for the intended purpose and for various student populations, and the extent to which it corresponds to the material that is being taught.

The Superintendent or designee shall ensure that assessments are administered in accordance with law and the test publisher's directions and that test administration procedures are fair and equitable for all students.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 6162.54 - Test Integrity/Test Preparation)

The Superintendent or designee shall provide professional development to assist teachers and paraprofessionals in interpreting and using assessment data to improve student performance and the instructional program.

(cf. 4131 - Staff Development)
(cf. 4222 - Teacher Aides/Paraprofessionals)

STUDENT ASSESSMENT (continued)

When districtwide and school-level results of student assessments are published by the state, the Superintendent or designee may provide supplementary information to assist parents/guardians and the local community in interpreting test results and evaluating school performance.

(cf. 0510 - School Accountability Report Card)

Individual Record of Accomplishment

Note: The following optional section is for use by districts that maintain high schools.

The Superintendent or designee shall ensure that each student, by the end of grade 12, has an individual record of accomplishment that includes the following: (Education Code 60607)

1. The results of the achievement test administered under the Standardized Testing and Reporting Program pursuant to Education Code 60640-60649
2. The results of any end-of-course examinations taken
3. The results of any vocational education certification examinations taken

(cf. 6178 - Career Technical Education)

No individual record of accomplishment shall be released to any person, other than the student's parent/guardian or a teacher, counselor, or administrator directly involved with the student, without the written consent of the student's parent/guardian, or the student if he/she is an adult or emancipated minor. The student or his/her parent/guardian may authorize the release of the record of accomplishment to a postsecondary educational institution for the purposes of credit, placement, or admission. adopted: September 5, 2001 Antelope, California**

CONFLICT OF INTEREST

Note: The determination as to whether a conflict of interest exists must be analyzed under two separate sets of statutes: (1) the conflict of interest provisions of the Political Reform Act (PRA) (Government Code 87100-87500.1), detailed in the section below entitled "Conflict of Interest under the Political Reform Act," and (2) Government Code 1090-1098, detailed in the section below entitled "Financial Interest in Contracts under Government Code 1090." However, even when a conflict does not exist pursuant to those statutes, the Attorney General has found that special situations may still exist under the common law doctrine against conflict of interest; see the section below entitled "Common Law Doctrine Against Conflict of Interest."

Because the law and definitions are quite complex, it is strongly recommended that districts consult with legal counsel and staff from the Fair Political Practices Commission (FPPC) as soon as a potential conflict is presented.

The Governing Board desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. In accordance with law, Board members and designated employees shall disclose any conflict of interest and, as necessary, shall abstain from participating in the decision.

(cf. 9005 - Governance Standards)

Note: The Governing Board is required to adopt a conflict of interest code in compliance with Government Code 87300-87313. Board members and employees designated in the district's conflict of interest code are required by Government Code 87500 to annually file a Statement of Economic Interest/Form 700 to disclose any assets and income which may be materially affected by official actions. Under the PRA, there are two separate categories of Form 700 disclosure requirements. For the first category pursuant to Government Code 87302, which is applicable to most school districts, the disclosure requirements are determined by the district and set forth in the district's conflict of interest code. The second category, pursuant to Government Code 87200, is only applicable to Board members and designated employees who "manage public investments"; see section below entitled "Additional Requirements for Boards that Manage Public Investments." Those Board members and designated employees, referred to by the FPPC as Government Code 87200/Article 2 filers, must file broader disclosure statements pursuant to the disclosure requirements specified in law and FPPC regulation.

Pursuant to Government Code 87303, the district's conflict of interest code must be approved by the appropriate code reviewing body. For districts located entirely in one county, the code reviewing body is the board of supervisors of the county in which the district is located. The FPPC is the code reviewing body for those school districts located in more than one county.

Pursuant to 2 CCR 18730, the requirements of the Government Code are satisfied if a district adopts a conflict of interest code that incorporates 2 CCR 18730 by reference, along with a list of designated positions and disclosure categories. The accompanying exhibit (E 9270) contains a sample resolution which includes an appendix with designated positions and disclosure categories which, once adopted by the Board, will comprise the terms of the district's conflict of interest code that should be submitted to the code reviewing body. Districts that do not wish to adopt a resolution as their conflict of interest code should modify the following paragraph accordingly.

The Board shall adopt a resolution that specifies the terms of the district's conflict of interest code, the district's designated positions, and the disclosure categories required for each position.

CONFLICT OF INTEREST (continued)

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body.

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 - Meetings and Notices)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or district employment. (Government Code 87302, 87500)

(cf. 4117.2/4217.2/4317.2 - Resignation)

(cf. 9222 - Resignation)

Conflict of Interest under the Political Reform Act

Note: The FPPC has adopted an eight-step analysis, detailed in Government Code 87100-87500, 2 CCR 18700-18755, and interpretive opinions, to determine whether a conflict of interest exists under the PRA. When such a conflict exists, the affected Board member must disclose the interest and disqualify himself/herself from participating in the decision, as specified below. Because Family Code 297.5 grants a registered domestic partner the same rights, protections, and benefits as a spouse under state law, analysis of a conflict of interest with regards to a Board member's spouse is also applicable to a registered domestic partner.

A Board member or designated employee shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect" on one or more of the Board member's or designated employee's "economic interests," unless the effect is indistinguishable from the effect on the public generally or the Board member's or designated employee's participation is legally required. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

CONFLICT OF INTEREST (continued)

A Board member or designated employee makes a governmental decision when, acting within the authority of his/her office or position, he/she votes on a matter, appoints a person, obligates or commits the district to any course of action, or enters into any contractual agreement on behalf of the district. (2 CCR 18702.1)

A Board member who has a disqualifying conflict of interest on an agenda item that will be heard in an open meeting of the Board shall abstain from voting on the matter. He/she may remain on the dais, but his/her presence shall not be counted towards achieving a quorum for that matter. A Board member with a disqualifying conflict of interest shall not be present during a closed session meeting of the Board when the decision is considered and shall not obtain or review a recording or any other nonpublic information regarding the issue. (2 CCR 18702.1)

Additional Requirements for Boards that Manage Public Investments

Note: The following optional section is for use only by districts in which the Board and/or the Superintendent or designee are considered to be "officials who manage public investments" and who are required to file a full financial disclosure statement in accordance with Government Code 87200. It should be deleted by all other districts. See the accompanying exhibit for further information.

According to the FPPC, officials who manage public investments are Boards or designated employees who manage the investment of district surplus or special reserve funds in permitted securities and investments pursuant to Education Code 41015. Those Boards that direct the investment of these funds, formulate or approve policies for the investment of these funds, or approve investment transactions involving these funds are considered officials who manage public investments. Even if the Board delegates day-to-day investment decisions to district staff, Board members are considered officials who manage public investments if they set or approve policy as to the investment of these funds.

The Board does not manage public investments when the district does not have any surplus or special reserve funds to invest and merely deposits all funds it receives (1) in the county treasury pursuant to Education Code 41001-41002.5 or (2) in a fund where a Tax and Revenue Anticipation Note (TRANs) is issued. Board members and Superintendents in these types of situations are not considered to have discretion regarding the investment of the district's money and are therefore not officials who manage public investments.

A Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code 87105; 2 CCR 18702.5)

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.
2. Recuse himself/herself from discussing and voting on the matter, or otherwise acting in violation of Government Code 87100. The Board member shall not be counted toward achieving a quorum while the item is discussed.

CONFLICT OF INTEREST (continued)

However, the Board member may speak on the issue during the time that the general public speaks on it and may leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion of the matter with members of the public.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters.

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during consideration of the consent calendar.

4. If the Board's decision is made during closed session, disclose his/her interest orally during the open session preceding the closed session. This disclosure shall be limited to a declaration that his/her recusal is because of a conflict of interest pursuant to Government Code 87100. He/she shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the Board's decision.

Conflict of Interest under Government Code 1090

Note: Pursuant to Government Code 1090, if a Board member has a financial interest in a contract, it is an absolute bar for that district to enter into the contract. The Attorney General has opined in 69 Ops.Cal.Atty.Gen. 255 (1986) that, unlike the PRA, the prohibitions in Government Code 1090 cannot be resolved by having the financially interested Board member abstain from participating in the matter. However, there are two categories of exceptions. If a financial interest meets the definition of a "noninterest" as specified in Government Code 1091.5, then the restrictions in Government Code 1090 do not apply and the district can enter into the contract. Secondly, if a Board member's interest is deemed a "remote interest" pursuant Government Code 1091, then the district can enter into the contract as long as certain conditions are satisfied, as specified below.

While the prohibitions in the PRA only apply to designated employees, the prohibitions in Government Code 1090 apply to all district employees and consultants. However, the Attorney General has opined in 63 Ops.Cal.Atty.Gen. 868 (1980) that an employee's financial interest would not prohibit the district from entering into a contract as long as the employee has not participated in the making of the contract, such as in discussions and planning, as detailed below.

Government Code 1090 does not define financial interest, but courts have held that, for the purposes of this statute, the definition of "financial interest" is not the same as the definition in the PRA which requires a "material financial effect" in order for a conflict to exist. Because the determination of whether a financial interest exists involves a review of statutes, court decisions, and Attorney General opinions as they apply to the particular facts at issue, the analysis can be complex and legal counsel should be consulted as appropriate.

CONFLICT OF INTEREST (continued)

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest, the district is barred from entering into the contract. (Government Code 1090; Klistoff v. Superior Court, (2007) 157 Cal.App. 4th 469)

Note: Pursuant to Government Code 1091.5, certain financial interests are defined as "noninterests," meaning a conflict of interest does not exist and the district can enter into the contract. One of the noninterests listed in Government Code 1091.5 is when a Board member's spouse has been employed by the district for at least one year prior to the Board member's election or appointment. If the spouse has not been employed by the district for at least one year prior the Board member's election or appointment, the exception does not apply and Government Code 1090 prohibits the district from entering into a new contract to hire the spouse. (80 Ops.Cal.Atty.Gen. 320 (1997))

Attorney General opinions and case law have further clarified the application of this noninterest exception when a previously employed spouse changes to a different position during the Board member's term. Generally, these opinions have held that a lateral transfer or change of classification that does not require Board approval (e.g., second year probationary teacher automatically achieving permanent status, step increase) is the same employment not requiring a new contract and thus constitutes a noninterest. (92 Ops.Cal.Atty.Gen. 26 (2009), 87 Ops.Cal.Atty.Gen. 23 (2004)) However, when a new contract is involved (e.g., promotion from classroom teacher to principal, substitute employee becoming a probationary employee), the exception in Government Code 1091.5 does not apply and the action would be prohibited under Government Code 1090 because Board approval of the contract is required. (Thorpe v. Long Beach Community College District, 69 Ops.Cal.Atty.Gen. 255 (1986))

Because this area of law is complex, it is strongly recommended that district legal counsel be consulted if a Board member's spouse is an employee of the district or when analyzing whether an interest is a noninterest or remote interest.

A Board member shall not be considered to be financially interested in a contract if his/her interest is a "noninterest" as defined in Government Code 1091.5. One such noninterest is when a Board member's spouse/registered domestic partner has been a district employee for at least one year prior to the Board member's election or appointment. (Government Code 1091.5)

Note: The district may enter into a contract when a Board member's interest is a "remote interest" as defined in Government Code 1091. Generally, this issue arises when the district wishes to enter into a contract with the Board member's employer. When the conditions specified in Government Code 1091 are satisfied (e.g., Board member is an employee of a nonprofit organization, the employer has at least 10 employees, and the Board member has been employed more than three years), then the district may enter into the contract as long as the affected Board member discloses the remote interest and abstains from the matter.

CONFLICT OF INTEREST (continued)

A Board member shall not be considered to be financially interested in a contract if he/she has only a "remote interest" in the contract as specified in Government Code 1091 and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code 1091)

Note: Board members who willfully fail to disclose a remote interest in a contract may be subject to a fine or imprisonment pursuant to Government Code 1097.

Even if there is not a prohibited conflict of interest, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. *Relative* means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

Note: The following paragraph reflects the common law definition of "relative within the third degree."

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

Common Law Doctrine Against Conflict of Interest

Note: Even when there is not a conflict pursuant to the PRA (Government Code 87100-87500.1) or Government Code 1090, the Attorney General has found that special situations may still exist under the common law doctrine against conflict of interest which, unlike the statutes, extends to noneconomic interests. In 92 Ops.Cal.Atty.Gen. 19 (2009), the Attorney General opined that a redevelopment board member should abstain from voting on a loan agreement where the recipient of the loan was a corporation owned by the board member's adult son. Although the board member was not financially interested in the contract under the PRA or Government Code 1090, the Attorney General determined that abstention was necessary in order to avoid a conflict between the member's official and personal interests and to avoid the appearance of impropriety.

Districts are encouraged to consult legal counsel if situations arise that raise the question as to whether such a conflict exists.

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

CONFLICT OF INTEREST (continued)**Rule of Necessity or Legally Required Participation**

Note: Pursuant to Government Code 87101, when a conflict exists under the PRA, the district may still enter into a contract if the rule of necessity or legally required participation applies. In general, this rule will permit a district to acquire an essential supply or service. The rule also permits a Board member to carry out an essential duty of his/her office in accordance with 2 CCR 18708, where he/she is the only one who may legally act and there is no alternative source of decision-making authority. **It is recommended that legal counsel be consulted when situations arise involving the rule of necessity.**

On a case-by-case basis and upon advice of legal counsel, a Board member with a financial interest in a contract may participate in the making of the contract if the rule of necessity or legally required participation applies pursuant to Government Code 87101 and 2 CCR 18708.

Incompatible Offices and Activities

Note: Government Code 1099 and 1126 prohibit Board members and employees from engaging in any employment or activity which is inconsistent, incompatible, in conflict with, or inimical to their duties with the district. Government Code 1126 mandates the district to adopt procedures regarding this prohibition. See BP 4136/4236/4336 - Nonschool Employment for language implementing this mandate relative to employees.

Attorney General opinions have indicated that it would be incompatible for Board members to serve on other elected or appointed boards, councils, or commissions that have interests which may conflict with the interests of the district (85 Ops.Cal.Atty.Gen. 60 (2002); 68 Ops.Cal.Atty.Gen. 171 (1985); 65 Ops.Cal.Atty.Gen. 606 (1982)). If a Board member is sworn into an incompatible office, then his/her position in the prior office is automatically terminated.

Pursuant to Education Code 35107, an employee of a school district may not be sworn into office as an elected or appointed member of that district's Board unless he/she resigns as an employee. If the employee does not resign, the employment automatically terminates when he/she is sworn into office. See BB 9220 - Governing Board Elections.

The determination as to whether an activity or office is incompatible is complex and requires a case-by-case analysis of the particular activities or duties of the office; therefore, it is recommended that district legal counsel be consulted as appropriate.

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

(cf. 4136/4236/4336 - Nonschool Employment)

CONFLICT OF INTEREST (continued)

Gifts

Note: Pursuant to 2 CCR 18730, the gift limitation is currently \$420. This amount is adjusted in odd-numbered years by the FPPC. However, this limit may not be applicable to gifts from every source. For those Board members who file a Form 700 based on the disclosure categories specified in the district's conflict of interest code pursuant to Government Code 87302 (see the accompanying exhibit), the gift limit is only applicable to those individuals and entities that are disclosed on the Form 700.

Exceptions exist within the Government Code's definitions of gifts, income, interest in real property, and investment; see Government Code 82028, 82030, 82033, and 82034.

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)

The term *honorarium* does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession unless the sole or predominant activity of the business, trade, or profession is making speeches
2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

Conflict Of Interest

BB 9270
Board Bylaws

Incompatible Activities

Governing Board members shall not engage in any employment or activity which is inconsistent with, incompatible with, in conflict with or inimical to the Board member's duties as an officer of the district. (Government Code 1126)

Conflict of Interest Code

The district's conflict of interest code shall be comprised of the terms of 2CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with a district attachment specifying designated positions and the specific types of disclosure statements required for each position.

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code in even-numbered years. If no change in the code is required, the district shall submit by October 1 a written statement to that effect to the code reviewing body. If a change in the code is necessitated by changed circumstances, the district shall submit an amended code to the code reviewing body. (Government Code 87306.5)

When a change in the district's conflict of interest code is necessitated by changed circumstances, such as the creation of new designated positions, amendments or revisions, the changed code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing conflict of interest codes, the district shall provide officers, employees, consultants and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

If a Board member or designated employee determines that he/she has a financial interest in a decision, as described in Government Code 87103, this determination shall be disclosed. The member shall be disqualified from voting unless his/her participation is legally required. (2 CCR 18700)

Statements of economic interests submitted to the district by designated employees in accordance with the conflict of interest code shall be available for public inspection and reproduction. (Government Code 81008)

Financial Interest

Board members and designated employees shall not be financially interested in any contract made by the Board or in any contract they make in their capacity as Board members or designated employees. (Government Code 1090)

A Board member shall not be considered to be financially interested in a contract if his/her interest includes, but is not limited to, any of the following: (Government Code 1091.5)

- 1. That of an officer who is being reimbursed for his/her actual and necessary expenses incurred in the performance of an official duty**
- 2. That of a recipient of public services generally provided by the public body or board of which he/she is a member, on the same terms and conditions as if he or she were not a member of the board**
- 3. That of a landlord or tenant of the contracting party if such contracting party is the federal government or any federal department or agency, this state or an adjoining state, any department or agency of this state or an adjoining state, any county or city of this state or an adjoining state, or any public corporation or special, judicial or other public district of this state or an adjoining state unless the subject matter of such contract is the property in which such officer or employee has such interest as landlord or tenant in which even his/her interest shall be deemed a remote interest within the meaning of, and subject to, the provisions of Government Code 1091**
- 4. That of a spouse of an officer or employee of the district if his/her spouse's employment or officeholding has existed for at least one year prior to his/her election or appointment**
- 5. That of a nonsalaried member of a nonprofit corporation, provided that such interest is disclosed to the Board at the time of the first consideration of the contract, and provided further that such interest is noted in its official records**
- 6. That of a noncompensated officer of a nonprofit, tax-exempt corporation which, as one of its primary purposes, supports the functions of the nonprofit board or to which the school Board has a legal obligation to give particular consideration, and provided further that such interest is noted in its official records**
- 7. That of a person receiving salary, per diem, or reimbursement for expenses from a governmental entity, unless the contract directly involves the department of the government entity that employs the officer or employee, provided that such interest is disclosed to the Board at the time of consideration of the contract, and provided further that such interest is noted in its official records**
- 8. That of an attorney of the contracting party or that of an owner, officer, employee or agent of a firm which renders, or has rendered, service to the contracting party in the**

capacity of stockbroker, insurance agent, insurance broker, real estate agent, or real estate broker, if these individuals have not received and will not receive remuneration, consideration, or a commission as a result of the contract and if these individuals have an ownership interest of less than 10 percent in the law practice or firm, stock brokerage firm, insurance firm or real estate firm

In addition, a Board member or employee shall not be deemed to be interested in a contract made pursuant to competitive bidding under a procedure established by law if his/her sole interest is that of an officer, director, or employee of a bank or savings and loan association with which a party to the contract has the relationship of borrower or depositor, debtor or creditor. (Government Code 1091.5)

A Board member shall not be deemed to be financially interested in a contract if he/she has only a remote interest in the contract and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. Remote interests are specified in Government Code 1091(b); they include, but are not limited to, the interest of a parent in the earnings of his/her minor child. (Government Code 1091)

A Board member may enter into a contract if the rule of necessity or legally required participation applies as defined in Government Code 87101.

Even if there is no prohibited or remote interest, a Board member shall abstain from voting on personnel matters that uniquely affect a relative of the Board member. A Board member may vote, however, on collective bargaining agreements and personnel matters that affect a class of employees to which the relative belongs. "Relative" means an adult who is related to the person by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes the individual's parents, grandparents and great-grandparents, children, grandchildren and great-grandchildren, brothers, sisters, aunts and uncles, nieces and nephews, and the similar family of the individual's spouse unless the individual is widowed or divorced.

Disqualification for Board Members Who Manage Public Investments

A Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following:

1. Publicly identify the financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required. (Government Code

87105)

CONFLICT OF INTEREST

**RESOLUTION ADOPTING A
CONFLICT OF INTEREST CODE**

Note: The Governing Board is required to adopt a conflict of interest code in compliance with Government Code 87300-87313 of the Political Reform Act (PRA). Pursuant to 2 CCR 18730, the requirements of the Government Code are satisfied if a district adopts a conflict of interest code that incorporates 2 CCR 18730 by reference along with a list of designated positions and disclosure categories. Board members and designated employees must annually file a Statement of Economic Interest/Form 700 pursuant to the disclosure requirements of the district's conflict of interest code.

Government Code 87303 requires a district's conflict of interest code to be approved by a "code reviewing body." For school districts located entirely in one county, the code reviewing body is the board of supervisors of the county in which the district is located. The Fair Political Practices Commission (FPPC) is the code reviewing body for school districts with jurisdiction in more than one county.

The code reviewing body needs to only review the portion of the district's conflict of interest code that specifies the district's designated positions and the disclosure categories as detailed in the following sample Resolution, including its Appendix, and not the other legal requirements related to conflict of interest reflected in the accompanying sample bylaw. The Resolution, including the Appendix, should be adopted by the Board and, as necessary, forwarded to the code reviewing body. Pursuant to Government Code 87306.5, the code reviewing body is required to notify the district in even-numbered years of the need to review the district's conflict of interest code. Upon such notification, the district should review the Appendix and make any necessary changes. In some counties, the code reviewing body requires that a resolution be adopted during each review and that the Board's resolution and amended appendix be submitted to that body. In other counties, only the appendix needs to be submitted. In both cases, districts need not submit BB 9270 - Conflict of Interest to the code reviewing body. In addition to the biannual review, districts should modify the Appendix and submit it, and the resolution if required, to the code reviewing body when any changed circumstances within the district require amendments to the Appendix, such as the creation of new designated positions or a change of duties assigned to existing positions.

The following resolution should be modified to reflect district practice as well as any specific requirements of the district's code reviewing body.

WHEREAS, the Political Reform Act, Government Code 87300-87313, requires each public agency in California to adopt a conflict of interest code; and

WHEREAS, the Governing Board of the Center Joint Unified School District has previously adopted a local conflict of interest code; and

WHEREAS, past and future amendments to the Political Reform Act and implementing regulations may require conforming amendments to be made to the district's conflict of interest code; and

WHEREAS, a regulation adopted by the Fair Political Practices Commission, 2 CCR 18730, provides that incorporation by reference of the terms of that regulation, along with an agency-specific appendix designating positions and disclosure categories shall constitute the adoption and amendment of a conflict of interest code in conformance with Government Code 87300 and 87306; and

CONFLICT OF INTEREST (continued)

WHEREAS, the Center Joint Unified School District has recently reviewed its positions, and the duties of each position, and has determined that (changes/no changes) to the current conflict of interest code are necessary; and

WHEREAS, any earlier resolutions, bylaws, and/or appendices containing the district's conflict of interest code shall be rescinded and superseded by this resolution and Appendix; and

NOW THEREFORE BE IT RESOLVED that the Center Joint Unified School District Governing Board adopts the following Conflict of Interest Code including its Appendix of Designated Employees and Disclosure Categories.

PASSED AND ADOPTED THIS _____ day of _____, _____ at a meeting, by the following vote:

AYES: _____ NOES: _____ ABSENT: _____

Attest:

Secretary/President

**Conflict of Interest Code of the
Center Joint Unified School District**

The provisions of 2 CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with the attached Appendix specifying designated positions and disclosure categories, are incorporated by reference and shall constitute the district's conflict of interest code.

Governing Board members and designated employees shall file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories listed in the attached Appendix. The Statement of Economic Interest shall be filed with the district's filing officer and/or, if so required, with the district's code reviewing body. The district's filing officer shall make the statements available for public review and inspection.

CONFLICT OF INTEREST (continued)

APPENDIX

Disclosure Categories

Note: The following list must be modified to reflect the specific disclosure categories in the district.

1. **Category 1:** A person designated Category 1 shall disclose:
 - a. Interests in real property located entirely or partly within district boundaries, or within two miles of district boundaries, or of any land owned or used by the district.
 - b. Investments or business positions in or income from sources which are engaged in the acquisition or disposal of real property within the district, are contractors or subcontractors which are or have been within the past two years engaged in work or services of the type used by the district, or manufacture or sell supplies, books, machinery, or equipment of the type used by the district.

2. **Category 2:** A person designated Category 2 shall disclose:
 - a. Investments or business positions in or income from sources which are contractors or subcontractors engaged in work or services of the type used by the department which the designated person manages or directs.
 - b. Investments or business positions in or income from sources which manufacture or sell supplies, books, machinery, or equipment of the type used by the department which the designated person manages or directs. For the purposes of this category, a principal's department is his/her entire school.

Note: Item #3 below is for use only by districts in which the Board and Superintendent "manage public investments." All other districts must delete item #3.

Government Code 87500 requires public officials and designated employees to annually file a Statement of Economic Interest/Form 700 to disclose any assets and income which may be materially affected by official actions. Under the PRA, there are two separate categories of Form 700 disclosure requirements. For the first category pursuant to Government Code 87302, which is applicable to most school districts, the disclosure requirements are determined by the district and set forth in the district's conflict of interest code. The second category, pursuant to Government Code 87200, is only applicable to Board members and Superintendents who "manage public investments." Those Board members and designated employees, referred to by the FPPC as Government Code 87200/Article 2 filers, must file broader disclosure statements pursuant to the disclosure requirements specified in law and FPPC regulation. See section in accompanying bylaw entitled "Additional Requirements for Boards that Manage Public Investments" for a further discussion of this issue.

CONFLICT OF INTEREST (continued)

~~3. **Full Disclosure:** Because it has been determined that the district's Board members and/or Superintendent "manage public investments," they and other persons designated for "full disclosure" shall disclose, in accordance with Government Code 87200:~~

- ~~a. **Interests in real property located entirely or partly within district boundaries, or within two miles of district boundaries, or of any land owned or used by the district.**~~
- ~~b. **Investments, business positions, and sources of income, including gifts, loans, and travel payments.**~~

Designated Positions

Note: The following list must be modified to reflect the specific designated positions and applicable disclosure categories in the district. For districts in which the Board and Superintendent "manage public investments," the disclosure category for Board members and the Superintendent in the list below must be modified to "Full Disclosure."

Disclosures for Consultants

Note: The definition of designated employees in Government Code 82019 includes consultants. To preclude amending the code whenever retaining a consultant in a decision-making capacity, the following section provides that the Superintendent or designee shall make case-by-case determinations of the disclosures necessary, depending on the range of duties to be performed by the consultant.

Consultants are designated employees who must disclose financial interests as determined on a case-by-case basis by the Superintendent or designee. The Superintendent or designee's written determination shall include a description of the consultant's duties and a statement of

CONFLICT OF INTEREST (continued)

the extent of disclosure requirements based upon that description. All such determinations are public records and shall be retained for public inspection along with this conflict of interest code.

A consultant is an individual who, pursuant to a contract with the district, makes a governmental decision whether to: (2 CCR 18701)

1. Approve a rate, rule, or regulation
2. Adopt or enforce a law
3. Issue, deny, suspend, or revoke a permit, license, application, certificate, approval, order, or similar authorization or entitlement
4. Authorize the district to enter into, modify, or renew a contract that requires district approval
5. Grant district approval to a contract that requires district approval and in which the district is a party, or to the specifications for such a contract
6. Grant district approval to a plan, design, report, study, or similar item
7. Adopt or grant district approval of district policies, standards, or guidelines

A consultant is also an individual who, pursuant to a contract with the district, serves in a staff capacity with the district and in that capacity participates in making a governmental decision as defined in 2 CCR 18702.2 or performs the same or substantially all the same duties for the district that would otherwise be performed by an individual holding a position specified in the district's conflict of interest code. VOLUNTEER ASSISTANCE

The Governing Board recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. The Board encourages parents/guardians and other members of the community to share their time, knowledge, and abilities with students.

(cf. 1700 - Relations Between Private Industry and the Schools)
(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)
(cf. 4222 - Teacher Aides/Paraprofessionals)
(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5148 - Child Care and Development)
(cf. 5148.2 - Before/After School Programs)
(cf. 6020 - Parent Involvement)
(cf. 6171 - Title I Programs)

The Superintendent or designee shall develop and implement a plan for recruiting, screening, and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors to students and/or make appropriate referrals to community organizations.

(cf. 1020 - Youth Services)
(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

As appropriate, the Superintendent or designee shall provide volunteers with information about school goals, programs, and practices and an orientation or other training related to their specific responsibilities. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that utilize their skills and expertise and maximize their contribution to the educational program.

Volunteer maintenance work shall be limited to those projects that do not replace the normal maintenance duties of classified staff. The Board nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school, do not significantly increase maintenance workloads, and comply with employee negotiated agreements.

Volunteer aides shall not be used to assist certificated staff in performing teaching or administrative responsibilities in place of regularly authorized classified employees who have been laid off. (Education Code 35021)

Volunteers shall act in accordance with district policies, regulations, and school rules. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 3515.2 - Disruptions)

VOLUNTEER ASSISTANCE (continued)

The Board encourages principals to develop a means for recognizing the contributions of each school's volunteers.

(cf. 1150 - Commendations and Awards)

The Superintendent or designee shall periodically report to the Board regarding the district's volunteer assistance program.

Qualifications

Note: Education Code 45347 and 45349 require certain volunteers, depending on the types of duties they will be performing, to meet qualifications pertaining to basic skills proficiency, tuberculosis testing, and/or criminal background checks; see the accompanying administrative regulation.

The Superintendent or designee shall establish procedures for determining whether volunteers possess the qualifications, if any, required by law and administrative regulation for the types of duties they will perform.

Note: Effective July 9, 2010, AB 346 (Ch. 52, Statutes of 2010) amended Education Code 49024 to require any volunteer who works with students in a district-sponsored student activity program to obtain an Activity Supervisor Clearance Certificate (ASCC) from the Commission on Teacher Credentialing, unless the district requires the volunteer to clear a Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) criminal background check prior to beginning the volunteer duties. This legislation was introduced in response to legislation passed in 2009 (AB 1025, Ch. 379, Statutes of 2009) which had required noncertificated personnel or volunteers who "supervise, direct, or coach the activity" to obtain an ASCC.

Thus, the Governing Board may choose whether to require a volunteer to obtain the ASCC (Option 1 below) and/or to obtain a DOJ/FBI criminal background check (Option 2 below). The Board may select either one of the options below, combine them to allow an individual to obtain either the ASCC or DOJ/FBI check at the individual's discretion, or to apply different requirements to different positions in the district.

In addition, AB 346 amended Education Code 45125.01 to allow multiple districts within a county or within contiguous counties to share criminal record information of noncertificated employees and volunteers working in a student activity program; see AR 4112.62/4212.62/4312.62 - Maintenance of Criminal Offender Records.

See the accompanying administrative regulation for the definition of "student activity program" pursuant to Education Code 49024.

~~**OPTION 1:** Prior to assuming a volunteer position to work with students in a district-sponsored student activity program, a volunteer shall possess an Activity Supervisor Clearance Certificate issued by the Commission on Teacher Credentialing. (Education Code 49024)~~

~~A volunteer who obtained both a Department of Justice and Federal Bureau of Investigation criminal background clearance through the district prior to July 9, 2010 shall have satisfied this requirement. (Education Code 49024)~~

VOLUNTEER ASSISTANCE (continued)

OPTION 2: Prior to assuming a volunteer position to work with students in a district-sponsored student activity program, a volunteer shall obtain both a Department of Justice and Federal Bureau of Investigation criminal background check through the district. (Education Code 49024)

A volunteer who possesses a current Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing, issued prior to July 9, 2010, shall have satisfied district requirements for the criminal background check. (Education Code 49024)

Duties of Volunteers

Note: Education Code 45349 authorizes the use of volunteers in the supervision and instruction of students, subject to Education Code 35021 and 45340-45349.

Volunteers may assist certificated personnel in the performance of their duties, in the supervision of students, and in instructional tasks which, in the judgment of the certificated personnel to which the volunteer is assigned, may be performed by a person not licensed as a classroom teacher. These duties shall not include assignment of grades to students. (Education Code 45343, 45344, 45349)

(cf. 4222 - Teacher Aides/Paraprofessionals)
(cf. 5148 - Child Care and Development)
(cf. 5148.2 - Before/After School Programs)

Volunteers may supervise students during lunch, breakfast, or other nutritional periods or may serve as nonteaching aides under the immediate supervision and direction of certificated personnel to perform noninstructional work which assists certificated personnel in the performance of teaching and administrative responsibilities. (Education Code 35021, 44814, 44815)

Volunteers may work on short-term facilities projects pursuant to Board policy and the section below entitled "Volunteer Facilities Projects."

Qualifications

Volunteers providing supervision or instruction of students pursuant to Education Code 45349 shall give evidence of basic skills proficiency. (Education Code 45344.5, 45349)

(cf. 4212 - Appointment and Conditions of Employment)

Note: Effective July 9, 2010, AB 346 (Ch. 52, Statutes of 2010) amended Education Code 49024 to require any volunteer who works with students in a student activity program, as defined below, to obtain an Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing, unless the district requires the candidate to clear a Department of Justice and Federal Bureau of Investigation criminal background check prior to beginning the volunteer duties. See the accompanying Board policy for options that may be selected or adapted by the district.

In addition, AB 346 amended Education Code 45125.01 to allow multiple districts within a county or within contiguous counties to share criminal record information of noncertificated employees and volunteers working in a student activity program; see AR 4112.62/4212.62/4312.62 - Maintenance of Criminal Offender Records.

VOLUNTEER ASSISTANCE (continued)

Any volunteer working with students in a district-sponsored student activity program shall obtain an Activity Supervisor Clearance Certificate or criminal background check in accordance with Board policy. The Superintendent or designee shall determine which volunteer positions in the district are subject to this requirement.

(cf. 4212.5 - Criminal Background Check)

"Student activity programs" include, but are not limited to, scholastic programs, interscholastic programs, and extracurricular activities sponsored by the district or a school booster club, such as cheer team, drill team, dance team, and marching band. This requirement shall not apply to volunteer supervisors for breakfast, lunch, or other nutritional periods or to volunteer nonteaching aides under the immediate supervision and direction of certificated personnel pursuant to Education Code 35021, including parents/guardians volunteering in a classroom or on a field trip or community members providing noninstructional services. (Education Code 49024)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

(cf. 6145 - Extracurricular and Cocurricular Activities)

Note: Pursuant to Education Code 35021 and 45349, a district is prohibited from assigning a registered sex offender as a volunteer who assists certificated personnel in the performance of their duties; supervises students during lunch, breakfast, or other nutritional period; or serves as a nonteaching aide to perform noninstructional tasks. In addition, Penal Code 290.95 requires any person registered as a sex offender to disclose his/her status as a registrant when he/she applies for or accepts a position as a volunteer where the work would require him/her to work directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis, to have supervision or disciplinary power over minor children, or to touch minor children on more than an incidental basis. Penal Code 290.95 also requires disclosure when the person would be working directly and in an unaccompanied setting providing goods or services to minors. See BP/AR 3515.5 - Sex Offender Notification.

The Superintendent or designee shall not assign any person required to register as a sex offender pursuant to Penal Code 290 as a volunteer who assists certificated personnel in the performance of their duties; supervises students during lunch, breakfast, or other nutritional period; or serves as a nonteaching aide to perform noninstructional tasks. In addition, a person who is required to register as a sex offender because of a conviction for a crime where the victim was a minor under age 16 shall not serve as a volunteer in any capacity in which he/she would be working directly and in an unaccompanied setting with minors on more than an incidental and occasional basis or have supervision or disciplinary power over minors. (Education Code 35021, 45349; Penal Code 290.95)

(cf. 3515.5 - Sex Offender Notification)

Note: Districts may verify whether a person is a registered sex offender by checking the Department of Justice's Megan's Law web site, asking law enforcement to conduct a check pursuant to Education Code 35021.1, and/or requiring volunteers to certify as to their status. The following paragraph should be modified to reflect district practice.

VOLUNTEER ASSISTANCE (continued)

The Superintendent or designee may require all volunteers to disclose their status as a registered sex offender and/or provide the district with sufficient information in order to allow verification of this status on the Department of Justice's Megan's Law web site.

Note: Education Code 45347 and 45349 require that volunteers providing supervision or instruction meet the obligations required of classified staff. Pursuant to Education Code 49406, tuberculosis testing is one of these obligations; see AR 4112.4/4212.4/4312.4 - Health Examinations. In areas where there is a high incidence of tuberculosis, the district may revise the following paragraph to require more frequent tests or to require that all volunteers be tested.

No volunteer shall be assigned to supervise or instruct students unless he/she has submitted evidence of an examination within the past 60 days to determine that he/she is free of active tuberculosis. Volunteers who test negative shall thereafter be required to take a tuberculosis test every four years in accordance with Education Code 49406. (Education Code 45106, 45347, 45349, 49406)

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Note: The following paragraph is optional pursuant to Education Code 49406.

The Superintendent or designee may exempt from tuberculosis testing requirements those volunteers who serve less than a school year and whose functions do not require frequent or prolonged contact with students. (Education Code 49406)

Note: See AR 5148.2 - Before/After School Programs for information about health screening and fingerprint clearance requirements for volunteers in the After School Education and Safety program and 21st Century Community Learning Center program pursuant to Education Code 8483.4 and 35021.3.

Volunteer Facilities Projects

Note: The following optional section should be revised to reflect district practice.

Pursuant to Labor Code 1720.4, volunteers are exempt from laws requiring workers employed in public works projects (e.g., construction and repair work) to be paid at least the general prevailing rate of per diem wages.

All volunteer facilities projects shall have approximate start and completion dates and shall be approved by the principal in advance. Projects also shall be approved in advance by the Superintendent or designee if they involve the following types of work:

1. Alterations, additions, or repairs to buildings and grounds
2. Construction involving wall or roof penetration, drilling, or nailing
3. Structural modifications

4. Electrical, electronic, plumbing, or heating and cooling work
5. Painting
6. Installation of carpet, playground equipment, benches, sprinkler systems, marquees or signs

SUMMER MEAL PROGRAM

Note: The following **optional** policy is for use by any district that has been approved by the California Department of Education (CDE) to serve as a program sponsor under the federally funded Seamless Summer Feeding Option (SSFO) or Summer Food Service Program (SFSP), pursuant to 42 USC 1761 (as amended by P.L. 111-80) and 7 CFR 225.1-225.20. Both programs are designed to provide meals to children in low-income communities during summer vacation; however, SSFO funding is available only to districts that also participate in the National School Lunch or Breakfast Program (42 USC 1751-1769, 1773).

Pursuant to 7 CFR 225.14, districts participating in SSFO or SFSP must make summer meals available to all children in the community, not just those enrolled in summer school. Districts that offer meals only to students enrolled in summer school and not to other children in the community are not eligible to receive reimbursements under SSFO or SFSP, but may continue to provide meals through the National School Lunch or Breakfast Program.

The Governing Board recognizes that child nutrition programs have a positive and direct impact upon children's well-being and achievement. To help students and other children in the community remain well nourished throughout the summer vacation, the district shall may sponsor a summer meal program as approved by the California Department of Education (CDE).

(cf. 3550 - Food Service/Child Nutrition Program)
(cf. 3553 - Free and Reduced Price Meals)
(cf. 5030 - Student Wellness)
(cf. 5141.27 - Food Allergies/Special Dietary Needs)

Note: The following **optional** paragraph is for use by districts that maintain one or more schools on a year-round schedule. Pursuant to 42 USC 1761, the SSFO and SFSP may provide meals at off-session/off-track times of the year for schools on a continuous school calendar. According to the CDE's Frequently Asked Questions, under the SSFO, schools on a year-round schedule may be approved to serve meals during breaks of at least 10 school days. For purposes of the SFSP, 7 CFR 225.2 defines a "continuous school year" as having vacation periods of 15 continuous school days or more during the period from October through April.

~~The district may apply to the CDE to provide meals to children during any extended break in a year-round school schedule. (42 USC 1761; 7 CFR 225.2, 225.6, 225.14)~~

~~*(cf. 6117 - Year-Round Schedules)*~~

~~Between October and April, or at any time or school on a year round schedule, the district may serve meals at a non-school site in cases of unanticipated school closures, such as a natural disaster, unscheduled major building repair, court order related to school safety or other issues, labor management dispute, or similar cause as approved by the CDE. (42 USC 1761; 7 CFR 225.6)~~

Note: Both the SSFO and SFSP contain criteria for choosing locations to operate a summer meal program; see the accompanying administrative regulation. Meal service must not begin prior to receiving CDE approval of the site.

SUMMER MEAL PROGRAM (continued)

The Superintendent or designee shall recommend to the Board one or more sites for meal services based on state and federal program criteria and an assessment of family and community needs. When feasible, the Superintendent or designee shall may involve local governmental agencies, food banks, and/or community organizations in identifying suitable site locations. The site(s) shall be approved the CDE before meal service is initiated.

Note: The following paragraph is optional. The U.S. Department of Agriculture's The Summer Food Service Program: Food That's In When School is Out, 2010 Administrative Guidance for Sponsors encourages sponsors to select sites or design programs to offer other organized activities that attract children to the summer meal program.

The summer meal program may be offered in conjunction with educational enrichment or recreational activities in order to encourage participation in other wellness and learning opportunities.

(cf. 5148 - Child Care and Development)
(cf. 5148.2 - Before/After School Programs)
(cf. 6142.7 - Physical Education and Activity)
(cf. 6177 - Summer School)

The Superintendent or designee shall may develop and coordinate outreach and promotional activities to inform parents/guardians and the community about the availability of the summer meal program and its location(s) and hours.

(cf. 1100 - Communication with the Public)
(cf. 1112 - Media Relations)
(cf. 1113 - District and School Web Sites)

Note: Districts participating in either the SSFO or SFSP must submit reimbursement claims through the CDE's online Child Nutrition Information and Payment System.

The Superintendent or designee shall maintain accurate records of all meals served and shall ensure the timely submission of reimbursement claims in accordance with state procedures.

(cf. 3551 - Food Service Operations/Cafeteria Fund)

The Superintendent or designee shall regularly report to the Board regarding program implementation, number of participants at each site, feedback from participating children and their parents/guardians regarding menus and service, and program costs. As needed, the

SUMMER MEAL PROGRAM (continued)

Board shall direct the Superintendent or designee to identify program modifications to increase program quality or children's access to meal services.

SUMMER MEAL PROGRAM

Note: The following optional administrative regulation is for use by any district that has been approved by the California Department of Education (CDE) to serve as a program sponsor under the federally funded Seamless Summer Feeding Option (SSFO) or Summer Food Service Program (SFSP), pursuant to 42 USC 1761 (as amended by P.L. 111-80) and 7 CFR 225.1-225.20. The district should select the section(s) below that correspond to the program(s) offered by the district.

Site Selection

Note: The following section is for use by districts that participate in either the SSFO or SFSP.

In identifying locations where summer meals may be provided, the Superintendent or designee shall document site eligibility according to the following criteria: (7 CFR 225.2, 225.15)

1. **Open Site:** The site provides meals to all children in the area and is located at a school or nonschool site within the geographical boundaries of a school attendance area where at least 50 percent of the children are eligible for free or reduced-price meals.

(cf. 3553 - Free and Reduced Price Meals)

2. **Restricted Open Site:** The site initially meets the criteria of an "open site," but the district must restrict or limit participation on a first-come, first-served basis due to security, safety, or control concerns.
3. **Closed Enrolled Site:** The site is open only to enrolled children, as opposed to the community at large, and at least 50 percent of the enrolled children at the site are eligible for free or reduced price school meals, as determined by approval of applications in accordance with 7 CFR 225.15(f).

Note: The following optional paragraph is for use by districts that offer meals during summer school session. 7 CFR 225.14 requires such districts to make summer meals available to all children in the community, not just those enrolled in summer school. Districts that offer meals only to students enrolled in summer school and not to other children in the community are not eligible to receive reimbursements under SSFO or SFSP, but may continue to provide meals through the National School Lunch or Breakfast Program (42 USC 1751-1769h, 1773; 7 CFR 210.1-210.31, 220.1-220.21).

Whenever the district offers the summer meal program at a site that provides summer school sessions, it shall ensure that the site is open to students enrolled in summer school and to all children residing in the area served by the site. (7 CFR 225.14)

(cf. 3555 - Nutrition Program Compliance)

(cf. 6177 - Summer School)

SUMMER MEAL PROGRAM (continued)

Meal Service

Note: The following section is for use by districts that participate in either the SSFO or SFSP. The district may revise the following paragraph to reflect meals provided by the district.

In accordance with the district's agreement with the California Department of Education (CDE), the summer meal program may offer breakfast, morning snack, lunch, afternoon snack, and/or supper. The program may provide up to two meals/snacks per day in any combination, except that lunch and supper shall not be provided by the same site on the same day. Sites that primarily serve children from migrant families may apply to serve up to three meals, or two meals and one snack, per day. All meals/snacks shall be provided within the time periods specified in 7 CFR 225.16. (42 USC 1761; 7 CFR 225.16)

(cf. 3551 - Food Service Operations/Cafeteria Fund)

(cf. 5030 - Student Wellness)

Meals provided through the district's summer meal program shall be available at no cost to: (42 USC 1761; 7 CFR 225.2)

1. Children age 18 or younger
2. Persons over age 18 who meet the CDE's definition of having a physical or mental disability and who are participating in a public or nonprofit private school program established for individuals with a disability

(cf. 6164.4 - Identification of Individuals for Special Education)

Note: The following paragraph is optional. The U.S. Department of Agriculture's (USDA) The Summer Food Service Program: Food That's In When School is Out, 2010 Administrative Guidance for Sponsors encourages sponsors to designate a site supervisor for each site, as specified below.

The Superintendent or designee shall designate a person at each participating site to serve as the program's site supervisor. The site supervisor shall oversee the order or preparation of meals, ensure the site is cleaned before and after the meal, and record the number of complete meals served to eligible children each day.

Additional Requirements for Seamless Summer Feeding Option

Note: In addition to the requirements in the "Site Selection" and "Meal Service" sections above, districts participating in SSFO are subject to the requirements in the following optional section. Districts that participate in SSFO also participate in the National School Lunch or Breakfast Program (42 USC 1751-1769, 1773) and have one agreement with the CDE for their entire food services operation.

SUMMER MEAL PROGRAM (continued)

All meals offered through the summer meal program shall meet menu planning requirements for the National School Lunch or Breakfast Program pursuant to 7 CFR 210.10 or 7 CFR 220.8. (42 USC 1761)

(cf. 3550 - Food Service/Child Nutrition Program)
(cf. 5141.27 - Food Allergies/Special Dietary Needs)

Note: The following optional paragraph should be revised to reflect district practice. As part of the application process, districts applying to participate in the SSFO and operate an open site are required to describe how each site will advertise the availability of meal services to children in the community. The CDE's web site specifies that districts must have a large banner or marquee demonstrating that the meal service is available to all children in the community. Additional sample outreach materials, including a flyer translated into multiple languages, a poster, and a template letter for web sites, are available through the CDE.

According to the CDE's Frequently Asked Questions, the district should maintain documentation, such as copies of advertisements, flyers, or radio or TV announcements, so that the advertising method can be confirmed during a CDE review.

Whenever the district operates an open site as defined in the section entitled "Site Selection" above, the Superintendent or designee shall advertise the availability of summer meal services to the neighborhood community. A large banner or marquee shall be prominently displayed at each site before and during the meal service. Other outreach strategies may include, but are not limited to, sending a news release to the local media, distributing a flyer to parents/guardians of district students, posting information on the district or school web site, and placing posters throughout the community.

(cf. 1100 - Communication with the Public)
(cf. 1112 - Media Relations)
(cf. 1113 - District and School Web Sites)

Note: Meals provided through the SSFO are reimbursed at the same rate applicable to free meals served through the National School Lunch or Breakfast Program. Reimbursement claims for meals served through the SSFO must be submitted through the CDE's online Child Nutrition Information and Payment System as part of the district's National School Lunch or Breakfast Program claim.

At the point of service, on-site staff shall count the number of eligible meals served. Reimbursement claims shall be submitted using the same procedure used during the school year for the National School Lunch or Breakfast Program.

Note: According to the USDA's National School Lunch Program's Seamless Summer Option Questions and Answers, each SSFO site must be locally reviewed at least once each year unless this requirement is waived by the CDE. The site monitoring review should be completed using a form available from the CDE. State review of local SSFO programs occurs every five years during the CDE's Coordinated Review Effort process.

SUMMER MEAL PROGRAM (continued)

Each year the Superintendent or designee shall conduct at least one review of each site to ensure its compliance with meal counting, claiming, menu planning, and food safety requirements. For newly established sites, such reviews shall be conducted within three weeks of the start of operation.

Additional Requirements for Summer Food Service Program

Note: In addition to the requirements in the "Site Selection" and "Meal Service" sections above, districts participating in SFSP are subject to the requirements in the following optional section. The SFSP requires annual approval of the program from the CDE.

The district shall annually submit to the CDE a program application and budget for anticipated operational and administrative costs.

Note: 7 CFR 225.15 requires districts that sponsor open sites, as defined in item #1 in the section entitled "Site Selection" above, to send a notice to the media publicizing the availability of the program. A sample news release is available in the USDA's [The Summer Food Service Program: Food That's In When School is Out, 2010 Administrative Guidance for Sponsors](#).

The Superintendent or designee shall annually send a notice to the media serving the area from which the district draws its attendance regarding the availability of free meals. (7 CFR 225.15)

(cf. 1112 - Media Relations)

Note: According to the USDA's [2010 Administrative Guidance for Sponsors](#), in addition to the media notice described above, the district is required to take the actions specified in items #1-4 below to inform the community about the program.

In addition, the district and each open site shall:

1. Make program information available to the public upon request
2. Make reasonable efforts to provide information in the appropriate translation concerning the availability and nutritional benefits of the program
3. Display, in a prominent place at the site and in the district office, the nondiscrimination poster developed or approved by the U.S. Department of Agriculture's Food and Nutrition Service
4. Include the nondiscrimination statement and instructions for filing a complaint in the public release and in any program information directed to parents/guardians of participants and potential participants

SUMMER MEAL PROGRAM (continued)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 1100 - Communication with the Public)

(cf. 1113 - District and School Web Sites)

Note: CDE Management Bulletin USDA-SFSP-06-2008 states that sponsors of open sites are also required to post signage as provided in item #5 below.

5. Post signage, such as a banner, marquee, poster, or other large display on the exterior of the building facing the street nearest the entrance of the meal service area at each site, before the meal service begins and throughout the service time

All meals offered through the summer meal program shall meet U.S. Department of Agriculture minimum meal patterns as specified in 7 CFR 225.16 or the meal patterns required for the National School Lunch and Breakfast Programs. (42 USC 1761; 7 CFR 225.16)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 5141.27 - Food Allergies/Special Dietary Needs)

The Superintendent or designee shall submit to the CDE monthly reimbursement claims based on the number of eligible meals served.

Note: 42 USC 1761 and 7 CFR 225.15 and 225.7 require the district to provide training for program administrative and site personnel as provided below. In addition, administrative personnel must participate in mandatory training conducted by the CDE each year before the CDE will approve the SFSP agreement.

Program administrative personnel shall annually attend mandatory training provided by the CDE. In addition, the Superintendent or designee shall annually hold program training sessions for administrative and site personnel and shall allow no site to operate until personnel have attended at least one of these training sessions. Training of site personnel shall include, but not be limited to, the purpose of the program, site eligibility, record keeping, site operations, meal pattern requirements, and the duties of a program monitor. NUTRITION PROGRAM COMPLIANCE

Note: The following policy is mandated for any district that receives federal financial assistance for its participation in the National School Lunch Program, School Breakfast Program, Special Milk Program, or other child nutrition programs. Districts that do not receive any such financial assistance may delete this policy.

State and federal law prohibit discrimination in such programs. Title VI of the Civil Rights Act of 1964 (42 USC 2000d-2000d-7) prohibits discrimination on the basis of race, color, and national origin. Title IX (20 USC 1681-1688) prohibits discrimination on the basis of sex. The Americans with Disabilities Act (ADA) (42 USC 12101-12213) and Section 504 of the Vocational Rehabilitation Act of 1973 (29 USC 794) prohibit discrimination on the basis of disability. Education Code 220 prohibits discrimination on all those bases and, in addition, on the basis of sexual orientation in all programs and activities in public schools. The U.S. Department of Agriculture, Food and Nutrition Service (FNS) has authority to enforce federal laws in all nutrition programs and activities that receive federal funds. The California Department of Education (CDE) may also investigate complaints regarding discrimination through the Uniform Complaint Procedure, see BP/AR 1312.3 - Uniform Complaint Procedures.

The Governing Board recognizes the district's responsibility to comply with state and federal nondiscrimination laws as they apply to the district's nutrition programs. The district shall not deny any individual the benefits or service of any nutrition program or discriminate against him/her because of his/her race, color, national origin, gender, sex, sexual orientation, disability, or any other basis prohibited by law, in its implementation of such a program.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 3552 - Summer Meal Program)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 5030 - Student Wellness)

Coordinator

Note: In March 2010, CDE's Nutrition Services Division published its Civil Rights and Complaint Procedures for Child Nutrition Programs to provide guidance and directions to enable districts comply with federal law. The publication was based on FNS's Civil Rights Compliance and Enforcement - Nutrition Programs and Activities, FNS Instruction 113-1, issued in 2005. Both documents provide for the appointment of a civil rights coordinator to be responsible for ensuring district compliance with all the requirements.

The Board designates the compliance officer specified in AR 1312.3 - Uniform Complaint Procedures as coordinator of the district's efforts to comply with the laws governing its nutrition programs and to investigate any related complaints. Any complaint concerning the district's nutrition programs shall be investigated using the process identified in the section entitled "Procedures" in the district's AR 1312.3 - Uniform Complaint Procedures.

(cf. 1312.3 - Uniform Complaint Procedures)

NUTRITION PROGRAM COMPLIANCE (continued)

The coordinator shall provide training on the laws, regulations, procedures, and directives related to the district's nutrition programs to district employees involved in administering them. The coordinator also shall develop procedures and systems that do not restrict the participation of individuals in the district's nutrition programs, based on their race, ethnicity, or disability, and that prevent district employees from incorrectly denying the applications for participation submitted by such individuals.

The coordinator shall develop and maintain a system for collecting racial and ethnic data of participants in the district's nutrition programs and shall, at least annually, report to the Board on whether the district's nutrition programs are effectively reaching eligible individuals and whether and where additional outreach may be needed.

(cf. 5022 - Students and Family Privacy Rights)
(cf. 5125 - Student Records)

When a significant number of participants or potential participants in the district's nutrition programs are only non-English speakers, the coordinator shall make an appropriate language translation available.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)
(cf. 6174 - English Language Learners)

The coordinator also shall ensure that the district's nutrition programs accommodate the special dietary needs of any individual with a disability who has on file a medical statement that restricts his/her diet because of his/her disability.

(cf. 5141.27 - Food Allergies/Special Dietary Needs)
(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)

Notifications

The coordinator shall ensure that the U.S. Department of Agriculture's "And Justice for All" or other approved Nutrition Programs Civil Rights posters are displayed in areas visible to the district's nutrition program participants, such as food service areas and school offices.

Annually, the coordinator shall notify all students, parents/guardians, and employees of program requirements and the procedures for filing a complaint, through the district's usual means of notification.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)
(cf. 5145.6 - Parental Notifications)

NUTRITION PROGRAM COMPLIANCE (continued)

Note: As part of its instructions to all recipients of federal funds, FNS requires that every program publication contain information about that recipient's status as an equal opportunity provider and the address of the agency with responsibility to handle complaints made against the recipient. FNS provides specific language for the notification and prohibits its modification in any way.

In addition, the coordinator shall ensure that every informational release, publication, or poster concerning the district's nutrition programs and/or activities includes, in a prominent location, the following statement:

"In accordance with federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, religion, political beliefs, or disability. In addition, California law prohibits discrimination on any basis identified in Government Code 12940.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer."

However, if the document is no more than one page and there is no room to print the full nondiscrimination statement, the district may instead use the statement "This institution is an equal opportunity provider" in the same print size as the rest of the text.

When a complaint is unresolved at the district level, the coordinator shall notify the complainant of the option to contact and/or forward his/her complaint to one of the following agencies:

1. Child Nutrition Program Civil Rights and Program Complaint Coordinator, California Department of Education, Nutrition Services Division, 1430 N Street, Room 1500, Sacramento, CA 95814-2342 or call 916-445-0850 or 800-952-5609

MAINTENANCE OF CRIMINAL OFFENDER RECORDS

Note: Pursuant to law, school districts are prohibited from hiring, and/or retaining in employment, individuals who have been convicted of certain criminal offenses. For example, Education Code 44830.1 and 45122.1 prohibit the hiring of persons who have been convicted of violent or serious felonies. To ensure that no prohibited individual is hired, districts carry out criminal background checks on prospective employees through the state Department of Justice (DOJ). Education Code 44830.1 and 45125 require that information received from the DOJ be maintained in accordance with the confidentiality provisions outlined in the following optional administrative regulation. This regulation also contains recommendations from the DOJ's sample policy on Criminal Offender Record Information (CORI) for use by employers.

The Superintendent or designee shall ensure that criminal record background checks on employees or prospective employees are conducted through the Department of Justice (DOJ) and that any Criminal Offender Record Information (CORI) received is maintained in accordance with law.

(cf. 1240 - Volunteer Assistance)
(cf. 3515.6 - Criminal Background Checks for Contractors)
(cf. 4112.5/4312.5 - Criminal Record Check)
(cf. 4112.6/4212.6/4312.6 - Personnel Records)
(cf. 4212.5 - Criminal Record Check)

To ensure its confidentiality, CORI shall be accessible only to the custodian of records and shall be kept in a locked file separate from other files. CORI shall be used only for the purpose for which it is requested and its contents shall not be disclosed or reproduced. (Education Code 44830.1, 45125)

Once a hiring determination is made, the records shall be destroyed to the extent that the identity of the individual can no longer be reasonably ascertained. (Education Code 44830.1, 45125; 11 CCR 708)

Any unauthorized release or reproduction of any criminal offender record or other violation of this administrative regulation may result in suspension, dismissal, and/or criminal or civil legal action.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

Custodian of Records

Note: SB 447 (Ch. 50, Statutes of 2009) added Penal Code 11102.2 which requires the district to designate a custodian of records and to annually notify the DOJ of the identity of the custodian. In addition, Penal Code 11102.2 requires that, effective July 1, 2011, any person designated as a custodian of records must himself/herself receive criminal record background clearance to be eligible to serve in that capacity. The following optional section specifies the formalities for designating a custodian of records and some of the duties of anyone so designated.

AR 4112.62(b)
4212.62

MAINTENANCE OF CRIMINAL OFFENDER RECORDS (continued)

The Superintendent shall designate an employee as custodian of records. Beginning July 1, 2011, any employee designated as custodian of records shall receive a criminal background check clearance from the DOJ prior to serving in that capacity. (Penal Code 11102.2)

Note: The DOJ requires every person with access to CORI, including the custodian of records, to complete an Employee Statement Form acknowledging an understanding of the law governing CORI. The custodian of records is required to return his/her own form to the DOJ and to retain any forms completed by other district staff. The Employee Statement Form is reproduced in E 4112.62/4212.62/4312.62.

The custodian of records shall sign and return to the DOJ the Employee Statement Form acknowledging an understanding of the laws prohibiting misuse of CORI. In addition, the custodian of records shall ensure that any individual with access to CORI has on file a signed Employee Statement Form.

The custodian of records shall be responsible for the security, storage, dissemination, and destruction of all CORI furnished to the district. He/she also shall serve as the primary contact for the DOJ for any related issues. (Penal Code 11102.2)

By March 1, 2012, and by March 1 of every year thereafter, the Superintendent or designee shall notify the DOJ of the district's designated custodian of records. In addition, the Superintendent or designee shall immediately notify the DOJ whenever a designated custodian of records ceases to serve in that capacity. (Penal Code 11102.2)

Interagency Agreements

Note: Education Code 44830.2 and 45125.01 allow districts to enter into an agreement with other school districts within the same county, or in contiguous counties, to share the criminal record information of applicants or temporary/substitute employees in those school districts. One of the participating districts or the County Superintendent of Schools may be designated to act on behalf of the participating districts. The designated district or County Superintendent will send the fingerprints to DOJ for processing, receive and review the criminal history information from the DOJ, and maintain common lists of persons eligible for employment. Pursuant to Education Code 45125.01, as amended by AB 346 (Ch. 52, Statutes of 2010), any district that participates in such an interagency agreement may use this arrangement to conduct criminal background checks for a noncertificated candidate for a paid or volunteer position in a student activity program pursuant to Education Code 49024; see BP/AR 1240 - Volunteer Assistance and BP/AR 4127/4227/4327 - Temporary Athletic Team Coaches.

The following **optional** section is for use by districts designated to receive information on behalf of other districts.

The district shall submit an interagency agreement to the DOJ to establish authorization to submit and receive CORI on behalf of all participating districts. (Education Code 44830.2, 45125.01)

MAINTENANCE OF CRIMINAL OFFENDER RECORDS (continued)

Upon receipt from the DOJ of a report of conviction of a serious or violent felony, the district shall communicate that fact to participating districts and shall remove the affected employee from the common list of persons eligible for employment. (Education Code 44830.2, 45125.01)

In addition, upon receipt from the DOJ of a criminal history record or report of subsequent arrest for any person on a common list of persons eligible for employment, the district shall give notice to the superintendent of any participating district, or the person designated in writing by that superintendent, that the report is available for inspection on a confidential basis by the superintendent or the authorized designee. The report shall be made available at the district office for 30 days following the receipt of the notice. (Education Code 44830.2, 45125.01)

The district shall not release a copy of that information to any participating district or any other person. In addition, the district shall retain or dispose of the information in the manner specified in law and in this administrative regulation after all participating districts have had an opportunity to inspect it in accordance with law. (Education Code 44830.2, 45125.01)

The district shall maintain a record of all persons to whom the information has been shown. This record shall be available to the DOJ. (Education Code 44830.2, 45125.01)

TEMPORARY ATHLETIC TEAM COACHES

The Governing Board desires to employ highly qualified coaches for the district's sports and interscholastic athletic programs in order to enhance the knowledge, skills, motivation, and safety of student athletes.

(cf. 6142.7 - Physical Education and Activity)
(cf. 6145.2 - Athletic Competition)

The Superintendent or designee may employ a certificated or noncertificated employee, other than a substitute employee, to supervise or instruct interscholastic athletic activities as a temporary employee in a limited assignment capacity. (5 CCR 5590)

(cf. 4121 - Temporary/Substitute Personnel)

Note: When hiring a temporary athletic team coach, Education Code 44919 requires districts to first make the position available to a credentialed teacher presently employed by the district. In CTA v. Rialto Unified School District, the California Supreme Court held that the law is intended to grant a current certificated employee a limited advantage in the hiring process over a noncertificated employee or a nonemployee, provided that the applicant applies for the position and meets qualification criteria established by the district.

When hiring a person to fill a position as a temporary athletic team coach, the position shall first be made available to qualified certificated teachers currently employed by the district. (Education Code 44919)

Note: 5 CCR 5596 specifies a code of ethical conduct for athletic coaches; see the accompanying administrative regulation. In addition, the California Interscholastic Federation has adopted a set of principles to guide the conduct of coaches and other participants in interscholastic athletic competitions; see BP 6145.2 - Athletic Competition.

All coaches shall be subject to Board policies, administrative regulations, and California Interscholastic Federation bylaws and codes of ethical conduct.

Note: 5 CCR 5593 establishes the minimum qualifications for employees serving as temporary athletic team coaches; see the accompanying administrative regulation.

TEMPORARY ATHLETIC TEAM COACHES (continued)

The Superintendent or designee shall establish qualification criteria for all athletic coaches in accordance with law and district standards. These criteria shall ensure that coaches possess an appropriate level of competence, knowledge, and skill.

Note: Effective July 9, 2010, AB 346 (Ch. 52, Statutes of 2010) amended Education Code 49024 to require any noncertificated employee or any volunteer who works with students in a district-sponsored student activity program such as an interscholastic athletic program to obtain an Activity Supervisor Clearance Certificate (ASCC) from the Commission on Teacher Credentialing, unless the district requires the candidate to clear a Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) criminal background check prior to beginning the paid or volunteer duties; see BP/AR 1240 - Volunteer Assistance. This legislation was introduced in response to legislation passed in 2009 (AB 1025, Ch. 379, Statutes of 2009) which had required noncertificated personnel or volunteers who "supervise, direct, or coach the activity" to obtain an ASCC.

Thus, the Governing Board may choose whether to require a temporary athletic team coach to obtain the ASCC (Option 1 below) and/or to obtain a DOJ/FBI criminal background check (Option 2 below). The Board may select either one of the options below, combine them to allow an individual to obtain either the ASCC or DOJ/FBI check at the individual's discretion, or to apply different requirements to different positions in the district (e.g., head coaches vs. assistant coaches; employees vs. volunteers).

In addition, AB 346 amended Education Code 45125.01 to allow multiple districts within a county or within contiguous counties to share criminal record information of noncertificated employees and volunteers working in a student activity program; see AR 4112.62/4212.62/4312.62 - Maintenance of Criminal Offender Records.

OPTION 1: Any noncertificated employee or volunteer who works with students in a district-sponsored interscholastic athletic program shall, prior to beginning his/her duties, possess an Activity Supervisor Clearance Certificate issued by the Commission on Teacher Credentialing. (Education Code 49024)

An individual who obtained both a Department of Justice and Federal Bureau of Investigation criminal background clearance through the district prior to July 9, 2010 shall have satisfied this requirement. (Education Code 49024)

~~**OPTION 2:** Any noncertificated employee or volunteer who works with students in a district sponsored interscholastic athletic program shall, prior to beginning his/her duties, obtain a Department of Justice and Federal Bureau of Investigation criminal background check through the district. (Education Code 49024)~~

~~An individual who possesses a current Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing, issued prior to July 9, 2010, shall have satisfied district requirements for the criminal background check. (Education Code 49024)~~

In addition, AB 346 amended Education Code 45125.01 to allow multiple districts within a county or within contiguous counties to share criminal record information of noncertificated employees and volunteers working in a student activity program; see AR 4112.62/4212.62/4312.62 - Maintenance of Criminal Offender Records.

TEMPORARY ATHLETIC TEAM COACHES (continued)

Each high school athletic team coach or volunteer coach shall complete, at his/her expense, a coaching education program that meets the standards developed by the CIF. A high school coach who has completed the education program in another California school district shall be deemed to have met the requirement for this district. (Education Code 49032)

**Regulation CENTER UNIFIED SCHOOL DISTRICT
approved: September 24, 1997 Antelope, California**

PERSONAL ILLNESS/INJURY LEAVE

Note: The following administrative regulation is subject to collective bargaining and may be deleted by those districts whose agreement fully covers the leave provisions specified below.

Ten days of sick leave per year is the minimum prescribed by Education Code 44978 for certificated employees. The Governing Board may allow additional days at its discretion; if it does so, the following paragraph should be revised accordingly.

Full-time certificated employees are entitled to 10 days leave of absence for personal illness or injury (sick leave) per school year, with full pay. Employees working less than five school days per week shall be granted comparable sick leave in proportion to the time they work. (Education Code 44978)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

Note: The following paragraph is optional.

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination of service.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

Note: The following optional paragraph may be revised to reflect district practice.

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

Any certificated employee who leaves the district after at least one school year of employment and accepts a certificated position in another district, county office of education, or community college district within one year shall have transferred with him/her the total amount of accumulated sick leave. The district shall not require new employees to waive leave accumulated in a previous district. (Education Code 44979, 44980)

Sick leave may be used by a certificated employee for absences due to:

1. Temporary inability to perform his/her duties because of illness, accident, or quarantine, whether or not the cause of the absence arises out of and in the course of employment (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

PERSONAL ILLNESS/INJURY LEAVE (continued)

2. Pregnancy, miscarriage, childbirth, and recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

Note: Optional item #4 below may be revised as desired to specify a different minimum increment for sick leave.

4. Medical and dental appointments, in increments of not less than one hour

5. Industrial accidents or illnesses when leave granted specifically for that purpose has been exhausted (Education Code 44984)

(cf. 4161.11/4361.11 - Industrial Accident/Illness Leave)

Note: Pursuant to Labor Code 233, any employer who provides sick leave for employees must permit them to use sick leave in any calendar year to attend to the illness of their child, parent, spouse, domestic partner, or domestic partner's child, in an amount not less than the sick leave that would be accrued during six months at the employee's then current rate of entitlement (e.g., five days accrued during six months for full-time certificated employees, unless the district has established an amount that is higher than the legal minimum). Certificated employees also may use personal necessity leave for the serious illness of a member of the employee's immediate family pursuant to Education Code 44981; see AR 4161.2/4261.2/4361.2 - Personal Leaves. Districts are cautioned to consult legal counsel regarding possible interaction of sick leave and personal necessity leave provisions in the Education Code and Labor Code.

6. Illness of the employee's child, parent, spouse, registered domestic partner, or domestic partner's child in an amount not less than the sick leave that would be accrued by the employee during six months at his/her then current rate of entitlement (Labor Code 233)

Note: The following optional paragraph may be revised to reflect district practice.

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than 3 p.m. of the day preceding the day on which he/she intends to return to work. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

PERSONAL ILLNESS/INJURY LEAVE (continued)

Continued Absence After Available Sick Leave Is Exhausted

Note: Pursuant to Education Code 44977, an employee who is absent for up to five months after exhausting all his/her available sick leave must receive his/her regular salary minus the cost of a substitute. Option 1 below reflects this requirement.

However, Education Code 44983 provides that Education Code 44977 does not apply to those districts that adopt a rule that gives certificated employees 50 percent or more of their regular salary during the period of absence. Option 2 below is for use by districts that choose to specify such a level of compensation; these districts are mandated to adopt a rule to this effect.

OPTION 1:

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent from his/her duties for an additional period up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

Note: In Veguez v. Long Beach Unified School District, the court held that an employee is not entitled to more than a total of five months of differential pay "per illness or accident," even if the employee works for a period of time between sick leave increments related to the same medical condition.

An employee shall not be provided more than one five-month period per illness or injury. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

OPTION 2:

Note: Option 2 below is mandated for use by districts that choose to provide employees at least 50 percent of their regular salary during the period of absence pursuant to Education Code 44983. The following paragraph specifies a percentage of 50 percent and should be modified by districts that have set a higher percentage.

~~After a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent for an additional period up to five months, he/she shall receive 50 percent of his/her regular salary during the five-month period of absence.~~

Note: The following paragraph is for use by districts that selected either Option 1 or Option 2.

PERSONAL ILLNESS/INJURY LEAVE (continued)

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Note: When an employee is absent for a period of more than five months, or is absent for a cause other than illness, Education Code 44977 and 44983 provide that the amount deducted from his/her salary shall be determined according to the rules and regulations adopted by the Board as long as such rules are not in conflict with State Board of Education regulations. If not covered in the district's negotiated agreement, the district may add provisions here reflecting salary deductions for employees absent longer than five months.

Verification Requirements

Note: Education Code 44978 mandates the Board to adopt regulations requiring proof of illness or injury and prescribing the means of verification. However, Education Code 44978 provides that these regulations shall not discriminate against evidence of treatment and the need for treatment by the practice of a well-recognized religion. For verification requirements for employees on leave pursuant to the Family and Medical Leave Act, see AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave.

The following section should be modified to reflect district practice and any procedures which have been specified in negotiated agreements.

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or other authorized health care provider. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

Note: 42 USC 2000ff-1, the Genetic Information Nondiscrimination Act (P.L. 110-233), specifies that it is unlawful for a district to request, require, or purchase an employee's or his/her family member's individual genetic information except in complying with the medical certification requirements for family care and medical leave purposes or with the employee's prior, knowing, voluntary, and written authorization. See AR 4161.8/4261.8/4361.8 - Family Care and Medical Leave. Any such information received by the district must be kept confidential.

PERSONAL ILLNESS/INJURY LEAVE (continued)

The Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.

Administrative Regulation

Personal Illness Injury Leave

AR 4161.1 4361.1

Personnel

Full-time certificated employees are entitled to 10 days leave of absence for personal illness or injury (sick leave) per school year, with full pay. Employees working less than five days per week shall be granted comparable sick leave in proportion to the time they work. (Education Code 44978)

(cf. 4161/4261 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

(cf. 4361 - Leaves)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

Any certificated employee who leaves the district after at least one year of employment and accepts a certificated position in another district, county office of education or community college district within one year shall have transferred with him/her the total amount of accumulated sick leave. The district may not require new employees to waive their leave accumulated in a previous district. (Education Code 44979, 44980)

Sick leave may be used by certificated employees for:

1. Cases of temporary inability to perform duties because of illness, accident or quarantine, whether or not the cause of absence arises out of and in the course of employment (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Absences due to pregnancy, miscarriage, childbirth and recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Cases of personal necessity (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour
5. Cases of industrial accidents or illnesses when leave granted specifically for that purpose has expired (Education Code 44984)

(cf. 4161.11/4361.11 - Industrial Accident/Illness Leave)

6. Illness of the employee's child, parent or spouse, up to the amount of sick leave that would be accrued during six months (Labor Code 233)

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than 3 p.m. of the day preceding the day on which he/she intends to return to work. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Sick Leave Beyond 10 Days

When a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his/her duties due to illness or accident for an additional period up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that might have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

The sick leave, including accumulated sick leave, and the five-month period shall run consecutively. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

After five months, if a certificated employee has exhausted all available sick leave and is not medically able to resume his/her duties, the employee shall be placed either in another position or on a reemployment list. If the employee is on probationary status, he/she shall be placed on the reemployment list for 24 months beginning at the expiration

of the five-month period provided pursuant to Education Code 44977; if on permanent status, the employee shall be placed on the reemployment list for 39 months. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district and at district expense in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis for when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)
