ORGANIZATION REPORTS

1. CUTA - Venessa Mason, President, was not available to report. Amy Chaney noted that Venessa Mason and Heather Woods are both out of town so she has stepped in to represent CUTA. She acknowledged Mr. Allaman on behalf of CUTA. She thanked the Board and district for the vacation time and noted that they will see them in August.
2. CSEA - Marie Huggins, President, noted that there was nothing to report.

Trustee Pope thanked Mrs. Huggins for her positive influence within the district and for having a great communication with Mr. Loehr and the positivity between the two of them.

COMMENTS FROM THE AUDIENCE REGARDING ITEMS NOT ON THE AGENDA –

Marc Allaman, teacher at CHS, thanked the board for renewing his contract for 33 years and for the wonderful experience. He thanked Mr. Loehr for his outstanding leadership and Mr. Jordan as well. He also thanked Jeanne Bess, Carol Hunt, Craig Deason, and David Grimes for doing a great job helping run a great district. He thanked the district for the opportunity to work with great professionals - at the district level, the board level, the staff level; it's been a good ride. Trustee Pope thanked Mr. Allaman. Trustee Anderson noted that he is going to be missed. She noted that he has been a positive presence and always been a ray of sunshine when she has been around. Trustee Wilson noted that he would want to invite him back. He noted that there are only 2 teachers left that were there when Trustee Wilson attended Center High School. Trustee Hunt thanked Mr. Allaman for being one of those core people that built Center High School long, long ago. He noted that Mr. Allaman's high moral standards and personality have added so much to the school and district.

BOARD/SUPERINTENDENT REPORTS

Mrs. Kelley

- noted that graduations were awesome this year.

Mr. Wilson

- noted that he liked the graduations.
- noted that Jeanne Bess' retiring is a huge loss to this district. He noted that he doesn't care whom we get to replace her, maybe his feelings will change, and maybe we will find somebody of her quality and caliber. He noted that she has made him feel so comfortable in his position. Over the last few years he has been able to come to her office to discuss line items in the budget. She has been someone that he could trust that could build a budget that's going to do this district well. He apologized for not telling her more in the past, but noted that there is no one he would want in this position but her. He noted that he knows he can trust her. He felt comfortable to approve a budget based on her word because he has sat down with her to discuss it. He knows the work that she has put into it. He noted that we don't have a candidate yet so this is not against anyone in particular, but nowadays people are so lazy he doesn't trust anybody else to do the job that she has done. He noted that he will miss her dearly.

Jeanne Bess thanked him; noting that it's like putting the "cherry on top" of her retirement.

Mrs. Anderson

- watched the high school graduation online.
- noted that in the past, a lot of the district problems evolved around the budget and feeling like they were being lied to. She noted that Jeanne has done a good job from day one in that position.

Mrs. Kelley

- noted that this district has a great reputation as a result of Jeanne's honesty and integrity.

Mrs. Pope

- noted that the auditors had wonderful things to say about Jeanne Bess.
- attended McClellan High School's Senior dinner.
- wished everyone a happy summer.

Mr. Hunt – had nothing to report.

BOARD/SUPERINTENDENT REPORTS (continued)

Mr. Loehr

- noted that the gym at CHS is being repainted, they are redoing the floors, getting 2 new score boards, etc.
- noted that three new televisions have been installed in the theater.
- wished everyone a happy summer.

RECOMMENDATION: CJUSD Board of Trustees ratify the 2016-2017 Legal Services Fees with Atkinson, Andelson, Loya, Ruud & Romo, Attorneys at Law.

CONSENT AGENDA

AGREEMENT FOR SPECIAL SERVICES

I. PARTIES

This Agreement for Special Services ("Agreement") is entered into by and between the law firm of ATKINSON, ANDELSON, LOYA, RUUD & ROMO, a professional corporation, hereinafter referred to as the "Law Firm" and, CENTER JOINT UNIFIED SCHOOL DISTRICT, hereinafter referred to as "District."

| | |
|--|---------|
| A full day of training (up to 8 hours) | \$4,500 |
| A half day of training (up to 4 hours) | \$3,000 |
| A two hour training | \$2,500 |
| A one hour training | \$1,750 |

The Law Firm may modify legal services rates effective July 1st of any year by providing at least thirty (30) days' written notice to District; however, should District object in writing to the modified rates within the thirty (30) day period, no change will be made until the rate is mutually agreed to by the parties.

3. Fee Arrangements for Specialized Legal Services

For specialized litigation and transactional services in the areas of construction, procurement, technology, prevailing wage, real property, CEQA, mitigation negotiations, school and college finance, tax, bankruptcy, copyright, non-profit organizations, immigration and appellate law, the District agrees to pay Law Firm at rates higher than the standard hourly rates for special projects or particular scopes of work. Costs relating to fees charged by third parties retained to perform services ancillary to the Law Firm's representation of District are not included in the administrative fee and are charged separately. These include, but are not limited to, deposition and court reporter fees, transcript costs, witness fees (including expert witnesses), process server fees, and other similar third party fees. The Law Firm shall not be obligated to advance costs on behalf of the District; however, for purposes of convenience and in order to expedite matters, the Law Firm reserves the right to advance costs on behalf of the District with the prior approval of the Superintendent or designee in the event a particular cost item exceeds \$2,000.00 in amount, and without the prior approval of the Superintendent or designee in the event a particular cost item totals \$2,000.00 or less.

If the Law Firm retains, with authorization from the District, experts or outside consultants for the benefit of the District, rather than the District contracting directly with any expert or outside consultant, the District agrees to pay a five percent (5%) "consultant processing fee" in addition to the actual costs paid by the Law Firm to the expert or outside consultant in order to offset related costs to the Law Firm resulting from administering and initially paying such expert and outside consultant fees on behalf of the District. This fee shall not apply to the services of Law Firm-provided non-legal consultants as set forth in paragraph F., below.

B. Billing Practices

1. A detailed description of the work performed and the costs and expenses advanced by the Law Firm will be prepared on a monthly basis as of the last day of the month and will be mailed to the District on or about the 15th of the following month, unless other arrangements are made. Payment of the full amount due, as reflected on the monthly statement,

will be due to the Law Firm from the District by the 10th of the month following delivery of the statement, unless other arrangements are made. In the event that there are funds of the District in the Law Firm's Trust Account at the time a monthly billing statement is prepared, funds will be transferred from the Law Firm's Trust Account to the Law Firm's General Account to the extent of the balance due on the monthly statement and a credit will be reflected on the monthly statement. Any balance of fees or costs advanced remaining unpaid for a period of 30 days will be subject to a 1% per month service charge.

2. The Law Firm shall bill in one-quarter hour increments.

3. Certain tasks shall be billed at established minimum time increments. These include: (a) telephone conference (.25 hour), (b) electronic correspondence (.25 hour), (c) standard written correspondence (.50 hour), (d) provide a document (.50 hour)

4. The Law Firm may charge the full hourly rate to more than one client for services provided concurrently during the same time period. For example, in the course of traveling to the District or while providing legal services at the District, it may be necessary for the Law Firm to provide billable services to other clients.

5. District agrees to review the Law Firm's monthly statements promptly upon receipt and to notify the Law Firm, in writing, with respect to any disagreement with the monthly statement. Failure to communicate written disagreement with the Law Firm's monthly statement within thirty (30) days of the District's receipt thereof shall be deemed to signify the District's agreement that the monthly billing statement accurately reflects the services performed; and the proper charge for those services.

C. Termination of Representation on a Particular Matter

The Law Firm reserves the right to discontinue the performance of legal services on behalf of the District on a particular matter upon the occurrence of any one or more of the following events:

1. Upon order of a court of law requiring the Law Firm to discontinue the performance of legal services;

2. Upon a determination by the Law Firm in the exercise of its reasonable and sole discretion, that state or federal legal ethical principles require it to discontinue the performance of legal services;

3. Upon a failure of the District to perform any of the District's obligations with respect to the payment of the Law Firm's fees, costs or expenses as reflected on the monthly bill;

4. Upon a failure of the District to perform any of the District's obligations with respect to the duty of cooperation with the Law Firm in connection with the Law Firm's representation of the District.

In the event that the Law Firm ceases to perform services for the District on a matter, the District agrees that it will promptly pay to the Law Firm any and all unpaid fees and costs

advanced, and retrieve all of its files, signing a receipt therefor. Further, the District agrees that, with respect to any litigation where the Law Firm has made an appearance in a court of law on its behalf, the District will promptly execute an appropriate Substitution of Attorney form. Any termination of Law Firm's representation on such a matter may be subject to approval by the applicable court of law.

D. Consent to Joint Representation

The District acknowledges that from time to time Law Firm may be asked to perform legal services on a matter affecting two or more public education local agencies. In such situations before proceeding with representation, Law Firm shall seek separate written consent to joint representation from all involved parties if permissible according to ethical principles applicable to attorneys. The District acknowledges that it is often in the best interest of the District for such representation to commence without undue delay which may result from waiting until a regularly-scheduled Board meeting. Therefore, pursuant to Education Code section 7, the Governing Board of the District hereby delegates to the Superintendent or designee authority to consent to joint representation in the circumstances described in this paragraph.

E. Client Cooperation

The District agrees to fully cooperate with the Law Firm in connection with the Law Firm's representation of the District, including but not limited to, attending mandatory court hearings and other appearances, making its employees and officials available, and providing accurate information documentation necessary to enable the Law Firm to adequately represent the District.

F. Services performed by Law Firm-provided Non-legal Consultants

The Law Firm has an affiliation with non-legal consultants who are available to provide services in areas including, but not limited to, personnel/business office audits, human resources/collective bargaining consultation, special education consultation, public/employee relations surveys and communications, media and public relations, budget analysis/support services, instructional coaching/counseling at school improvement sites, leadership coaching, board/superintendent relations and best practices, and interim management placement.

Because the Law Firm has a financial interest in the District's use of these affiliated non-legal consultants, the rules of the State Bar of California require that the District provide its informed written consent to this arrangement to prior to utilizing these services. Execution of this Agreement shall be deemed "informed consent" for the purpose of this paragraph. The District is hereby advised that it may seek the advice of an independent attorney of your choice prior to providing such written consent.

Please also be advised that because the services of these non-legal consultants are provided to the District outside of the attorney-client relationship, communications with these non-legal consultants will not be protected from disclosure by the attorney-client privilege.

G. Consent to Law Firm Communication

As part of our commitment to client service, the Law Firm will send the District periodic alerts on case developments and legislative changes, and notices of breakfast briefings, conferences, and other training opportunities designed to help the District with daily legal concerns. The Law Firm will send those and other additional service notices to the District via regular mail and/or electronic mail at the email address which you designate or the email used in your daily communications with us. By execution of this Agreement, the District and designated contact(s) consent to receive such communications by electronic mail subject to the right to unsubscribe at any time.

H. Miscellaneous

1. The Law Firm maintains errors and omissions insurance coverage applicable to the services to be rendered.

2. The parties agree that the Law Firm, while engaged in carrying out and complying with any of the terms and conditions of this Agreement, is an independent contractor and is not an employee of the District.

3. After a file on a matter is closed, the District has a right to request the Law Firm to return the file to the District. Absent such a request, the Law Firm shall retain the file on the District's behalf.

IV. BINDING ARBITRATION

The parties agree that all disputes which arise between the District and the Law Firm, whether financial or otherwise regarding the attorney-client relationship, shall be resolved by binding arbitration. The parties agree to waive their right to a jury trial and to an appeal.

If any dispute arises out of, or related to, a claimed breach of this agreement, the professional services rendered by attorneys, or any other disagreement of any nature, type, or description, regardless of the facts or the legal theories which may be involved, including attorney malpractice, such dispute shall be resolved by binding arbitration by a single arbitrator. Each side will bear its own costs and attorney fees. The parties agree to waive their right to a jury and to an appeal.

V. DURATION

This Agreement shall commence on July 1, 2016 and shall thereafter continue until work is completed or the Agreement is modified in writing by agreement between the Law Firm and the District.

\\

\\

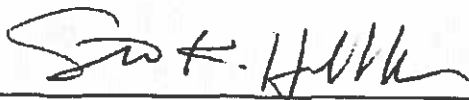

\\

Either the District or the Law Firm may terminate this Agreement on thirty (30) days' written notice.

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: ALDAR ACADEMY
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Aldar Academy (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. \$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. In the event that CONTRACTOR's policy should have an exclusion for sexual molestation or abuse claims, then CONTRACTOR shall be required to procure a supplemental policy providing such coverage.

The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 et seq. CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

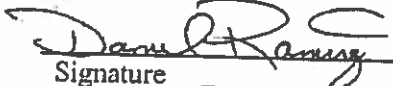

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

CONTRACT NUMBER: 02

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: AMERICAN RIVER SPEECH
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and American River Speech (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

7. DEFINITIONS

The following definitions shall apply for purposes of this contract:

- a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education and its officers, agents and employees.
- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. It is understood that a representative of the Special Education Local Plan Area ("SELPA") of which LEA is a member is an authorized LEA representative in collaboration with LEA. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

As defined in Title 5 of the California Code of Regulations section 3001(r), the term "qualified" means that a person has met federal and state certification, licensing, registration, or other comparable requirements which apply to the area in which he or she is providing special education or related services (including but not limited to, for example, the requirements set forth in California Code of Regulations, title 5, sections 3064 and 3065 and Education Code section 56366.1(n)(1)), or, in the absence of such requirements, the state-education-agency-approved or recognized requirements, and adheres to the standards of professional practice established in federal and state law or regulation, including the standards contained in the California Business and Professions Code and the scope of practice as defined by the licensing or credentialing body.) Nothing in this definition shall be construed as restricting the activities or services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.
- e. The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services or refer to themselves using a specified professional title. This includes, but is not limited to mental health and board and care services at a residential placement. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).
- f. "Parent" means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations sections 300.30(b)(1) or (2). Parent does not include the state or any political subdivision of government or the nonpublic school or agency under contract with LEA for the provision of special education or designated instruction and services for a child. (Ed. Code § 56028.)

- g. The term "days" means calendar days unless otherwise specified.
- h. The phrase "billable day" means a school day in which instructional minutes meet or exceed those in comparable LEA programs.
- i. The phrase "billable day of attendance" means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.
- j. It is understood that the term "Master Contract" also means "Agreement" and may be referred to as such in this document.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. - G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. - A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 *et seq.* and 45350 *et seq.* Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired or subcontracted by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or its recognized equivalent) and at least one of the following qualifications: (a) completed at least two (2) years of study at an institution of higher education; or (b) obtained an associate's (or higher) degree; or (c) met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State and serving an LEA student shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

47. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, certifications, permits and/or other documents which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. CONTRACTOR shall ensure that all licenses, credentials, permits or other documents are on file at the office of the County Superintendent of Schools. CONTRACTOR shall notify LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in LEA Procedures. Within thirty (30) days, CONTRACTOR shall provide LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, credentials, certifications, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify LEA and CDE in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students. CONTRACTOR shall notify LEA within thirty (30) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for his/her student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

49. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. It is understood that unless otherwise agreed to by LEA, a public school credentialed teacher is responsible for the instructional program and all nonpublic agency related service providers shall work collaboratively with the teacher who shall remain in charge of supervising the instructional program.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 of the California Code of Regulations section 550. During the duration of this Agreement, if CONTRACTOR is subject to fines, penalties and findings of non-compliance, CONTRACTOR shall assume any and all responsibilities for payment of such financial obligations. CONTRACTOR shall also be fully responsible for any structural changes and/or modifications to CONTRACTOR'S facilities as required to comply with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify LEA or CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by LEA.

In signing this Agreement, CONTRACTOR certifies that its facilities either comply with federal and state and local laws regarding disability access, or possesses and has available upon demand, a self-evaluation and/or transition plan in accordance with said laws.

52. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist LEA student with the administration of such medication after LEA student's parent(s) provide(s) to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify LEA student's name; the type of medication; the date, time, and amount of

each administration; and the name of CONTRACTOR'S employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

In the event there is an LEA student who is on a prescription medication regimen, the CONTRACTOR is to: (a) first obtain a copy of the appropriate medication authorization form available from LEA student's primary regional or site nurse; or (b) in the event the student does not take prescription medication during the school day, but would only take such medication while in the care, custody and control of the CONTRACTOR, prior to the commencement of services to LEA student, CONTRACTOR is to obtain a signed copy of the appropriate medication authorization form from the District. Both the District and CONTRACTOR shall retain a copy of the Authorization.

53. INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall within 24 hours, submit electronically, any accident or incident report to LEA. CONTRACTOR shall properly submit required accident or incident reports as required by the District.

54. CHILD ABUSE REPORTING

CONTRACTOR hereby agrees to annually train all staff members, including volunteers, so that they are familiar with and agree to adhere to its own child and dependent adult abuse reporting obligations and procedures as specified in California Penal Code section 11164 *et seq.* and Education Code section 44691. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to LEA.

CONTRACTOR is to read and become familiar with the District's *Mandated Child Abuse and Neglect Reporting Manual*, available on the District's Risk Management Web Site at: <http://www.egusd.net/riskmanagement/Info-MandRep.html>.

In the event there is suspicion of abuse conducted by District staff (e.g. a student reports to CONTRACTOR staff of abuse from District staff), CONTRACTOR is to file the appropriate report to the Sacramento County Sheriff. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

55. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitute sexual harassment and that is prohibited by the CONTRACTOR'S policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation and procedures for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

56. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers and any independent contractor and/or subcontractor authorized pursuant to this Master Contract, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to LEA. The written statement shall be submitted as specified by LEA.

FINANCIAL

57. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the children enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every child.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing, including requirements of electronic billing, as specified by LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and in compliance with LEA Procedures, and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and, in addition, on a LEA form with signatures in the manner prescribed by LEA. Contractor will submit invoices using the format provided by LEA. At the request of LEA, invoices may require the following information: name of LEA student for whom service was provided; the type of service provided; (if payment for assessment is approved by LEA pursuant to Section 36 of this Master Contract, the invoice must describe whether the assessment was prepared for an initial, annual, amended, or triennial IEP; month of service; specific dates (date, month, year and times) of services coordinated pursuant to LEA-approved calendar unless otherwise specified in the IEP or agreed to by LEA; name of staff who provided the service and that individual's licensing and credentials; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; and verification that progress reports have been provided consistent with the ISA (consistent with IEP benchmark dates, unless otherwise specified on the ISA); and name or initials of each student for when the service was provided. In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

2016-2017

CONTRACT NUMBER: 03

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: BRIGHT FUTURES THERAPY
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Bright Futures Therapy (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. - E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. - F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. - G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. - A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services are qualified as defined in Section 7(d) of this Mater Contract, including but not limited to holding a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58 and Title 5 of the California Code of Regulations, sections 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: CCHAT CENTER SACRAMENTO
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and CCHAT Center Sacramento (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

7. DEFINITIONS

- a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education and its officers, agents and employees.
- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. It is understood that a representative of the Special Education Local Plan Area ("SELPA") of which LEA is a member is an authorized LEA representative in collaboration with LEA. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

Nothing in this definition shall be construed as restricting the activities or services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.
- e. The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services or refer to themselves using a specified professional title. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).
- f. "Parent" means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations sections 300.30(b)(1) or (2). - h. The phrase “billable day” means a school day in which instructional minutes meet or exceed those in comparable LEA programs.
- i. The phrase “billable day of attendance” means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.
- j. It is understood that the term “Master Contract” also means “Agreement” and may be referred to as such in this document.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, “records” shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker’s compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR’S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student’s record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR's fulfillment of any of its obligations under this Agreement or either party's use of the work or any component or part thereof:

PART I

\$3,000,000 general aggregate
\$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. In the event that CONTRACTOR's policy should have an exclusion for sexual molestation or abuse claims, then CONTRACTOR shall be required to procure a supplemental policy providing such coverage.

- B. **Business Auto Liability Insurance** for all owned scheduled, non-owned or hired automobiles with a \$1 million combined single limit.

If no owned automobiles, then only hired and non-owned is required.

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY ("RTC")

When CONTRACTOR is a nonpublic school affiliated with a residential treatment center (NPS/RTC), the following insurance policies are required:

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. - C. **Commercial Auto Liability** coverage with limits of \$1,000,000 Combined Single Limit per Occurrence if the RTC does not operate a student bus service. If the RTC provides student bus services, the required coverage limit is \$5,000,000 Combined Single Limit per Occurrence.
- D. **Fidelity Bond or Crime** coverage shall be maintained by the RTC to cover all employees who process or otherwise have responsibility for RTC funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$250,000 per occurrence, with no self-insured retention.
- E. **Professional Liability/Errors & Omissions/Malpractice** coverage with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.

If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

2016-2017

CONTRACT NUMBER: 05

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: CTEC /SUPPORTED LIFE INSTITUTE
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and CTEC/SUPPORTED LIFE INSTITUTE (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

7. DEFINITIONS

The following definitions shall apply for purposes of this contract:

- c. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services are qualified as defined in Section 7(d) of this Mater Contract, including but not limited to holding a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58 and Title 5 of the California Code of Regulations, sections 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 *et seq.* and 45350 *et seq.* Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired or subcontracted by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or its recognized equivalent) and at least one of the following qualifications: (a) completed at least two (2) years of study at an institution of higher education; or (b) obtained an associate's (or higher) degree; or (c) met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State and serving an LEA student shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

47. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, certifications, permits and/or other documents which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. CONTRACTOR shall ensure that all licenses, credentials, permits or other documents are on file at the office of the County Superintendent of Schools. CONTRACTOR shall notify LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in LEA Procedures. Within thirty (30) days, CONTRACTOR shall provide LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, credentials, certifications, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify LEA and CDE in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students. CONTRACTOR shall notify LEA within thirty (30) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for his/her student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

49. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. CONTRACTOR shall also be fully responsible for any structural changes and/or modifications to CONTRACTOR'S facilities as required to comply with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify LEA or CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by LEA.

In signing this Agreement, CONTRACTOR certifies that its facilities either comply with federal and state and local laws regarding disability access, or possesses and has available upon demand, a self-evaluation and/or transition plan in accordance with said laws.

CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify LEA student's name; the type of medication; the date, time, and amount of

each administration; and the name of CONTRACTOR'S employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

In the event there is an LEA student who is on a prescription medication regimen, the CONTRACTOR is to: (a) first obtain a copy of the appropriate medication authorization form available from LEA student's primary regional or site nurse; or (b) in the event the student does not take prescription medication during the school day, but would only take such medication while in the care, custody and control of the CONTRACTOR, prior to the commencement of services to LEA student, CONTRACTOR is to obtain a signed copy of the appropriate medication authorization form from the District. Both the District and CONTRACTOR shall retain a copy of the Authorization.

A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to LEA.

CONTRACTOR is to read and become familiar with the District's *Mandated Child Abuse and Neglect Reporting Manual*, available on the District's Risk Management Web Site at: <http://www.egusd.net/riskmanagement/Info-MandRep.html>.

In the event there is suspicion of abuse conducted by District staff (e.g. a student reports to CONTRACTOR staff of abuse from District staff), CONTRACTOR is to file the appropriate report to the Sacramento County Sheriff. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

55. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitute sexual harassment and that is prohibited by the CONTRACTOR'S policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation and procedures for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

56. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers and any independent contractor and/or subcontractor authorized pursuant to this Master Contract, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and in compliance with LEA Procedures, and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and, in addition, on a LEA form with signatures in the manner prescribed by LEA. Contractor will submit invoices using the format provided by LEA. At the request of LEA, invoices may require the following information: name of LEA student for whom service was provided; the type of service provided; (if payment for assessment is approved by LEA pursuant to Section 36 of this Master Contract, the invoice must describe whether the assessment was prepared for an initial, annual, amended, or triennial IEP; month of service; specific dates (date, month, year and times) of services coordinated pursuant to LEA-approved calendar unless otherwise specified in the IEP or agreed to by LEA; name of staff who provided the service and that individual's licensing and credentials; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; and verification that progress reports have been provided consistent with the ISA (consistent with IEP benchmark dates, unless otherwise specified on the ISA); and name or initials of each student for when the service was provided. In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: CAPITOL ACADEMY
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Capitol Academy (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

- a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education and its officers, agents and employees.
- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. It is understood that a representative of the Special Education Local Plan Area ("SELPA") of which LEA is a member is an authorized LEA representative in collaboration with LEA. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

Nothing in this definition shall be construed as restricting the activities or services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.
- e. The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services or refer to themselves using a specified professional title. This includes, but is not limited to mental health and board and care services at a residential placement. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).
- f. "Parent" means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations sections 300.30(b)(1) or (2). - h. The phrase “billable day” means a school day in which instructional minutes meet or exceed those in comparable LEA programs.
- i. The phrase “billable day of attendance” means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.
- j. It is understood that the term “Master Contract” also means “Agreement” and may be referred to as such in this document.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, “records” shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker’s compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR’S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student’s record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR's fulfillment of any of its obligations under this Agreement or either party's use of the work or any component or part thereof:

PART I

- A. **Commercial General Liability Insurance**, including both bodily injury and property damage, with limits as follows:

\$3,000,000 general aggregate
\$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. In the event that CONTRACTOR's policy should have an exclusion for sexual molestation or abuse claims, then CONTRACTOR shall be required to procure a supplemental policy providing such coverage.

- B. **Business Auto Liability Insurance** for all owned scheduled, non-owned or hired automobiles with a \$1 million combined single limit.

If no owned automobiles, then only hired and non-owned is required.

If CONTRACTOR uses a vehicle to travel to/from school sites, between schools and/or to/from students' homes or other locations as approved service locations by the LEA, CONTRACTOR must comply with State of California auto insurance requirements.

- C. **Workers' Compensation and Employers Liability Insurance** in a form and amount covering CONTRACTOR's full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws.

Part A – Statutory Limits

\$2,000,000 general aggregate

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY (“RTC”)

When CONTRACTOR is a nonpublic school affiliated with a residential treatment center (NPS/RTC), the following insurance policies are required:

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. The policy shall be endorsed to name the LEA and the Board of Education as named additional insureds and shall provide specifically that any insurance carried by the LEA which may be applicable to any claims or loss shall be deemed excess and the RTC's insurance primary despite any conflicting provisions in the RTC's policy. - C. **Commercial Auto Liability** coverage with limits of \$1,000,000 Combined Single Limit per Occurrence if the RTC does not operate a student bus service. If the RTC provides student bus services, the required coverage limit is \$5,000,000 Combined Single Limit per Occurrence.
- D. **Fidelity Bond or Crime** coverage shall be maintained by the RTC to cover all employees who process or otherwise have responsibility for RTC funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$250,000 per occurrence, with no self-insured retention.
- E. **Professional Liability/Errors & Omissions/Malpractice** coverage with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.
- F. **Sexual Molestation and Abuse** coverage, unless that coverage is afforded elsewhere in the Commercial General Liability or Professional liability policy by endorsement, with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.

If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

CONTRACT NUMBER: 07

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: CAPITOL AUTISM
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Capitol Autism (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

- j. It is understood that the term “Master Contract” also means “Agreement” and may be referred to as such in this document.

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, “records” shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker’s compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR’S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student’s record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. \$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. The certificate of insurance shall include a ten (10) day non-renewal notice provision. - G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. - H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY (“RTC”)

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school; (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 et seq. CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

PERSONNEL

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services are qualified as defined in Section 7(d) of this Mater Contract, including but not limited to holding a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58 and Title 5 of the California Code of Regulations, sections 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 *et seq.* and 45350 *et seq.* Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired or subcontracted by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or its recognized equivalent) and at least one of the following qualifications: (a) completed at least two (2) years of study at an institution of higher education; or (b) obtained an associate's (or higher) degree; or (c) met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State and serving an LEA student shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

47. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, certifications, permits and/or other documents which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. CONTRACTOR shall ensure that all licenses, credentials, permits or other documents are on file at the office of the County Superintendent of Schools. CONTRACTOR shall notify LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in LEA Procedures. Within thirty (30) days, CONTRACTOR shall provide LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, credentials, certifications, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify LEA and CDE in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students. CONTRACTOR shall notify LEA within thirty (30) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for his/her student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

49. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. It is understood that unless otherwise agreed to by LEA, a public school credentialed teacher is responsible for the instructional program and all nonpublic agency related service providers shall work collaboratively with the teacher who shall remain in charge of supervising the instructional program.

50. HEALTH AND SAFETY

CONTRACTOR shall comply with all applicable federal, state, local, and LEA laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 35021 *et seq.*, and 49406, and Health and Safety Code section 121545 regarding the examination of CONTRACTOR'S employees and volunteers for tuberculosis. CONTRACTOR shall comply with OSHA Blood Borne Pathogens Standards, Title 29 of the Code of Federal Regulations section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

51. FACILITIES AND FACILITIES MODIFICATIONS

CONTRACTOR shall provide special education and/or related services to LEA students in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 of the California Code of Regulations section 550. During the duration of this Agreement, if CONTRACTOR is subject to fines, penalties and findings of non-compliance, CONTRACTOR shall assume any and all responsibilities for payment of such financial obligations. CONTRACTOR shall also be fully responsible for any structural changes and/or modifications to CONTRACTOR'S facilities as required to comply with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify LEA or CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by LEA.

In signing this Agreement, CONTRACTOR certifies that its facilities either comply with federal and state and local laws regarding disability access, or possesses and has available upon demand, a self-evaluation and/or transition plan in accordance with said laws.

CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify LEA student's name; the type of medication; the date, time, and amount of

each administration; and the name of CONTRACTOR'S employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

In the event there is an LEA student who is on a prescription medication regimen, the CONTRACTOR is to: (a) first obtain a copy of the appropriate medication authorization form available from LEA student's primary regional or site nurse; or (b) in the event the student does not take prescription medication during the school day, but would only take such medication while in the care, custody and control of the CONTRACTOR, prior to the commencement of services to LEA student, CONTRACTOR is to obtain a signed copy of the appropriate medication authorization form from the District. Both the District and CONTRACTOR shall retain a copy of the Authorization.

53. INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall within 24 hours, submit electronically, any accident or incident report to LEA. CONTRACTOR shall properly submit required accident or incident reports as required by the District.

To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to LEA.

CONTRACTOR is to read and become familiar with the District's *Mandated Child Abuse and Neglect Reporting Manual*, available on the District's Risk Management Web Site at: <http://www.egusd.net/riskmanagement/Info-MandRep.html>.

In the event there is suspicion of abuse conducted by District staff (e.g. a student reports to CONTRACTOR staff of abuse from District staff), CONTRACTOR is to file the appropriate report to the Sacramento County Sheriff. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

55. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity Harassment Policy that clearly describes the kinds of conduct that constitute sexual harassment and that is prohibited by the CONTRACTOR'S policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation and procedures for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures.

56. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers and any independent contractor and/or subcontractor authorized pursuant to this Master Contract, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to LEA. The written statement shall be submitted as specified by LEA.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing, including requirements of electronic billing, as specified by LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and in compliance with LEA Procedures, and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and, in addition, on a LEA form with signatures in the manner prescribed by LEA. Contractor will submit invoices using the format provided by LEA. At the request of LEA, invoices may require the following information: name of LEA student for whom service was provided; the type of service provided; (if payment for assessment is approved by LEA pursuant to Section 36 of this Master Contract, the invoice must describe whether the assessment was prepared for an initial, annual, amended, or triennial IEP; month of service; specific dates (date, month, year and times) of services coordinated pursuant to LEA-approved calendar unless otherwise specified in the IEP or agreed to by LEA; name of staff who provided the service and that individual's licensing and credentials; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; and verification that progress reports have been provided consistent with the ISA (consistent with IEP benchmark dates, unless otherwise specified on the ISA); and name or initials of each student for when the service was provided. In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Capitol Elementary (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, “records” shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker’s compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR’S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student’s record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. \$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. In the event that CONTRACTOR's policy should have an exclusion for sexual molestation or abuse claims, then CONTRACTOR shall be required to procure a supplemental policy providing such coverage.

The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: EASTER SEAL SOCIETY OF CA
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Easter Seal Society of CA, Inc. (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

The following definitions shall apply for purposes of this contract:

- a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education and its officers, agents and employees.
- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. It is understood that a representative of the Special Education Local Plan Area ("SELPA") of which LEA is a member is an authorized LEA representative in collaboration with LEA. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

Nothing in this definition shall be construed as restricting the activities or services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.
- e. The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services or refer to themselves using a specified professional title. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).
- f. "Parent" means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations sections 300.30(b)(1) or (2). - j. It is understood that the term "Master Contract" also means "Agreement" and may be referred to as such in this document.

ADMINISTRATION OF CONTRACT

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. - G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. - A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "TTP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 et seq. CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services are qualified as defined in Section 7(d) of this Mater Contract, including but not limited to holding a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58 and Title 5 of the California Code of Regulations, sections 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

CONTRACTOR shall comply with personnel standards and qualifications regarding instructional aides and teacher assistants respectively pursuant to Federal requirements and California Education Code sections 45340 *et seq.* and 45350 *et seq.* Specifically, all paraprofessionals, including, but not limited to instructional aides and teacher assistants, employed, contracted, and/or otherwise hired or subcontracted by CONTRACTOR to provide classroom and/or individualized instruction or related services, shall possess a high school diploma (or its recognized equivalent) and at least one of the following qualifications: (a) completed at least two (2) years of study at an institution of higher education; or (b) obtained an associate's (or higher) degree; or (c) met a rigorous standard of quality and can demonstrate, through a formal state or local assessment (i) knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or (ii) knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness, as appropriate. CONTRACTOR shall comply with all laws and regulations governing the licensed professions, including but not limited to, the provisions with respect to supervision.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State and serving an LEA student shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

47. VERIFICATION OF LICENSES, CREDENTIALS AND OTHER DOCUMENTS

CONTRACTOR shall submit to LEA a staff list, and copies of all current licenses, credentials, certifications, permits and/or other documents which entitle the holder to provide special education and/or related services by individuals employed, contracted, and/or otherwise hired or sub-contracted by CONTRACTOR. CONTRACTOR shall ensure that all licenses, credentials, permits or other documents are on file at the office of the County Superintendent of Schools. CONTRACTOR shall notify LEA in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students as specified in LEA Procedures. Within thirty (30) days, CONTRACTOR shall provide LEA with the verified dates of fingerprint clearance, Department of Justice clearance and Tuberculosis Test clearance for all employees, approved subcontractors and/or volunteers prior to such individuals starting to work with any student.

CONTRACTOR shall monitor the status of licenses, credentials, certifications, permits and/or other documents for all individuals employed, contracted, and/or otherwise hired by CONTRACTOR. CONTRACTOR shall notify LEA and CDE in writing within thirty (30) days when personnel changes occur which may affect the provision of special education and/or related services to LEA students. CONTRACTOR shall notify LEA within thirty (30) days if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, challenged pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for his/her student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and an authorized LEA representative.

49. STAFF PROFESSIONAL BEHAVIOR WHEN PROVIDING SERVICES AT SCHOOL OR SCHOOL RELATED EVENTS OR AT SCHOOL FACILITY AND/OR IN THE HOME

It is understood that all employees, subcontractors, and volunteers of any certified nonpublic school or nonpublic agency shall adhere to the customary professional and ethical standards when providing services. All practices shall only be within the scope of professional responsibility as defined in the professional code of conduct for each profession as well as any LEA professional standards as specified in Board policies and/or regulations when made available to the CONTRACTOR. Reports regarding student progress shall be consistent with the provision of this Master Contract.

For services provided on a public school campus, sign in/out procedures shall be followed by nonpublic agency providers working in a public school classroom along with all other procedures for being on campus consistent with school and LEA policy. Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. It is understood that unless otherwise agreed to by LEA, a public school credentialed teacher is responsible for the instructional program and all nonpublic agency related service providers shall work collaboratively with the teacher who shall remain in charge of supervising the instructional program.

50. HEALTH AND SAFETY

CONTRACTOR shall comply with all applicable federal, state, local, and LEA laws, regulations, ordinances, policies, and procedures regarding student and employee health and safety. CONTRACTOR shall comply with the requirements of California Education Code sections 35021 *et seq.*, and 49406, and Health and Safety Code section 121545 regarding the examination of CONTRACTOR'S employees and volunteers for tuberculosis. CONTRACTOR shall comply with OSHA Blood Borne Pathogens Standards, Title 29 of the Code of Federal Regulations section 1910.1030, when providing medical treatment or assistance to a student. CONTRACTOR further agrees to provide annual training regarding universal health care precautions and to post required notices in areas designated in the California Health and Safety Code.

51. FACILITIES AND FACILITIES MODIFICATIONS

CONTRACTOR shall provide special education and/or related services to LEA students in facilities that comply with all applicable federal, state, and local laws, regulations, and ordinances related, but not limited to: disability access; fire, health, sanitation, and building standards and safety; fire warning systems; zoning permits; and occupancy capacity. When CONTRACTOR is a nonpublic school, CONTRACTOR shall conduct fire drills as required by Title 5 of the California Code of Regulations section 550. During the duration of this Agreement, if CONTRACTOR is subject to fines, penalties and findings of non-compliance, CONTRACTOR shall assume any and all responsibilities for payment of such financial obligations. CONTRACTOR shall also be fully responsible for any structural changes and/or modifications to CONTRACTOR'S facilities as required to comply with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify LEA or CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by LEA.

In signing this Agreement, CONTRACTOR certifies that its facilities either comply with federal and state and local laws regarding disability access, or possesses and has available upon demand, a self-evaluation and/or transition plan in accordance with said laws.

52. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a LEA student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist LEA student with the administration of such medication after LEA student's parent(s) provide(s) to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from LEA student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each LEA student to whom medication is administered. Such written log shall specify LEA student's name; the type of medication; the date, time, and amount of

each administration; and the name of CONTRACTOR'S employee who administered the medication. CONTRACTOR maintains full responsibility for assuring appropriate staff training in the administration of such medication consistent with student's physician's written orders. Any change in medication type, administration method, amount or schedule must be authorized by both a licensed physician and parent.

In the event there is an LEA student who is on a prescription medication regimen, the CONTRACTOR is to: (a) first obtain a copy of the appropriate medication authorization form available from LEA student's primary regional or site nurse; or (b) in the event the student does not take prescription medication during the school day, but would only take such medication while in the care, custody and control of the CONTRACTOR, prior to the commencement of services to LEA student, CONTRACTOR is to obtain a signed copy of the appropriate medication authorization form from the District. Both the District and CONTRACTOR shall retain a copy of the Authorization.

53. INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall within 24 hours, submit electronically, any accident or incident report to LEA. CONTRACTOR shall properly submit required accident or incident reports as required by the District.

54. CHILD ABUSE REPORTING

CONTRACTOR hereby agrees to annually train all staff members, including volunteers, so that they are familiar with and agree to adhere to its own child and dependent adult abuse reporting obligations and procedures as specified in California Penal Code section 11164 *et seq.* and Education Code section 44691. To protect the privacy rights of all parties involved (i.e. reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to LEA.

CONTRACTOR is to read and become familiar with the District's *Mandated Child Abuse and Neglect Reporting Manual*, available on the District's Risk Management Web Site at: <http://www.egusd.net/riskmanagement/Info-MandRep.html>.

In the event there is suspicion of abuse conducted by District staff (e.g. a student reports to CONTRACTOR staff of abuse from District staff), CONTRACTOR is to file the appropriate report to the Sacramento County Sheriff. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing, including requirements of electronic billing, as specified by LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in LEA student's IEP and ISA which are provided on billable days of attendance. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and in compliance with LEA Procedures, and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and, in addition, on a LEA form with signatures in the manner prescribed by LEA. Contractor will submit invoices using the format provided by LEA. At the request of LEA, invoices may require the following information: name of LEA student for whom service was provided; the type of service provided; (if payment for assessment is approved by LEA pursuant to Section 36 of this Master Contract, the invoice must describe whether the assessment was prepared for an initial, annual, amended, or triennial IEP; month of service; specific dates (date, month, year and times) of services coordinated pursuant to LEA-approved calendar unless otherwise specified in the IEP or agreed to by LEA; name of staff who provided the service and that individual's licensing and credentials; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; and verification that progress reports have been provided consistent with the ISA (consistent with IEP benchmark dates, unless otherwise specified on the ISA); and name or initials of each student for when the service was provided. In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. THIS AGREEMENT is made and entered into this 1st day of July 2016, between Center Unified School District, referred to as "District," and The Easter Seal Society of Superior California dba Easter Seals Superior CA, hereinafter referred to as "Contractor," for the purposes of providing special education and/or related services to individuals with exceptional needs under the authorization of Education Code Sections 56030 et seq. and 56300 et seq.

RECITALS

WHEREAS, The Governing Board of District desires to provide special education and/or related services to its pupils pursuant to Education Code Sections 56030 et seq. and 56300 et seq., and

WHEREAS, it has been determined that the need for such services exists and that Contractor is capable of and willing to provide such services; and

WHEREAS, it has been determined that Contractor holds current certifications as a Nonpublic Agency by the California Department of Education (Title 5, California Code of Regulations, Section 3060 et seq.);

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

AGREEMENT

1. CONTRACTOR SERVICES:

Contractor will provide appropriately qualified physical therapists, occupational therapists, speech language pathologists, child development specialists, and feeding specialists for the purposes of assisting in the provision of special education and related services under this general contract. Contractor will notify District if a change of status occurs which directly affects the pupils.

Contractor will provide pupils a program of instruction which is consistent with each pupil's Individualized Education Program as specified in the Service Agreement appended to this general contract.

Contractor shall have no responsibility for arrangement of transportation of pupils in relation to the services provided under this contract.

2. DISTRICT PAYMENT:

Contractor shall submit written monthly demand for payment. Said demand shall be made on a form and in the manner prescribed by the State Department of Education. Contractor shall submit said demand no later than thirty (30) days from the end of the attendance accounting period in which said services are actually rendered. Upon approval of said payment demand, District will make payment in an amount equal to the number of creditable days of attendance multiplied by the agreed-upon unit amount. Payment shall be made within 45 days. Contractor will

charge the full attendance rate for a therapy session when cancellation of a session is not made with at least 24 hours notice to the treating therapist or Contractor.

Payment rates are set forth in Therapy Rates and Menu Options hereto.

3. REPORTING AND MONITORING:

When entering into a Service Agreement for a student, District shall provide Contractor written documentation or access to the student's file, to include signed assessment plan or discipline-specific current evaluation, client demographics page, behavior plan, and current/past Individual Education Plan documents.

Contractor shall keep daily attendance records for each pupil and shall report attendance monthly to District. Contractor shall allow periodic monitoring of the pupil's instructional program by District and will participate in the review of the pupil's progress by District's eligibility and planning team or the educational assessment service. Representatives of District shall have access to observe the instructional setting, to interview Contractor, and review the pupil's progress.

Contractor will cooperate in permitting reasonable parental observation of the service. For the purpose of this contract, a parent is the natural parent or legal guardian.

Unexcused absences will be strictly monitored and, in coordination with District, Contractor shall attempt to determine the reason for the absence. In the case of multiple unexcused absences, Contractor shall, in coordination with District, evaluate the pupil's commitment to the Individualized Education Program, and whether or not continuing participation in the Individualized Education Program is appropriate. Contractor retains the right to terminate a Service Agreement with 10 days written notice if student has in excess of 5 unexcused absences.

Contractor shall maintain its books, documents, papers, reports, records, and other matter relating to the contract in an orderly and reasonable manner, and shall provide access to or forward copies of such items to the District upon the District's reasonable request. Contractor shall send to District annual reports sufficient to allow District to evaluate whether each pupil is making appropriate educational progress.

4. RIGHT TO WITHHOLD PAYMENT:

District has the right to withhold payment to Contractor when, in the opinion of the District expressed in writing to Contractor: (A) Contractor's performance, in whole or in part, either has not been carried out or is insufficiently documented; or (B) Contractor has neglected, failed, or refused to furnish information or to cooperate with the inspection, review, or audit of its program, work or records permitted to District under this contract and applicable law. If Contractor disputes District's invocation of a right to withhold payment, the provisions set forth in Section 7, *infra*, shall apply to resolve the dispute.

5. AUDIT EXCEPTIONS:

Contractor agrees to accept responsibility for receiving, replying to and/or complying with any audit exceptions by appropriate state or federal audit agencies occurring as a result of Contractor's performance of this contract. Contractor also agrees to pay District within thirty (30) days of demand by District the full amount of District's liability to the state or federal government, if any, resulting from any audit exceptions, to the extent such are attributable to Contractor's failure to perform properly any of its obligations under this contract.

6. MODIFICATIONS AND AMENDMENTS:

This contract may be modified or amended by a written document executed by Contractor and District. Changes in

the educational services or placement provided under this contract may only be made on the basis of revision to the pupil's individualized education program. At any time during the term of this contract, the parent, Contractor, or District may request a review of the pupil's individualized program, subject to all procedural safeguards as specified in Title 5, California Code of Regulations, Section 3080 et seq. and Education Code Sections 56030 et seq. and 56300 et seq. Changes in the administrative or financial agreements of this contract which do not alter the educational services or placement may be made at any time during the term of the contract, as mutually agreed in writing by Contractor and District.

7. DISPUTES:

Disagreements between District and Contractor concerning the meaning, requirements, or performance of this contract shall be subject to final determination in writing by the County Superintendent of Schools or, when the County Superintendent of Schools is a party to the contract, by the State Superintendent of Public Instruction.

8. SUBCONTRACT AND ASSIGNMENT:

Contractor shall not enter into subcontracts for any of the work contemplated under this contract without first obtaining written approval from District. Such approval shall be attached and made part of this contract.

9. INDEPENDENT CONTRACTOR STATUS:

This Contract is by and between two independent agents and is not intended to and shall not be construed to create the relationship of agency, servitude, employment, partnership, joint venture or association.

10. CONFLICT OF INTEREST:

Contractor promises and attests that Contractor and its Board of Directors shall avoid any actual or potential conflict of interest. Contractor agrees to furnish District a valid copy of Contractor's most recent bylaws and also a complete and accurate list of the governing Board of Directors (or Trustees) upon request.

11. TERM:

This contract is effective on July 1, 2016 and terminates at 5:00 p.m. on June 30, 2017, unless sooner terminated as provided herein.

12. TERMINATION DUE TO CONTRACTOR'S INABILITY TO PROVIDE SERVICES:

In providing the services called for under this contract, Contractor relies upon appropriately qualified professionals. . . If one or more of the professionals assigned to District become unable or unwilling to provide services on Contractor's behalf, or if Contractor becomes unable to provide the services required under this contract, either party may terminate this contract upon provision of 10 days notice. Within 20 days of the effective date of such termination, District shall pay, without duplication, for all services performed and expenses incurred to date of termination. In consideration of such payment, Contractor waives all right to any further payment or damage, and shall turn over to District everything pertaining to its services hereunder, possessed by Contractor or under its control at the time of termination. Contractor retains the right to maintain copies of any materials turned over to District.

13. TERMINATION DUE TO NONPAYMENT:

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: GUIDING HANDS
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Guiding Hands School, Inc. (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

- j. It is understood that the term "Master Contract" also means "Agreement" and may be referred to as such in this document.

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY (“RTC”)

When CONTRACTOR is a nonpublic school affiliated with a residential treatment center (NPS/RTC), the following insurance policies are required:

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. The policy shall be endorsed to name the LEA and the Board of Education as named additional insureds and shall provide specifically that any insurance carried by the LEA which may be applicable to any claims or loss shall be deemed excess and the RTC's insurance primary despite any conflicting provisions in the RTC's policy. Coverage shall be maintained with no self-insured retention above \$100,000 without the prior written approval of the LEA.
- B. **Workers' Compensation Insurance** in accordance with provisions of the California Labor Code adequate to protect the RTC from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of \$1,000,000/\$1,000,000/\$1,000,000.
- C. **Commercial Auto Liability** coverage with limits of \$1,000,000 Combined Single Limit per Occurrence if the RTC does not operate a student bus service. If the RTC provides student bus services, the required coverage limit is \$5,000,000 Combined Single Limit per Occurrence.
- D. **Fidelity Bond or Crime** coverage shall be maintained by the RTC to cover all employees who process or otherwise have responsibility for RTC funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$250,000 per occurrence, with no self-insured retention.
- E. **Professional Liability/Errors & Omissions/Malpractice** coverage with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.
- F. **Sexual Molestation and Abuse** coverage, unless that coverage is afforded elsewhere in the Commercial General Liability or Professional liability policy by endorsement, with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.

If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "TTP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. **POSITIVE BEHAVIOR INTERVENTIONS**

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. LEA shall not be obligated to pay for any services provided by a person whose such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the period during which such person is providing services under this Master Contract. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage on LEA substitute teacher log. Substitute teachers shall remain with their assigned class during all instructional time. LEA shall not be responsible for any payment for instruction and/or services when an appropriately credentialed substitute teacher is not provided.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

2016-2017

CONTRACT NUMBER: 11

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: JABBERGYM
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Jabbergym (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, “records” shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker’s compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR’S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student’s record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student’s record. Such log needs not to record access to LEA student’s records by: (a) LEA student’s parent; (b) an individual to whom written consent has been executed by LEA student’s parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. \$2,000,000 products/completed operations aggregate

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. - F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. - G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. - H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY (“RTC”)

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. The policy shall be endorsed to name the LEA and the Board of Education as named additional insureds and shall provide specifically that any insurance carried by the LEA which may be applicable to any claims or loss shall be deemed excess and the RTC's insurance primary despite any conflicting provisions in the RTC's policy. If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 et seq. CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge LEA student's parent(s) or LEA for the development or provision of progress reports, report cards, and/or any assessments, interviews, or attendance at any meetings, including but not limited to IEP meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive. CONTRACTOR shall submit all transcripts on LEA-approved forms to LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of LEA student's change of residence. Within five (5) school days after CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA, in writing, of LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of LEA student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered after LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM PROGRAM

CONTRACTOR shall immediately report, by telephone, with a follow-up written notification within five (5) business days to LEA Representative responsible for overseeing nonpublic schools and nonpublic agencies, and any other required representative from the California Department of Education, when a LEA student is withdrawn without prior notice from school and/or services. CONTRACTOR shall confirm such telephone call on LEA approved forms and submit to LEA and the Department of Education, if required, within five (5) business days of the withdrawal, including a student's change in residence to a residence outside of LEA service boundaries, and the student's discharge against professional advice from a Nonpublic

School/Residential Treatment Center ("NPS/RTC"). CONTRACTOR shall assist LEA to verify and clear potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and LEA student's living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTORS operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all parent travel and accommodations and provide travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA.

41. SERVICES AND SUPERVISION AND PROFESSIONAL CONDUCT

If CONTRACTOR provides services on a LEA public school campus, CONTRACTOR shall comply with Penal Code section 627.1 *et seq.*, as well as all other LEA and campus-specific policies and procedures regarding visitors to/on school campuses. CONTRACTOR shall be responsible for the purchase and provision of the supplies and assessment tools necessary to implement the provision of CONTRACTOR services on LEA public school campuses.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home-based services, including written and signed authorization in emergency situations. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider. All problems and/or concerns reported by CONTRACTOR to parents or guardians, in either verbal or written form, shall be reported to LEA.

CONTRACTOR, if providing services in a student's home as specified in the IEP, shall assure that at least one parent of the child or an adult caregiver with written and signed authorization to make decisions in an emergency is present during the provision of services. The names of any adult caregiver other than the parent shall be provided to LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform LEA of any changes of caregivers and provide written authorization for emergency situations. The adult caregiver cannot be an employee or volunteer associated with the nonpublic school/nonpublic agency service provider. Moreover, for services provided in a pupil's home as specified in the IEP, CONTRACTORS must assure that the parent or LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written, shall also be provided to the LEA.

42. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a licensed children's institution ("LCI"), CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 56366(a)(2)(C) and 56366.9, Health and Safety Code section 1501.1(b), (AB1858, AB490 (Chapter 862, Statutes of 2003)) and the procedures set forth in LEA Procedures. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a residential treatment center (hereinafter referred to as "NPS/RTC"), CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1411 *et seq.* and Education Code section 56000, *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA"), 20 U.S.C. section 1401(29); Education Code section 56031; Title 5, California Code of Regulations section 3001 *et seq.*, Title 2, California Code of Regulations section 60100 *et seq.* regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in LEA student's IEPs.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

43. STATE MEAL MANDATE

When CONTRACTOR is a nonpublic school, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

44. MONITORING

CONTRACTOR shall allow representatives from LEA access to its facilities for the purpose of periodic monitoring of each LEA student's instructional program, and shall be invited to participate in the formal review of each student's progress. LEA representatives shall have access to observe each LEA student at work, observe the instructional setting, interview CONTRACTOR, and review each LEA student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR'S site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

If CONTRACTOR is also a LCI and/or NPS/RTC, LEA shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The State Superintendent of Public Instruction ("Superintendent") shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching

staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall fully participate in any LEA and CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j). This review will address programmatic aspects of the nonpublic school/agency, compliance with relevant state and federal regulations, and Master Contract compliance. If requested by LEA, CONTRACTOR shall complete and submit a Nonpublic School/Agency Self-Review Assessment submitted as specified by LEA. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a nonpublic school, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card in accordance with California Education Code Section 33126.

PERSONNEL

45. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1 and 35021.2 including, but not limited to: obtaining clearance from both the California Department of Justice ("CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for all of CONTRACTOR'S employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR'S employees and volunteers shall not come in contact with LEA students until both CDOJ and FBI clearance are ascertained. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service as required by California Penal Code section 11105.2 for all staff shall be provided upon request.

46. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services are qualified as defined in Section 7(d) of this Mater Contract, including but not limited to holding a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold to render the service consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58 and Title 5 of the California Code of Regulations, sections 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and/or services to students with the disabling conditions placed in their program/school through documentation provided to the CDE. (Cal. Code Regs., tit. 5, § 3064(a).)

When CONTRACTOR is a nonpublic school, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development.

Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

Such policies and procedures shall be made available to CONTRACTOR upon CONTRACTOR'S request. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. Failure to comply with this and all LEA requirements in this regard shall be sufficient cause to terminate this Master Contract.

For services provided in a pupil's home as specified in the IEP, CONTRACTOR must assure that the parent or an LEA-approved responsible adult is present during the provision of services. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. CONTRACTOR is also to confidentially notify the Risk Management Department (Risk Manager) of the report. CONTRACTOR is to cooperate with any investigation conducted by the District in connection with such report.

Original attendance forms (i.e., roll books for the basic education program service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Master Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and, in addition, on a LEA form with signatures in the manner prescribed by LEA. In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay

properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

58. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice; (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR'S educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

LEA: CENTER JOINT UNIFIED SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER: PLACER LEARNING CENTER
NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2016, between the Center Joint Unified School District (hereinafter referred to as the local educational agency "LEA" or "District") and Placer Learning Center, (nonpublic, nonsectarian school or agency, hereinafter referred to as "CONTRACTOR") for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"), along with a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student.

Unless otherwise agreed in writing, the ISA and the Nonpublic Services Student Enrollment form shall acknowledge CONTRACTOR'S obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of an LEA student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR'S nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student

enrollment shall be limited to capacity as stated on the applicable CDE certification. Total LEA student enrollment shall be limited to capacity as stated in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the state of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this state, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR'S certification, failure to notify LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and shall also be good cause for the suspension or termination of this Master Contract by LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless CONTRACTOR and LEA specifically agree, in writing, that a policy or policies, or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR'S failure to comply with applicable LEA policies (e.g., those policies relating to the provision of special education and/or related services, facilities for individuals with exceptional needs, LEA student enrollment and transfer, LEA student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2016 to June 30, 2017 unless otherwise stated. (Cal. Code Regs., tit. 5, § 3062(a).) Neither the CONTRACTOR nor LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2017. (Cal. Code Regs., tit. 5, § 3062(d).) In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR'S ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION

OR TERMINATION

This Master Contract includes LEA Procedures and each Individual Services Agreement which are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA procedures from time to time without the consent of CONTRACTOR.

CONTRACTOR shall provide LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (Ed. Code §§ 56366(c)(1), (2).) In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and LEA agree otherwise in the ISA. (Ed. Code § 56366(a)(5); Cal. Code Regs., tit. 5, § 3062(e).) In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to an LEA student as a result of lack of provision of services while the student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2).

7. DEFINITIONS

The following definitions shall apply for purposes of this contract:

- a. The term "CONTRACTOR" means a nonpublic, nonsectarian school/agency certified by the California Department of Education and its officers, agents and employees.
- b. The term "authorized LEA representative" means a LEA administrator designated to be responsible for nonpublic school/agencies. It is understood that a representative of the Special Education Local Plan Area ("SELPA") of which LEA is a member is an authorized LEA representative in collaboration with LEA. LEA maintains sole responsibility for the Master Contract, unless otherwise specified in the Master Contract.
- c. The term "credential" means a valid credential, life diploma, permit, or document in special education or Pupil Personnel Services issued by, or under the jurisdiction of, the California State Board of Education if issued prior to 1970 or the California Commission on Teacher Credentialing, which entitles the holder thereof to perform services for which certification qualifications are required as defined in Title 5 of the California Code of Regulations section 3001(g).

Nothing in this definition shall be construed as restricting the activities or services of a graduate needing direct hours leading to licensure, or of a student teacher or intern leading to a graduate degree at an accredited or approved college or university, as authorized by state laws or regulations.
- e. The term "license" means a valid non-expired document issued by a licensing agency within the Department of Consumer Affairs or other state licensing office authorized to grant licenses and authorizing the bearer of the document to provide certain professional services or refer to themselves using a specified professional title. This includes, but is not limited to mental health and board and care services at a residential placement. If a license is not available through an appropriate state licensing agency, a certificate of registration with the appropriate professional organization at the national or state level which has standards established for the certificate that are equivalent to a license shall be deemed to be a license as defined in Title 5 of the California Code of Regulations section 3001(l).
- f. "Parent" means a biological or adoptive parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child, a guardian generally authorized to act as the child's parent or authorized to make educational decisions for the child, an individual acting in the place of a biological or adoptive parent, including a grandparent, stepparent, or other relative with whom the child lives, or an individual who is legally responsible for the child's welfare, a surrogate parent, a foster parent if the authority of the biological or adoptive parent to make educational decisions on the child's behalf has been specifically limited by court order in accordance with Title 34 of the Code of Federal Regulations sections 300.30(b)(1) or (2). - h. The phrase "billable day" means a school day in which instructional minutes meet or exceed those in comparable LEA programs.
- i. The phrase "billable day of attendance" means a school day as defined in California Education Code Section 46307, in which a LEA student is in attendance and in which instructional minutes meet or exceed those in comparable LEA programs unless otherwise stipulated in an IEP or ISA.
- j. It is understood that the term "Master Contract" also means "Agreement" and may be referred to as such in this document.

ADMINISTRATION OF CONTRACT

8. NOTICES

All notices provided for by this Master Contract shall be in writing. Notices shall be mailed or delivered by hand and shall be effective as of the date of receipt by addressee.

All notices mailed to LEA shall be addressed to the person and address as indicated on the signature page of the Master Contract. Notices to CONTRACTOR shall be addressed as indicated on signature page of this Master Contract.

9. MAINTENANCE OF RECORDS

All records shall be maintained by CONTRACTOR as required by state and federal laws and regulations. Notwithstanding the foregoing sentence, CONTRACTOR shall maintain all records for at least five (5) years after the termination of this Master Contract. For purposes of this Master Contract, "records" shall include, but not be limited to pupil records as defined by California Education Code section 49061(b) including electronically stored information; cost data records as set forth in Title 5 of the California Code of Regulations section 3061; registers and roll books of teachers and/or daily service providers; chart notes, Medi-Cal logs, daily service logs and notes and other documents used to record the provision of related services including supervision; daily service logs and notes used to record the provision of services provided by instructional assistants, NPA behavior intervention aides, and bus aides and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held; business licenses held; documents evidencing other staff qualifications including social security numbers, dates of hire, and dates of termination; records of employee training and certification, staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related services subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state nonpublic school and/or agency certifications; by-laws; lists of current board of directors/trustees, if incorporated; statements of income and expenses; general journals; cash receipts and disbursement books, general ledgers and supporting documents; documents evidencing financial expenditures; federal/state payroll quarterly reports (Form 941/DE3DP); and bank statements and canceled checks or facsimile thereof.

CONTRACTOR shall maintain LEA student records in a secure location to ensure confidentiality and prevent unauthorized access. CONTRACTOR shall maintain a current list of the names and positions of CONTRACTOR'S employees who have access to confidential records. CONTRACTOR shall maintain an access log for each LEA student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate interests therefore. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from LEA student's record. Such log needs not to record access to LEA student's records by: (a) LEA student's parent; (b) an individual to whom written consent has been executed by LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR/LEA shall maintain copies of any written parental concerns granting access to

student records. For purposes of this paragraph, "employees of LEA or CONTRACTOR" do not include subcontractors. CONTRACTOR shall grant parents access to student records and comply with parents' requests for copies of student records, as required by state and federal laws and regulations. CONTRACTOR agrees, in the event of school or agency closure, to forward all records within ten (10) business days to LEA. LEA shall have access to and receive copies of any and all documents required to be maintained by CONTRACTOR within five (5) business days of a request.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Master Contract shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR'S successors and assignees. CONTRACTOR shall notify LEA, in writing, of any change of ownership or corporate control within ten (10) business days of such change.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in the County where LEA is located.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

This Master Contract may be modified or amended by LEA to conform to administrative and statutory guidelines issued by any state, federal or local governmental agency. LEA shall provide CONTRACTOR thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. Cause shall include but not be limited to non-maintenance of current nonpublic school certification, failure of either LEA or the CONTRACTOR to maintain the standards required under the Master Contract and/or Individual Services Agreement, or other material breach of the contract by CONTRACTOR or LEA. For purposes of Non Public School placement, the cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to a public school program at an IEP team meeting. To terminate the Master Contract, either party shall give twenty (20) days prior written notice to the other party (Ed. Code § 56366(a)(4)), or immediately if CONTRACTOR and LEA mutually agree that there are significant health or safety concerns. At the time of termination, CONTRACTOR shall provide to LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as provided in Section 5 or 6. CONTRACTOR or LEA may terminate an ISA for cause, without terminating the Master Contract in its entirety. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. INSURANCE

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR's fulfillment of any of its obligations under this Agreement or either party's use of the work or any component or part thereof:

PART I

- A. **Commercial General Liability Insurance**, including both bodily injury and property damage, with limits as follows:

\$3,000,000 general aggregate
\$2,000,000 products/completed operations aggregate

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. In the event that CONTRACTOR's policy should have an exclusion for sexual molestation or abuse claims, then CONTRACTOR shall be required to procure a supplemental policy providing such coverage.

- B. **Business Auto Liability Insurance** for all owned scheduled, non-owned or hired automobiles with a \$1 million combined single limit.

If no owned automobiles, then only hired and non-owned is required.

- C. **Workers' Compensation and Employers Liability Insurance** in a form and amount covering CONTRACTOR's full liability under the California Workers' Compensation Insurance and Safety Act and in accordance with applicable state and federal laws.

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance evidencing such coverage. The certificate of insurance shall include a ten (10) day non-renewal notice provision. The Commercial General Liability and Automobile Liability policy shall name the LEA and the Board of Education additional insured's premiums on all insurance policies and shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

- F. Any deductibles or self-insured retentions above \$100,000 must be disclosed to and approved by the LEA. At its option, LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees, or (b) procure a bond guaranteeing payment of losses and related investigation.

- G. For any claims related to the services contracted for under this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects to the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance may reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.

PART II – INSURANCE REQUIREMENTS FOR NONPUBLIC SCHOOLS AFFILIATED WITH A RESIDENTIAL TREATMENT FACILITY (“RTC”)

When CONTRACTOR is a nonpublic school affiliated with a residential treatment center (NPS/RTC), the following insurance policies are required:

- A. **Commercial General Liability Insurance** of \$3,000,000 per Occurrence and \$6,000,000 in General Aggregate. The policy shall be endorsed to name the LEA and the Board of Education as named additional insureds and shall provide specifically that any insurance carried by the LEA which may be applicable to any claims or loss shall be deemed excess and the RTC's insurance primary despite any conflicting provisions in the RTC's policy. Coverage shall be maintained with no self-insured retention above \$100,000 without the prior written approval of the LEA.
- B. **Workers' Compensation Insurance** in accordance with provisions of the California Labor Code adequate to protect the RTC from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). - C. **Commercial Auto Liability** coverage with limits of \$1,000,000 Combined Single Limit per Occurrence if the RTC does not operate a student bus service. If the RTC provides student bus services, the required coverage limit is \$5,000,000 Combined Single Limit per Occurrence.
- D. **Fidelity Bond or Crime** coverage shall be maintained by the RTC to cover all employees who process or otherwise have responsibility for RTC funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$250,000 per occurrence, with no self-insured retention.
- E. **Professional Liability/Errors & Omissions/Malpractice** coverage with minimum limits of \$3,000,000 per occurrence and \$6,000,000 general aggregate.

If LEA or CONTRACTOR determines that a change in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations. Consistent with Section 5 of this Master Contract, however, the Master Contract may be amended only by written amendment executed by both Parties.

16. INDEMNIFICATION AND HOLD HARMLESS

Except with respect to claims arising from a Party's separate negligence or willful acts, which shall remain that Party's personal obligation, each Party agrees to defend, indemnify and hold harmless the other Party and its directors, officers, employees, agents, attorneys, volunteers, and subcontractors with respect to a claim

resulting from or arising out of this Master Contract or its performance and arising from the Party's actual or alleged act, failure to act, error, or omission in the performance of their obligations under this Agreement or any governing law or regulations.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Master Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR'S original request and CONTRACTOR shall not subcontract for said services.

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit to LEA for approval the proposed subcontract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts to the fullest extent possible. Furthermore, when CONTRACTOR creates subcontracts for the provision of special education and/or related services (including without limitation, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Master Contract, for the duration of the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor must furnish LEA with original endorsements and certificates of insurance effective coverage required by Section 15 of this Master Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by the LEA. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured. All endorsements are to be received and approved by LEA before the subcontractor's work commences. In addition, all sub-contractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid and disclose any relationship with LEA that constitutes or may constitute a conflict

of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR'S facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e. before or after LEA student is enrolled in CONTRACTOR'S school/agency) or whether an assessment of LEA student is performed or a report is prepared in the normal course of the services provided to LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, LEA may, in its discretion, not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a nonpublic agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within three hundred and sixty five (365) days prior to executing this Master Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not unlawfully discriminate on the basis of gender, nationality, race or ethnicity, religion, age, sexual orientation, gender identity, gender expression, or disability or any other classification protected by federal or state law, in employment or operation of its programs.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION ("FAPE")

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If a LEA student's services are provided by a third party (i.e. a related services provider) CONTRACTOR shall notify LEA, in writing, if the provision of services ceases.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education

and/or related services as specified in LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of LEA student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide all LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for LEA student to receive a free appropriate public education after: (a) written notification to LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for an LEA student to receive a free appropriate public education shall not interfere with LEA student's receipt of special education and/or related services as specified in LEA student's IEP and ISA unless LEA and CONTRACTOR agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.* and shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR'S general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in LEA student's IEP and ISA. LEA students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards-aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling. When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Master Contract.

When CONTRACTOR serves LEA students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to LEA students who have not successfully completed all of LEA's graduation requirements. Per Sections 60851.5 and 60851.6 of the California Education Code, these requirements do not include passing the California High School Exit Exam ("CAHSEE") as the administration of that examination is currently suspended.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR'S general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines/certifications and any state licensing requirements and shall be provided as specified in LEA student's IEP and ISA. The nonpublic agency providing Behavior Intervention Services

shall develop a written treatment plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a contractor that is an LCI, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver has a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI contractors shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Contractors providing Behavior Intervention Services must have on staff individuals trained as the law requires. (Cal. Code Regs., tit. 5, § 3051.23.) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

For students in grades kindergarten through 12, inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be the same as the Education Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in LEA student's IEP and ISA.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in LEA student's ISA developed in accordance with LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both Parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three (3) and five (5) years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Master Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for the regular school year and/or extended school year, the approved number of days shall become the total billable days for the nonpublic school or agency. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe only the same legal holidays as LEA. As of the execution of this Master Contract, these holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in LEA student's IEP and ISA. Unless otherwise specified in LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that LEA student's school of attendance is in session and LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA, all data (including billing information) related to students who are served by the CONTRACTOR. CONTRACTOR agrees to provide all data related to or referenced

in any and all sections of this Master Contract if requested by LEA. CONTRACTOR agrees to provide all requested information in the format required by LEA. It is understood that all nonpublic schools and nonpublic agencies shall utilize the Special Education Information System (SEIS) or comparable program/system approved by LEA/SELPA for all IEP development and progress reporting. Additional progress reporting may be required by LEA. LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

LEA shall provide CONTRACTOR with approved forms and/or format for such data including but not limited to invoicing, attendance reports and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options (and/or dual enrollment options if available and appropriate) for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services and goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommendations and/or activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASP"), Desired Results Developmental Profile ("DRDP"), achievement and abilities tests (using LEA-authorized assessment instruments), and the Fitness Gram, California English Language Development Test ("CELDT") as appropriate to the student and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS

CONTRACTOR shall comply with all requirements of Education Code section 56521.1 and 56521.2 regarding positive behavior interventions. Failure to do so shall constitute sufficient cause for contract termination.

LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the individualized education program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy consistent with California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). Further, CONTRACTOR shall affirmatively inform each of its employees about the policy and provide each employee a copy thereof. CONTRACTOR shall also ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training shall be submitted to the LEA at the beginning of the school year and within 6 days of any new hire.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP that is designed to change, replace, modify, or eliminate a targeted behavior, and instead may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency interventions shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of an emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency, as suitable to the situation.

To prevent emergency interventions from being used in lieu of planned, systematic behavioral interventions, the parent, guardian, and residential care provider, if appropriate, shall be notified if an emergency intervention is used or serious property damage occurs. CONTRACTOR shall immediately complete and maintain in the file of LEA student a BER which shall include all of the following: (1) The name and age of the individual with exceptional needs; (2) The setting and location of the incident; (3) The name of the staff or other persons involved; (4) A description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) Details of any injuries sustained by LEA student or others, including staff, as a result of the incident. The BER shall be submitted to LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone.

Consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a behavior intervention plan, the designated responsible administrator shall, within two days, schedule an IEP Team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP Team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. Consistent with the requirements of California Education Code section 56521.1(h), if a behavioral emergency report is written regarding an LEA student who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall submit a written discipline report within 24 hours to LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school and/or by the nonpublic agency; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (Ed. Code §§ 56366(a)(2)(B)(i), (ii); 56345(b)(4).)

If an LEA student is to be transferred from a nonpublic school setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP Team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, a parent, the CONTRACTOR or LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to the parent(s), the CONTRACTOR and LEA. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP Team meeting, documentation which shows progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the Special Education Information System (SEIS) or other comparable program/system as designated by LEA at LEA's discretion, for all IEP planning and progress reporting. LEA or SELPA shall provide training for any nonpublic school and nonpublic agency to assure access to SEIS or the comparable program/system designated for use by LEA. The nonpublic school and/or nonpublic agency shall maintain confidentiality of all IEP data on SEIS or comparable program/system and shall protect the password requirements of the system. When a student disenrolls from the nonpublic school or stops receiving services from the nonpublic agency, such CONTRACTOR shall discontinue use of SEIS and/or comparable program/system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR

may request a review of the student's IEP for the purpose of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an interim alternative educational placement is deemed lawful and appropriate by LEA or OAH.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with all LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR'S program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 et seq.; (2) Nondiscrimination Policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy pursuant to California Education Code 231.5; (4) Title IX Student Grievance Procedures pursuant to Title 34 of the Code of Federal Regulations sections 106.8(a) and 106.9(a); (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPPA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 et seq. CONTRACTOR shall include verification of these procedures to LEA.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents, with a concurrent copy sent to LEA, at least four written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR'S place of business.

CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, chart notes, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior support and/or intervention plans. LEA may request copies of such data at any time within five years of the date of service. CONTRACTOR agrees to maintain the information for at least five years and also shall provide this data supporting progress within 5 business days of request. Additional time may be granted as needed by LEA.

CONTRACTOR shall complete academic or other assessment of LEA student one month prior to LEA student's annual or triennial review IEP team meeting for the purpose of reporting LEA student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and

pursuant to LEA policies, procedures, and/or practices. Sufficient copies of reports, projected goals and/or any other relevant documents to be reviewed by the IEP Team shall be provided to the District no later than five (5) business days prior to an annual or triennial IEP team meeting. CONTRACTOR shall maintain all supporting documentation including but not limited to test protocols and data collection, which shall be made available to LEA within 5 business days of request.

CONTRACTOR is responsible for all assessment costs regarding the updating of goals and objectives, progress reporting and the development of present levels of performance. All other assessments shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Such assessment costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For nonpublic agency services, supervision provided by a qualified individual as specified in Title 5 of the California Code of Regulations section 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

For services provided on a public school campus, sign in/out procedures shall be followed along with all procedures for being on campus consistent with school and LEA policy. It is understood that the public school credentialed classroom teacher is responsible for the educational program and all nonpublic agency service providers shall work collaboratively with the classroom teacher who shall remain in charge of the instructional program.

It is understood that all employees, subcontractors and volunteers of any certified nonpublic school or agency shall adhere to customary professional standards when providing services. All practices shall be within the scope of professional responsibility as defined in the professional code of conduct for each profession. Reports regarding student progress shall be consistent with the provision of the Master Contract.

CONTRACTORS providing services outside of the student's school as specified in the IEP shall ensure that at least one parent of the child or an adult caregiver with written and signed authority to make decisions in an emergency is present during provision of services. A LCI shall not require that a pupil be placed in its nonpublic school as a condition of being placed in its residential facility.

If CONTRACTOR is a nonpublic, nonsectarian school that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all LEA students, including those identified as eligible for special education. For those identified special education students, the list shall include: 1) special education eligibility at the time of enrollment and 2) the educational placement and services specified in each student's IEP at the time of enrollment.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by LEA student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this state shall be certified or licensed by that state to provide special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. CONTRACTOR shall further certify in writing to LEA that none of its employees, volunteers, or subcontractors who will have, or likely may have any direct contact with LEA students, have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237(i) or (j). Clearance certification shall be submitted to LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from the CDOJ as required by California Penal Code section 11105.2.

The passage of AB 389 amends Education Code sections 44237 and 56366.1 as to the verification that the CONTRACTOR has received a successful criminal background check clearance and has enrolled in subsequent arrest notification service, as specified, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Further this bill deletes the exemption for applicants possessing a valid California state teaching credential or who are currently licensed by another state agency that requires a criminal record summary, from submitting 2 sets of fingerprints for the purpose of obtaining a criminal record summary from the California Department of Justice ("CDOJ") and the Federal Bureau of Investigation ("FBI"). Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the nonpublic, nonsectarian school or agency. Failure to notify LEA of changes in licenses, certifications or suspensions shall be good cause for termination of this Master Contract by LEA.

Failure to notify LEA and CDE of any changes in credentialing/licensed staff may result in suspension or revocation of CDE certification and shall also suffice as good cause for the suspension or termination of this Master Contract by LEA.

48. STAFF ABSENCE

When CONTRACTOR is a nonpublic school and CONTRACTOR'S classroom teacher is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. It is understood that the public school credentialed classroom teacher is responsible for the instructional program, and all nonpublic agency service providers shall work collaboratively with the classroom teacher, who shall remain in charge of the instructional program. All problems and/or concerns reported to parents, both verbal and written shall also be provided to LEA. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR'S written request showing good cause, LEA shall extend CONTRACTOR'S time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR'S notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after LEA's response to CONTRACTOR'S notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Master Contract may be appealed to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

59. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students.

60. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10th) cumulative day of LEA student's unexcused absence, CONTRACTOR shall notify LEA of such absence as specified in LEA Procedures.

Criteria for a billable day for payment purposes is one day of attendance as defined in California Education Code sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days that a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for ADA reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR'S service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section seven (7) of this Master Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR'S service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth (5th) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

61. INSPECTION AND AUDIT

CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide LEA access to all records as defined in Section 9 of this Master Contract. CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR'S offices (to be specified by LEA), at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR'S offices for purposes of interviewing CONTRACTOR'S employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to LEA, unless LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR'S over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR'S over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedules (Exhibits A and B) limit the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the percentage of a 314-minute instructional day.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this Master Contract, shall be as stated in Exhibits A and B.

When CONTRACTOR is a nonpublic school associated with a Residential Treatment Center ("NPS/RTC"), Educationally Related Mental Health Services (ERMHS) are provided in an integrated, intensive, educationally related therapeutic residential setting which includes social emotional/behavior support through individual counseling, group counseling, family consultation and support, as appropriate. It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature.

63. DEBARMENT CERTIFICATION

By signing this agreement, CONTRACTOR certifies that:

- (a) CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and
- (b) Has/have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

The Parties hereto have executed this Master Contract by and through their duly authorized agents or representatives. This Master Contract is effective on the 1st day of July 2016 and terminates at 5:00 P.M. on June 30, 2017, unless sooner terminated as provided herein.

INDEPENDENT CONTRACTOR OR EMPLOYEE? DISTRICT GUIDELINES

PART I

| | YES | NO |
|--|-----|----|
| 1. Has this category of worker already been classified an "employee" by the IRS? <i>Refer to page 1 for individuals listed in IRS Publication SWR 40 and others identified during the IRS compliance studies in San Diego County.</i> | | X |
| 2. Is the individual working as an employee prescribed by the Education Code? <i>Education Code sections 45100-45451/88000-88263 define what constitutes classified service and 44800-45060/87000-87333 define certificated service. The IRS predisposes an employer/employee relationship when state law mandates such a relationship.</i> | | X |
| 3. Is the individual already an employee of the district in another capacity? | | X |
| 4. Has the individual performed substantially the same services for the district as an employee in the past? <i>Is the individual retired, returning to substitute, or train, etc.?</i> | | X |
| 5. Are there currently employees of the district doing substantially the same services as will be required of this individual? | | X |
| 6. Does the district have the legal right to control the method of performance by this individual? <i>Consider whether the district has to train this individual or give instruction as to when, where, how, and in what order to work. Does the district require the individual to submit reports or perform the services at a district site? These factors would indicate the district maintains control sufficient for an employer/employee relationship. However, it is not necessary that the district exercise this right or have the expertise required to do so. In many cases this would not be practical nor advisable.</i> | | X |
| 7. Are the services, as being provided, an integral part of school operations? <i>Are the services being provided necessary to the operation of the school, program, project, etc.? This indicates the district has an interest in the method of performance and implies the maintenance of legal control.</i> | | X |

If the answer to any of the above questions is "YES",

STOP HERE

Do not complete the rest of the questions. The individual is the district employee and must be paid and reported accordingly.

If all of the above are "NO", continue...

PART II

| | YES | NO |
|---|-----|----|
| 8. Must the required service be performed by this individual? <i>Consider whether or not the individual may designate someone else to do the work without the district's knowledge or approval</i> | | X |
| 9. Does the district have a continuing relationship with this individual? <i>Is this a "one shot deal" or will the district continue to use this individual in the future? This could be on an infrequent or irregular basis but a continuous relationship exists.</i> | | X |
| 10. Can this relationship be terminated without the consent of both parties? | | X |

If the answer to questions 8, 9, or 10 is "YES", there is a good possibility that an employment relationship exists. Questions 8 & 9 are indicators of district control that, in conjunction with other factors, imply an employment relationship. Go back to PART I and re-evaluate each question. If questions 1-7 are still all "NO", continue...

PART II - continued

| | YES | NO |
|--|-----|----|
| 11. Does the individual operate an independent trade or business that is available to the general public? <i>A determining factor in judging independence is the performance of services to the general public. In evaluating this criteria, school districts are considered to be separate entities. Keep in mind: if the district is utilizing this individual's services on a full-time basis, the individual is not available to the general public. NOTE: Possession of a business license or incorporation does not automatically satisfy this requirement. The determination must be made on the actual relationship between the district and the individual performing services.</i> | X | |
| 12. Does the individual have a substantial investment in his/her business, i.e. maintains a facility, equipment, etc.? <i>This is indicative of economic risk inherent in business enterprises. An independent contractor must be able to make a profit or sustain a loss.</i> | X | |

If either 11 or 12 are "NO", the individual is a district employee

STOP HERE

and process the individual through payroll.

If 11 and 12 are both "YES", continue

| | YES | NO |
|---|-----|----|
| 13. Does the individual provide all materials and support services necessary for the performance of this service? <i>The district should not be providing office space, clerical, secretarial, or any other support for this individual such as materials, xeraxing, printing, office supplies, etc. Any necessary assistants would be hired by the individual.</i> | X | |
| 14. Is this paid by the job or on a commission? | | |
| 15. Does the individual bear the cost of any travel and business expenses incurred to perform this service? <i>Generally, these types of expenses are paid by an employer, however, some contracts provide for payment of airfare, mileage, etc. for consultants.</i> | X | |

If 11 and 12 are "YES", 13 through 15 should also be "YES" and are items that should be written into the consultant contract. This individual is an independent contractor. | 2. Is the individual working as an employee prescribed by the Education Code? Education Code sections 45100-45451/88000-88263 define what constitutes classified service and 44800-45060/87000-87333 define certificated service. The IRS predisposes an employer/employee relationship when state law mandates such a relationship. | | X |

However, it is <u>not necessary</u> that the district <u>exercise</u> this right or have the expertise required to do so. In many cases this would not be practical nor advisable.</i> | | X |

Designate David French as primary and Alyson Collier as alternate board approved CJUSD voting designee for the Capital Adult Education Regional Consortium.

In the Sacramento region, funding was allocated to Los Rios Community College District (LRCCD) to establish the Capital Adult Education Regional Consortium (CAERC). CAERC is comprised of 17 member and 22 partners from through the LRCCED geographical boundary. Members include school districts, county offices of education, and representatives from all four of the LRCCD colleges.

In order for CAERC to qualify for an allocation under the state Adult Education Block Grant, each member agency must have a LEA governing board approved CAERC member and governing board approval of the CAERC Governance document. In 2015/2016 the Center JUSD board approved the governance document, Alyson Collier as primary and David French as alternate voting designee. Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area

MEMORANDUM OF UNDERSTANDING
FOR THE
SACRAMENTO WORKFORCE DEVELOPMENT AREA
2016

I. Preamble/Purpose of MOU

Under the Workforce Innovation and Opportunity Act (WIOA), Sacramento County, including the incorporated cities within its boundaries, has been designated as the Sacramento Workforce Development Area (SWDA). The Sacramento Employment and Training Agency Governing Board (Governing Board) has been designated as the Chief Elected Official (CEO) of the SWDA. Sacramento Works, Inc. (SWI) has been certified as the Local Workforce Development Board (Local Board) for the SWDA. The WIOA requires that each Local Board, with the agreement of the CEO, develop and enter into a Memorandum of Understanding (MOU) with specified One Stop Partners (Partner or Partners) – entities that operate the following programs or activities within the SWDA:

- WIOA Title I Adult, Dislocated Worker, and Youth
- WIOA Title II Adult Education and Literacy
- WIOA Title III Wagner-Peyser
- WIOA Title IV Vocational Rehabilitation
- Carl Perkins Career Technical Education
- Title V Older Americans Act
- Job Corps
- Native American Programs (Section 166)
- Migrant Seasonal Farmworkers (Section 167)
- Veterans
- Youth Build
- Trade Adjustment Assistance Act
- Community Services Block Grant
- Housing & Urban Development

**Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area**

- Unemployment Insurance
- Second Chance
- Temporary Assistance for Needy Families/CalWORKs

The name of each Partner entity, name of representative(s) and contact information are included in Attachment A, which is incorporated herein by reference.

The State of California Employment Development Department has established the "America's Job Center of California" (AJCC) system as the mechanism for delivering WIOA services within local areas, including the SWDA. The State of California has developed a Workforce Development Strategic Plan (State Plan) to provide for a locally-driven one stop system to develop partnerships that will provide programs and services to achieve the following three main policy objectives set forth in the State Plan:

1. Foster demand-driven skills attainment
2. Enable upward mobility for all Californians
3. Align, coordinate, and integrate programs and services

In turn, SWI has adopted a Local Plan that further refines the objectives for the SWDA to implement the AJCC system within the SWDA to meet the following local area policy objectives:

1. Goal 1: Meet the workforce needs of high demand sectors of the state and regional economy and diversify the economy through growth and support of occupational sectors/clusters with high growth potential.
2. Goal 2: Build and maintain a world-class talent pool by increasing the attainment of industry recognized credential, with an emphasis on individuals with barriers to employment, and by increasing the number of high-school students who are prepared for post-secondary education, apprenticeships and/or a career.
3. Goal 3: Support system alignment, service integration and continuous improvement.

With the agreement of the Governing Board, this MOU outlines the understanding between SWI and the WIOA Partners concerning the operation of the AJCC in the SWDA. This MOU is intended to establish a cooperative working relationship between SWI and the Partners and define their respective roles and responsibilities in achieving the policy objectives set forth in the State Plan and the Local Plan as they are implemented under WIOA. This MOU will also

Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area

establish the framework to be used in the SWDA to provide services to employers, employees, job seekers and others seeking workforce services under the newly-implemented WIOA and the AJCC system.

These State and local policy objectives will be met by ensuring access to a high-quality AJCC that provides a full range of services available in the SWDA for all customers seeking the following:

- *Looking to find a job.*
- *Building basic educational or occupational skills.*
- *Earning a postsecondary certificate or degree.*
- *Obtaining guidance on how to make career choices.*
- *Seeking to identify and hire skilled workers.*

I. **Parties to the MOU.** This MOU is entered into by SWI (subject to the agreement of the Governing Board) and each Partner whose signature appears on a signature page of this MOU. Faxed signatures or signatures provided in electronic, portable document format (pdf) are binding and may be treated as original signatures for all purposes. This MOU may be executed by any Partner in any number of counterparts, but all counterparts shall be considered one MOU, and any signature pages, including facsimile or electronic copies thereof, may be assembled to form a single original document. Upon execution of any counterpart by a Partner, SWI shall provide an executed copy of the counterpart to every Partner who is or becomes a party to this MOU. By executing a counterpart, each Partner to the MOU acknowledges that this MOU accurately reflects such Partner's understanding and authorization to distribute a copy of such executed counterpart to the Governing Board, SWI and any other Partner signatory to this MOU.

II. **One-Stop System, Services.** The SWDA's One-Stop System is a network of One-Stop Partners and Service Providers who coordinate and connect education, training, workforce development and related services to job seekers and businesses throughout the region.

The specific services provided by each One-Stop Partner will be identified on Attachment B, which reflects each Partner's service location(s), services provided, contact person and contact method (i.e., co-location, electronic, etc.) to ensure "direct access" to services. Attachment B includes a map showing all Partners' service locations and a chart showing all Partners' career services with contact person/information for "direct access" purposes. As new Partners execute the MOU, Attachment B will be updated by SWI and circulated to the Governing Board and the other signatory Partners, along with the signature page of the new Partner.

III. Responsibility of AJCC Partners. Each Partner signatory to this MOU agrees to:

- Participate in joint planning, plan development, and modification of activities to accomplish the following:
 - Continuous Partnership building.
 - Continuous planning in response to state and federal requirements.
 - Responsiveness to local and economic conditions, including employer needs.
 - Adherence to common data collection and reporting needs.
- Make the service(s) applicable to the Partner program available to customers through the one-stop delivery system.
- Participate in the operation of the one-stop system, consistent with the terms of the MOU and requirements of authorized laws.
- Participate in capacity building and staff development activities in order to ensure that all Partners and staff are adequately cross-trained.

IV. Funding of Services and Operating Costs. Each Partner signatory to this MOU agrees to negotiate with SWI and implement a cost/resource sharing plan by December 31, 2017. Upon execution, the Cost/Resource Sharing Agreement shall be appended to this MOU as Attachment C and incorporated herein. All relevant parties to this MOU agree to share in the operating costs of the AJCC **system**, either in cash or through in-kind services/resources. The cost of services, operating costs, and infrastructure costs of the AJCC will be funded by all AJCC Partners through a separately negotiated cost/resource sharing agreement based on an equitable and agreed upon formula or plan. All Partners will ensure that the shared costs are supported by accurate data, the shared costs are consistently applied over time, and the methodology used in determining the shared costs is reflected in the Cost/Resource Sharing Agreement set forth in Attachment C to this MOU.

Except as provided in Attachment C, this MOU is neither a fiscal nor funds obligation document. Any activities involving reimbursement or contribution of funds between the Parties of this MOU will be handled in accordance with applicable laws, regulation, and procedures. Such activities will be documented in separate agreements, with specific projects between the parties spelled out. The separate agreements will reference this MOU.

This MOU defines in general terms the basis on which the Parties will cooperate, and as such, does not constitute a financial obligation to serve as a basis for expenditures. Expenditures of

Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area

funds, human resources, equipment, supplies, facilities, training, public information, and expertise will be provided by each signatory to the extent that their participation is required and resources are available.

This MOU in no way restricts the Parties from participating in similar activities or arrangements with other public or private agencies, organizations, or individuals.

This MOU does not obligate the Parties to enter into any agreements, contracts, or other obligations.

Nothing in this MOU may be construed to obligate the Parties, the State of California, or the United States to any current or future expenditure of resources in advance of the availability of appropriations from Congress. Nor does this agreement obligate the Parties, the State of California, or the United States to spend funds on any particular project or purpose, even if funds are available.

V. Methods for Referring Customers. Each Partner agrees to mutually implement processes for the referral/connection of customers to services not provided on-site.

The referral/connection process will:

- Ensure that intake and referral/connection processes are customer-centered and provided by staff trained in customer service.
- Ensure that general information regarding AJCC programs, services, activities and resources shall be made available to all customers as appropriate.
- Describe how customer referrals/connections are made electronically, through traditional correspondence, verbally or through other means determined in cooperation with Partners and operators.
- Describe how each AJCC Partner will provide access to other AJCC Partner staff and career services that can provide meaningful information or service, through the use of co-location, cross training of AJCC staff, or real-time technology (two way communication and interaction with AJCC Partners which results in services needed by the customer).

VI. Access to Services for Workers, Youth and Individuals with Barriers to Employment.

The AJCC system will ensure access for workers, youth and individuals with barriers to employment by:

- Offering priority for services to recipients of public assistance, other low-income individuals, individuals who are basic skills deficient, and (consistent with SWI's policy on priority of service) other individuals with barriers to employment, when providing individualized career services and training services with WIOA adult funds.

Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area

Each Partner agrees to ensure that the policies and procedures as well as the programs and services provided at the AJCC are operated in compliance with the Americans with Disabilities Act of 1990 and its amendments. Additionally, Partners agree to fully comply with the provisions of WIOA, Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, 29 CFR Part 37 and all other regulations implementing the aforementioned laws.

VII. **Shared Technology and System Security.** To the extent allowed by federal and state laws and regulations, the parties agree to share data and technology as well to ensure that all data and systems are secure.

WIOA emphasizes technology as a critical tool for making all aspects of information exchange possible, including client tracking, common case management, reporting, and data collection. To support the use of technology, and to the extent allowable, each Partner agrees to:

- *Comply with the applicable provisions of WIOA, the California Welfare and Institutions Code, California Education Code, Federal Rehabilitation Act, and any other appropriate statutes or requirements.*
- *The principles of common reporting and shared information through electronic mechanisms, including shared technology.*
- *Commit to share information to the greatest extent allowable under their governing legislation and confidentiality requirements.*
- *Maintain all records of the AJCC customers or Partners (e.g. applications, eligibility and referral records, or any other individual records related to services provided under this MOU) in the strictest confidence, and use them solely for purposes directly related to such services.*
- *Develop technological enhancements that allow interfaces of common information needs, as appropriate.*
- *Understand that system security provisions shall be agreed upon by all Partners.*

VIII. **Confidentiality.** Each Partner agrees to comply with the provisions of WIOA as well as the applicable sections of the California Welfare and Institutions Code, the California Education Code, the Federal Rehabilitation Act, and any other appropriate statute or requirement to assure the following:

- *All applications and individual records related to services provided under this MOU, including eligibility for services and enrollment and referral, shall be confidential and*
- *Shall not be open to examination for any purpose not directly connected with the delivery of such services.*
- *No person will publish, disclose use, or permit, cause to be published, disclosed or used, any confidential information pertaining to AJCC applicants, participants, or*

customers overall unless a specific release is voluntarily signed by the participant or customer.

- *Each Partner agrees to abide by the current confidentiality provisions of the respective statutes to which AJCC operators and other Partners must adhere, and shall share information necessary for the administration of the program as allowed under law and regulation. Each Partner, therefore, agrees to share client information necessary for the provision of services such as assessment, universal intake, program or training referral, job development or placement activities, and other services as needed for employment or program support purposes.*
- *Client information shall be shared solely for the purpose of enrollment, referral or provision of services. In carrying out their respective responsibilities, each party shall respect and abide by the confidentiality policies of the other parties.*

IX. **Non-Discrimination and Equal Opportunity.** No Partner shall unlawfully discriminate, harass or allow harassment against any employee, applicant for employment or AJCC applicant for service due to gender, race, color, ancestry, religion, national origin, veteran status, physical disability, mental disability, medical condition(s), age, sexual orientation or marital status. Each Partner agrees to comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990, et. seq.) and related applicable regulations.

Each Partner will assure compliance with the Americans with Disabilities Act of 1990 and its amendments, which prohibits discrimination on the basis of disability, as well as other applicable regulations and guidelines issued pursuant to the Americans with Disabilities Act.

X. **Grievances and Complaints Procedure.** Each Partner agrees to establish and maintain a procedure for grievances and complaints as outlined in WIOA. The process for handling grievances and complaints is applicable to customers and Partners. These procedures will allow the customer or entity filing the complaint to exhaust every administrative level in receiving a fair and complete hearing and resolution of their grievance. The Partner further agrees to communicate openly and directly to resolve any problems or disputes related to the provision of services in a cooperative manner and at the lowest level of intervention possible.

The parties agree to try to resolve policy or practice disputes at the lowest level, starting with the site supervisor(s) and staff. If issues cannot be resolved at this level, they shall be referred to the management staff of the respective staff employer and the operator, for discussion and resolution. Conflicts that may arise regarding the interpretation of the clauses of this MOU will be resolved by the Governing Board, and that decision will be considered final and not subject to further appeal or to review by any outside court or other tribunal.

XI. **Effective Dates and Term of MOU.** This MOU shall be binding upon each party hereto upon execution by such party. The term of this MOU shall be three years, commencing on the date of execution by the first three parties (Effective Date). The MOU will be reviewed not less

Workforce Innovation and Opportunity Act
Memorandum of Understanding for the
Sacramento Workforce Development Area

than once every year to identify any substantial changes that have occurred or should occur.

XII. **Modifications and Revisions.** This MOU constitutes the entire agreement between the parties and no oral understanding not incorporated herein shall be binding on any of the parties hereto. This MOU may be renegotiated, amended, or modified at any time by mutual agreement of all the Parties. Any such amendment or modification shall be in writing and agreed to by all Parties.

XIII. **Term and Termination.** The parties understand that implementation of the AJCC system is dependent on the good faith effort of every Partner to work together to improve services to the community. The parties also agree that this is a project where different ways of working together and providing services are being tried. This MOU shall remain in effect for a period of three (3) years from the Effective Date. This MOU may be terminated by any Party by providing written notice and explanation to the other Parties at least 30 calendar days in advance of the effective date of termination. The termination of this MOU shall not affect the validity or duration of activities or agreements under this MOU that are initiated prior to such termination or that are continued by the remaining Parties.

XIX. **Renewal.** This MOU may be renewed for additional periods of 3 years, by mutual written consent of the Parties.

XX. **License for Use.** During the term of this MOU, all Partners to this MOU shall have a license to use space of the AJCCs for the sole purpose of conducting acceptable AJCC services as outlined herein.

XXI. **Supervision/Day to Day Operations.** The day-to-day supervision of staff assigned to the AJCCs will be the responsibility of the site supervisor(s). The original employer of staff assigned to the AJCCs will continue to set the priorities of its staff. Any change in work assignments or any problems at the worksite will be handled by the site supervisor(s) and the management of the original employer.

The office hours for the staff at the AJCCs will be established by the site supervisor(s) and the primary employer. All staff will comply with the holiday schedule of their primary employer and will provide a copy of their holiday schedule to the operator and host agency at the beginning of each fiscal year.

Disciplinary actions may result in removal of co-located staff from the AJCCs and each party will take appropriate action.

Each party shall be solely liable and responsible for providing to, or on behalf of, its employee(s), all legally-required employee benefits. In addition, each party shall be solely responsive and save all other parties harmless from all matters relating to payment of each

party's employee(s), including compliance with social security withholding, workers' compensation, and all other regulations governing such matters.

XXII. **Press Releases and Communications.** All parties shall be included when communicating with the press, television, radio or any other form of media regarding its duties or performance under this MOU. Participation of each party in press/media presentations will be determined by each party's public relations policies. Unless otherwise directed by the other parties, in all communications, each party shall make specific reference to all other parties.

The parties agree to utilize the AJCC logo developed by the State of California and the Local Board on buildings identified for AJCC usage and on letterhead, envelopes, business cards, any written correspondence and fax transmittals.

XXIII. **Personal Property.** Title to any personal property, such as computers, computer equipment, office supplies, and office equipment furnished by a Party to the AJCC under this MOU shall remain with the Party furnishing the property. All parties agree to exercise due care in handling such property. However, each party agrees to be responsible for any damage to its property which occurs in the performance of its duties under this MOU, and to waive any claim against any other Party for such damage, whether arising through negligence or otherwise.

XXIV. **Liability and Risk of Loss.**

a. To the extent permitted by law, with regard to activities undertaken pursuant to this MOU, none of the parties to this MOU shall make any claim against one another or their respective instrumentalities, agents or employees for any injury to or death of its own employees, or for damage to or loss of its own property, whether such injury, death, damage or loss arises through negligence or otherwise.

b. To the extent permitted by law, if a risk of damage or loss is not dealt with expressly in this MOU, such party's liability to another party, whether or not arising as the result of alleged breach of the MOU, shall be limited to direct damages only and shall not include loss of revenue or profits or other indirect or consequential damages.

XXV. **Hold Harmless/Indemnification/Liability.** In accordance with provisions of Section 895.4 of the California Government Code, each party hereby agrees to indemnify, defend and hold harmless all other parties identified in this MOU from and against any and all claims, demands, damages and costs arising out of or resulting from any acts or omissions which arise from the performance of the obligations by such indemnifying party pursuant to this MOU. In addition, except for Departments of the State of California which cannot provide for indemnification of court costs and attorney's fees under the indemnification policy of the State of California, all other parties to this MOU agree to indemnify, defend and hold harmless each other from and against all court costs and attorney's fees arising out of or resulting from any acts or omissions

Term of Agreement – July 1, 2016 through June 30, 2019

I. Purpose and Parties

The purpose of this MOU is to document the relationship and articulate roles and responsibilities between the Capital Adult Education Regional Consortium (CAERC) fiscal agent (SCOE) and each of the CAERC members. This Memorandum of Understanding is entered into between Sacramento County Office of Education (SCOE), and Center Joint Unified School District. Center Joint Unified School District and SCOE hereby agree to the following terms of this MOU. Center Joint Unified School District is a member of CAERC. Center Joint Unified School District, hereinafter referred to as "CAERC Member."

II. Background

AB 86 Planning Grant

The 2013-14 State Budget, under the auspices of Assembly Bill 86, appropriated \$25 million to the California Community College Chancellor's Office (CCCCO) to provide funding for two-year adult education planning and implementation grants. AB 86 supported the development of regional adult education consortium plans that focus on expanding and improving opportunities for education and workforce services for adults. From July 1, 2013 to December 31, 2015, AB 86 consortia, consisting of K-12 school districts, community college districts, and other partners developed regional education and workforce service plans for adults.

AB 104 Adult Education Block Grant

On June 24, 2015 Governor Jerry Brown signed AB 104 into law. The 2015-16 year represents the transition period from the planning that took place with AB 86 to the actualization of the Adult Education Block Grant (AEBG). The 2015-16 State Budget included \$500 million in new funding for seven authorized adult education program areas. On April 20, 2016, the CCCC and CDE notified all consortia of their intent to award AEBG funding for fiscal years 2016-17 and 2017-18.

Role and Function of CAERC

The Capital Adult Education Regional Consortium is comprised of 14 members – 11 K-12 school districts, 2 county offices of education, the Los Rios Community College District (4 colleges) – and 22 partner agencies. For 2016-17, a total of \$11,128,458 was allocated to CAERC member agencies.

III. Role of SCOE and CAERC Member

Role of SCOE

As the fiscal agent, SCOE will distribute consortium funds in accordance to the CAERC Governance and Fiscal Allocation Plans (approved November 2015), AB 104, and Education Code section 84913. SCOE will be responsible for collecting, compiling, and reporting consortium-level fiscal, program information, and learner performance outcome measures to the AEBG office.

Role of CAERC Member

CAERC Member will adhere to the agreements outlined in the CAERC Governance and Fiscal Allocation Plans (approved November 2015). CAERC Member will be responsible for participating in the consortium decision-making process and reporting member fiscal, program information, and learner performance outcome measures to the consortium as specified in AB 104 and any associated AEBG Program guidelines.

Role of Both Parties

Both parties will work together to comply with AB 104's reporting requirements. AB 104 requires that each consortium report allocations by participating members, budgets by program area and objective, and file expenditure and progress reports. Allocations by members should match expenditures, follow CAERC's 2016-17 Annual Plan, and adhere to the expenditure guidelines outlined in the AB 104 Allowable Uses Guide.

IV. SCOE Responsibilities

As the CAERC fiscal agent, SCOE will act as the banker, process expenses and expenditure contracts as agreed upon by the members, and work with the members to implement fiscal decisions per CAERC's 2016-17 Annual Plan and Three-Year Amended Consortium Plan.

As the designated fiscal and program information-reporting agency, SCOE will:

1. Compile and report members' consortium allocation expenditures and progress every six months to the California Community Colleges Chancellor's Office's online system.
2. Compile and report members' final program-area expenditures for MOE and consortium allocations to the AEBG office annually in July.
3. Compile and submit members' mid-year report and annual report for student summary report and program-outcome summary report for student progress to the AEBG office.
 - a. The student summary report will include: (1) the number of students served by members of the consortium, (2) the demographics for these students, and (3) student enrollment by program.
 - b. The program outcome summary report for student progress will include: (1) improved literacy skills, (2) completion of high school diplomas and recognized equivalents, (3) completion of post-secondary certificates, degrees, or training programs, (4) placement into jobs, (5) improved wages, (6) transfers from adult school to post-secondary, and (7) transfers from post-secondary noncredit to credit.
4. District will receive their agreed upon allocation based on the following consortium approved distribution schedule *:

| Allocation | Release Date |
|------------|-----------------|
| 25% | September, 2016 |
| 25% | December, 2016 |
| 25% | March, 2017 |
| 25% | June, 2017 |

*Subject to change based upon Governor's budget 2016 section 84905

5. Compile and report consortium-level data required by AB 104 and AEBG as needed.

V. CAERC Member Responsibilities

To enable SCOE's reporting to the AEBG Office, CAERC Member will be responsible for monitoring their own activities and reporting to SCOE all CAERC related fiscal and program activities. This includes any necessary student participation data, expenditure documentation, and any AB104 information necessary for the successful completion of AB104 mandated reports, performance measures, and program outcomes.

Expenditures must follow CAERC's 2016-17 Annual Plan, adhere to the expenditure guidelines outlined in the AB 104 Allowable Uses Guide, and follow other guidelines established by the AEBG Office.

CAERC Member will designate a person/persons with proper authority to certify all information submitted to SCOE. CAERC Member acknowledges and accepts all responsibility for program related expenditures and certifies that expenditures are in compliance with the approved objectives, rules and regulations that govern the AEBG program. Furthermore, CAERC Member accepts all liability for any disallowed costs, should they arise.

In exchange for **\$185,012.32**, CAERC Member will:

1. Submit expenditure information.

- a. Report consortium allocation expenditures to SCOE every six months prior to the AEBG reporting due dates. For the 2016-17 allocation, all activities must cease no later than December 31, 2018. The reporting calendar will run from July 1, 2016 to January 30, 2019. Dates are subject to change.

| Reporting Period | Dates | Report Due from CAERC Member to Fiscal Agent |
|------------------|-------------------|--|
| 1 | 7/1/16 - 12/31/16 | 01/13/17 |
| 2 | 1/1/17 - 6/30/17 | 07/14/17 |
| 3 | 7/1/17 - 12/31/17 | 01/12/18 |
| 4 | 1/1/18 - 6/30/18 | 07/13/18 |
| 5 | 7/1/18 - 12/31/18 | 01/11/19 |
| 6 | To be announced | To be announced |

- b. Report final program-area expenditures for Maintenance of Effort (MOE) and consortium allocation annually in July.
- c. An expenditure and progress reporting template will be provided by SCOE which will include funding source - MOE and consortium allocation, standard fiscal reporting categories/object codes, authorized program areas, objectives, expenditure summary narrative, and progress update narrative.
- d. Indirect rates:
 - i. A consortium may use no more than 5 percent of funds allocated in a given fiscal year for administration activities.
 - ii. K-12 districts and County Offices of Education will use their California Department of Education approved indirect cost rate for Program Year 2016-17.

2. Submit program (learner outcome) information.

literacy skills, (2) completion of high school diplomas and recognized equivalents, (3) completion of post-secondary certificates, degrees, or training programs, (4) placement into jobs, (5) improved wages, (6) transfers from adult school to post-secondary, and (7) transfers from post-secondary noncredit to credit.

c. The reporting schedule is as follows:

- i. The mid-year report will be due in early spring each calendar year.
- ii. The annual report will be due in August each calendar year.

3. Submit other data as required by AB 104 and AEBG guidelines.

4. Submit reports and questions to Holly Clark by email hclark@scoe.net.

5. Participate in monthly meetings and workgroups

- a. Regular attendance is expected at monthly CAERC meetings and workgroup sessions.

VI. Term

This MOU Agreement shall be effective July 1, 2016 and ending on June 30, 2019. Either party may terminate this MOU with at least a sixty- (60) day written notice of intention to terminate this agreement. This agreement may also be terminated by CAERC officially designated members if it is determined a member is not compliant with the AEBG Allowable Uses Guide or for non-performance with fiscal and/or program reporting or as specified on the CAERC Governance Plan.

VII. Privacy

SCOE and all CAERC members will comply with all state and federal education privacy policies. SCOE and CAERC members will not disclose any personally identifiable information except upon written consent of the participating adult learners or as otherwise permitted by law.

SCOE agrees to defend, indemnify, and hold harmless CAERC Member (including its directors, agents, officers and employees), from any claim, action, or proceeding arising from any actual or alleged acts or omissions of SCOE, its director, agents, officers, or employees relating to SCOE's duties and obligations described in this agreement or imposed by law.

It is the intention of the parties that this section imposes on each party responsibility to the other for the acts and omissions of their respective officials, employees, representatives, agents, subcontractors and volunteers, and that the provisions of comparative fault shall apply.

IX. Modification

Any changes to this MOU must be agreed to in writing by both parties. Should changes in legislation or the State budget occur that necessitate revision of this MOU, the CAERC Member and SCOE shall meet to revise accordingly.

X. Independent Agents

This MOU is by and between two independent agents, SCOE and CAERC Member, and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture and/or association between the two independent agents. The parties shall be expected to independently comply with all relevant laws, including those regarding worker's compensation.

XI. Nondiscrimination

Any service provided by either party pursuant to this MOU shall be without discrimination based on the actual or perceived race, religious creed, color, national origin, nationality, ethnicity, ethnic group identification, ancestry, age, marital status, pregnancy, physical or mental disability, medical condition, genetic information, gender, gender identity, gender expression, sex, or sexual orientation, in accordance with all applicable Federal and State laws and regulations.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

|--|--|---|
| 1. Has this category of worker already been classified an "employee" by the IRS? <i>Refer to page 1 for individuals listed in IRS Publication SWR 40 and others identified during the IRS compliance studies in San Diego County.</i> | | X |
| 2. Is the individual working as an employee prescribed by the Education Code? <i>Education Code sections 45100-45451/88000-88263 define what constitutes classified service and 44800-45060/87000-87333 define certificated service. The IRS predisposes an employer/employee relationship when state law mandates such a relationship.</i> | | X |
| 3. Is the individual already an employee of the district in another capacity? | | X |
| 4. Has the individual performed substantially the same services for the district as an employee in the past? <i>Is the individual retired, returning to substitute, or train, etc.?</i> | | X |
| 5. Are there currently employees of the district doing substantially the same services as will be required of this individual? | | X |
| 6. Does the district have the legal right to control the method of performance by this individual? <i>Consider whether the district has to train this individual or give instruction as to when, where, how, and in what order to work. Does the district require the individual to submit reports or perform the services at a district site? These factors would indicate the district maintains control sufficient for an employer/employee relationship. However, it is <u>not necessary</u> that the district <u>exercise</u> this right or have the expertise required to do so. In many cases this would not be practical nor advisable.</i> | | X |
| 7. Are the services, as being provided, an integral part of school operations? <i>Are the services being provided necessary to the operation of the school, program, project, etc.? This indicates the district has an interest in the method of performance and implies the maintenance of legal control.</i> | | X |

If the answer to any of the above questions is "YES",

STOP HERE

Do not complete the rest of the questions. The individual is the district employee and must be paid and reported accordingly.

If all of the above are "NO", continue...

PART II

YES NO

| | | |
|---|---|--|
| 8. Must the required service be performed by this individual? <i>Consider whether or not the individual may designate someone else to do the work without the district's knowledge or approval</i> | X | |
| 9. Does the district have a continuing relationship with this individual? <i>Is this a "one shot deal" or will the district continue to use this individual in the future? This could be on an infrequent or irregular basis but a continuous relationship exists.</i> | X | |
| 10. Can this relationship be terminated without the consent of <u>both</u> parties? | X | |

If the answer to questions 8, 9, or 10 is "YES", there is a good possibility that an employment relationship exists. Questions 8 & 9 are indicators of district control that, in conjunction with other factors, imply an employment relationship. Go back to PART I and re-evaluate each question. If questions 1-7 are still all "NO", continue...

PART II - continued

|---|---|--|
| <p>11. Does the individual operate an <u>independent</u> trade or business that is available to the general public?</p> <p><i>A determining factor in judging independence is the performance of services to the general public. In evaluating this criteria, school districts are considered to be separate entities. Keep in mind: if the district is utilizing this individual's services on a full-time basis, the individual is <u>not</u> available to the general public. NOTE: Possession of a business license or incorporation does <u>not</u> automatically satisfy this requirement. The determination <u>must</u> be made on the actual <u>relationship</u> between the district and the individual performing services.</i></p> | X | |
| <p>12. Does the individual have a substantial investment in his/her business, i.e. maintains a facility, equipment, etc.?</p> <p><i>This is indicative of economic risk inherent in business enterprises. An independent contractor must be able to make a profit or sustain a loss.</i></p> | X | |

If either 11 or 12 are "NO", the individual is a district employee

and process the individual through payroll.

If 11 and 12 are both "YES", continue

YES NO

| | | |
|---|---|--|
| <p>13. Does the individual provide all materials and support services necessary for the performance of this service?</p> <p><i>The district should not be providing office space, clerical, secretarial, or any other support for this individual such as materials, xeroxing, printing, office supplies, etc. Any necessary assistants would be hired by the individual.</i></p> | X | |
| <p>14. Is this paid by the job or on a commission?</p> | X | |
| <p>15. Does the individual bear the cost of any travel and business expenses incurred to perform this service?</p> <p><i>Generally, these types of expenses are paid by an employer, however, some contracts provide for payment of airfare, mileage, etc. for consultants.</i></p> | X | |

If 11 and 12 are "YES", 13 through 15 should also be "YES" and are items that should be written into the consultant contract. This individual is an independent contractor. A "YES" on questions 13 through 15 supports the district's conclusion and substantiates a "reasonable basis" for treatment as an independent contractor. While there are circumstances where the district might pay contractually provided expenses, these should be kept at a minimum to avoid giving the impression of an employment relationship.

WORTH IT

Each day is full of choices - decisions we all have to make. Whether it's deciding to skip breakfast or finish your homework, each decision, no matter the size and weight of them, has the power to influence you in both positive and negative ways. Unfortunately, the ability to choose what's best for us is often clouded by the way we view ourselves. Instead of asking, "Is this worth it?" we let others control our decisions, giving in to the pressure to participate in negative behavior like using drugs & alcohol in an effort to appear "worth it" to those around us.

Camfel Productions' **WORTH IT!** will demonstrate to your students that the choices they make today will directly affect their future. They will be taught to take control of the decisions they make, and that through perseverance and self-discipline, they can make the right choices - choices that will lead them to success in school and in life.

WORTH IT! is an interactive experience designed to teach your students to stand up to bullies, to avoid negative influences, and to make decisions that will expand their opportunities.

However, for a resident alien, sole proprietor, or disregarded entity, see the Part I Instructions on page 2. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 2.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the Instructions on page 2.)

Purpose of Form

A person who is required to file an information return with the IRS must get your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to give your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

If you are a foreign person, use the appropriate Form W-8. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 30% of such payments after December 31, 2001 (29% after December 31, 2003). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

- You do not furnish your TIN to the requester, or
- You do not certify your TIN when required (see the Part II instructions on page 2 for details), or
- The IRS tells the requester that you furnished an incorrect TIN, or
- The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

- You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the Part II Instructions and the separate instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

INDEPENDENT CONTRACTOR OR EMPLOYEE? DISTRICT GUIDELINES

PART I

| | YES | NO |
|--|-----|----|
| 1. Has this category of worker already been classified an "employee" by the IRS? Refer to page 1 for individuals listed in IRS Publication SWR 40 and others identified during the IRS compliance studies in San Diego County. | | ✓ |
| 2. Is the individual working as an employee prescribed by the Education Code? Education Code sections 45100-45451/88000-88263 define what constitutes classified service and 44800-45060/87000-87333 define certificated service. The IRS predisposes an employer/employee relationship when state law mandates such a relationship. | | ✓ |
| 3. Is the individual already an employee of the district in another capacity? | | ✓ |
| 4. Has the individual performed substantially the same services for the district as an employee in the past? <i>Is the individual retired, returning to substitute, or train, etc.?</i> | | ✓ |
| 5. Are there currently employees of the district doing substantially the same services as will be required of this individual? | | ✓ |
| 6. Does the district have the legal right to control the method of performance by this individual? <i>Consider whether the district has to train this individual or give instruction as to when, where, how, and in what order to work. Does the district require the individual to submit reports or perform the services at a district site? These factors would indicate the district maintains control sufficient for an employer/employee relationship. However, it is <u>not necessary</u> that the district <u>exercise</u> this right or have the expertise required to do so. In many cases this would not be practical nor advisable.</i> | | ✓ |
| 7. Are the services, as being provided, an integral part of school operations? Are the services being provided necessary to the operation of the school, program, project, etc.? This indicates the district has an interest in the method of performance and implies the maintenance of legal control. | | ✓ |

If the answer to any of the above questions is "YES",

STOP HERE

Do not complete the rest of the questions. The individual is the district employee and must be paid and reported accordingly.

If all of the above are "NO", continue...

PART II

| | YES | NO |
|---|-----|----|
| 8. Must the required service be performed by this individual? <i>Consider whether or not the individual may designate someone else to do the work without the district's knowledge or approval</i> | | ✓ |
| 9. Does the district have a continuing relationship with this individual? <i>Is this a "one shot deal" or will the district continue to use this individual in the future? This could be on an infrequent or irregular basis but a continuous relationship exists.</i> | ✓ | |
| 10. Can this relationship be terminated without the consent of <u>both</u> parties? | ✓ | |

If the answer to questions 8, 9, or 10 is "YES", there is a good possibility that an employment relationship exists. Questions 8 & 9 are indicators of district control that, in conjunction with other factors, imply an employment relationship. Go back to PART I and re-evaluate each question. If questions 1-7 are still all "NO", continue...

PART II - continued

| | YES | NO |
|--|-----|----|
| 11. Does the individual operate an <u>independent</u> trade or business that is available to the general public? <i>A determining factor in judging independence is the performance of services to the general public. In evaluating this criteria, school districts are considered to be separate entities. Keep in mind: if the district is utilizing this individual's services on a full-time basis, the individual is <u>not</u> available to the general public. NOTE: Possession of a business license or incorporation does <u>not</u> automatically satisfy this requirement. The determination <u>must</u> be made on the actual <u>relationship</u> between the district and the individual performing services.</i> | ✓ | |
| 12. Does the individual have a substantial investment in his/her business, i.e. maintains a facility, equipment, etc.? <i>This is indicative of economic risk inherent in business enterprises. An independent contractor must be able to make a profit or sustain a loss.</i> | ✓ | |

If either 11 or 12 are "NO", the individual is a district employee

STOP HERE

and process the individual through payroll.

If 11 and 12 are both "YES", continue

| | YES | NO |
|--|-----|----|
| 13. Does the individual provide all materials and support services necessary for the performance of this service? <i>The district should not be providing office space, clerical, secretarial, or any other support for this individual such as materials, xeroxing, printing, office supplies, etc. Any necessary assistants would be hired by the individual.</i> | ✓ | |
| 14. Is this paid by the job or on a commission? | ✓ | |
| 15. Does the individual bear the cost of any travel and business expenses incurred to perform this service? <i>Generally, these types of expenses are paid by an employer, however, some contracts provide for payment of airfare, mileage, etc. for consultants.</i> | ✓ | |

If 11 and 12 are "YES", 13 through 15 should also be "YES" and are items that should be written into the consultant contract. This individual is an independent contractor. A "YES" on questions 13 through 15 supports the district's conclusion and substantiates a "reasonable basis" for treatment as an independent contractor. While there are circumstances where the district might pay contractually provided expenses, these should be kept at a minimum to avoid giving the impression of an employment relationship.

Introduction:

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

|--|-------------|
| Total amount of Supplemental and Concentration grant funds calculated: | \$4,064,281 |
|--|-------------|

The Center Joint Unified School District has a 63.86% unduplicated student count. The Supplemental and Concentration funds used for actions and services serving all students are principally directed to serve unduplicated students as described below.

McClellan High School, Center High School, Wilson Riles Middle School and Oak Hill Elementary are using Supplemental and Concentration funds to provide appropriate, targeted intervention to address the individual academic needs and learning gaps of struggling students who are predominately from our unduplicated student groups. McClellan High School is providing support classes to unduplicated students through Success, Study Skills and Math Lab and individualized support and guidance with one on one meetings with the admin team. Center High is providing Math Lab, English Lab and Summer School for unduplicated students who are struggling academically in math and English. Wilson Riles Middle School is providing Math Support, EL Support Class, PAWS period and Husky Help to unduplicated students. Oak Hill is providing before and after school intervention in English/ Language Arts and math for unduplicated students. Past experience has shown that a high percentage of the participants benefiting from these programs and services are pupils from our unduplicated student groups.

Justification: Intervene Early. Reteaching through before and after school tutorials, focused on particular standards, has led to improved learning outcomes as measured on state assessments. See Deborah Brennanin "Improving Schools: What Works? In Educational Leadership February 2015

Justification: Research documents that teachers can create engaging environments through personal care, maintaining positive social environments, and creating academic tasks that are authentic, collaborative and give students choices where they can experience some control over their learning. Fredricks and McColskey (2012; Perry, Turner and Meyer, 2006)

Justification:
Campbell, Frances A., and Craig T. Ramey. "Effects of early intervention on intellectual and academic achievement: a follow-up study of children from low-income families." Child development 65.2 (1994): 684-698.

CJUSD is using Supplemental and Concentration funds to engage more parents in site and district meetings where collaborative work can be done to make recommendations on how to increase daily attendance, SARB, increase student involvement in extracurricular activities, establish parent outreach, improve school to family communication through Homelink to increase family participation in school activities, and to investigate and implement alternative methods to communicate with and engage more parents. The parents of unduplicated pupils will be targeted for participation in these activities. By bridging that gap between home and school we can develop collaborative, supportive relationships that will impact students by increasing overall academic achievement and social and emotional growth. Past experience has shown these programs

and services serve parents of unduplicated students.

Justification: Parent school involvement in children's education is associated with positive educational outcomes.

"Understanding the impact of parent school involvement on children's educational outcomes", GL Zellman, JM Waterman - The Journal of Educational Research, 1998 - Taylor & Francis

Justification: Parent school involvement in children's education is associated with positive educational outcomes. Zellman, Gail L., and Jill M. Waterman. "Understanding the impact of parent school involvement on children's educational outcomes." The Journal of Educational Research 91.6 (1998): 370-380.

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

We offer highly qualified teachers to instruct all students in the state adopted standards, but for unduplicated English Learners at the elementary sites we offer additional certificated teachers dedicated to support English Learners in making progress toward reclassification because we believe by having dedicated EL teachers on site our unduplicated students are receiving an additional layer of individualized instructional support which will positively impact their rate of language acquisition and academic achievement.

To further support EL students in the classroom, CJUSD employs bilingual aides at elementary campuses as well as the middle school and high school. Bilingual aides support the EL teacher and classroom teachers in providing individualized support and instruction to all EL students. We believe this additional level of support provides the scaffolding for EL students to make reasonable progress toward language acquisition.

Summer school is offered to all high school students strictly for credit recovery. For unduplicated long-term English Learners transitioning into 9th and 7th grades, we provide a transitional summer school program to address their language acquisition needs because we believe this program provides an additional layer of instructional support which will positively impact their rate of language acquisition, increase student achievement and pave the way for a successful transition to their new school site.

Core classes are offered to all middle and high school students, but for unduplicated long-term English Learners a Long-Term EL class is provided during the school day because we believe this additional layer of support will address the individual learning gaps in their language acquisition to make progress toward reclassification.

Our Family Resource Center provides clothing, school supplies, consultation services and mental health services to low income, foster and homeless pupils because research indicates when these needs are met, students experience greater academic achievement.

Academic intervention is available as appropriate to all Center High students, but for unduplicated pupils, Center HS intervention teachers, EL teachers, counselors and site administration provide targeted outreach to increase course completion. We believe that with appropriate, targeted intervention we can address individualized learning gaps so students experience greater academic success. Additionally, having input from intervention teachers, EL teachers, counselors and administrators expands the spectrum of support and resources.

Transitional Kindergarten is advertised publicly and available to qualifying students within our district, but for families of unduplicated EL students currently in our schools, translated flyers about our Transitional Kindergarten program are mailed out to the homes of English Learners and posted in the local newspapers. We believe this additional outreach is key in developing relationships with our EL families. Additionally, by beginning academic instruction with our EL students at the TK level, these students will experience English oral language instruction which will advance their language acquisition.
