Board Policy 7211 - Developer Fees

Policy updated to include material formerly in the AR pertaining to responsibilities of the board with respect to levying developer fees, such as conducting a fee justification study, holding a public hearing, and adopting a board resolution. Policy also clarifies the applicability of Government Code 65997, which became operative due to the failure of state bond measure Proposition 13 in March 2020 and gives districts the flexibility to deny or refuse a legislative act involving the planning, use, or development of real property, other than requiring a fee in excess of the fee imposed by law. Policy addresses factors that must be included in the fee justification study based on recent court decision.

Administrative Regulation 7211 - Developer Fees

Regulation revised to delete board responsibilities pertaining to the imposition of developer fees, now addressed in the BP, and to require the superintendent or designee to provide specified information regarding capital facilities accounts to the board as well as the public.
