Dear CJUSD Community,

As a district, we are committed to keeping our Center Joint Unified School District community informed. If you have questions or something is needed, please do not hesitate to contact any of our schools or district offices. We are all in this together and are here to help. We will also continue to keep our website updated with the most recent information. ([www.centerusd.org](http://www.centerusd.org))

We thank you again for your continued support and partnership as we move forward during these unprecedented times.

---

**It has been one of the most unique years we have ever experienced. We know that our current situation around COVID-19 has put strain and stress into everyone's lives. We hope that all our students, families, and staff can take the opportunity to relax and enjoy the break. All of us have been balancing many different aspects of our daily lives, and we hope that each of you can take some time to take care of yourself and your family. The holidays this year may look and feel different, but we are hopeful that you will be able to take the time to pause from school and enjoy this time.**

**From all of us at CJUSD to you, we wish everyone a Happy Holiday Season and a Happy New Year!**

## Updates

- 1) Last night, the CJUSD Board of Trustees discussed the current COVID-19 status in Sacramento County and Placer County. Both counties continue to remain in the Purple Tier status and are under a stay-at-home order, and as a result, our schools are currently not able to return for in-person learning. Therefore, our district will remain in a distance learning model and not reopen for in-person instruction on January 5th. The Board will continue to meet and review the COVID-19 data to make a future determination as to when we may safely return to some form of in-person instruction (Plan 2).

Additionally, the Board determined that our TK - 6 student schedules will remain the same when we return from break in January. Our elementary schools will not be adjusting their daily schedules until we can enter our Plan 2 (hybrid) model.

We continue to appreciate your support and understanding as we work to keep our district community safe and healthy.

- 2) Are you looking for ways to support your family or student during this time? We know that the pandemic has put a strain on all of our mental well-being. If you need some supports, please feel free to contact any of us at the district office or your school office so we can work to help or connect you with resources. We are in this together and want to help and provide support however we can.
- 3) Our Family Resource Center is always finding new ways to support our families. Please visit our Family Resource Center website by [clicking HERE](#) for the most up to date information.
- 4) We now have our CJUSD Playbook translated into multiple languages. These translated versions may be accessed by visiting our current Playbook or by clicking the language below.

- 5) We have launched a Frequently Asked Questions (FAQ) document that can be viewed by [clicking here](#). We plan to continually update this document to ensure you have answers to our most commonly asked questions. Additionally, this link will lead you to many other informative resources. As always, please do not hesitate to contact (call or email) your school office or the Center Joint Unified School District Office with any questions or suggestions. We are here to help you.

Thank you!
