

## Family-School Relationships Survey

Dear, CJUSD Families-

**Our district values your feedback!** The Center Joint Unified School District wants to learn more about your family's experience with school this year, and how we can best support students, families, and staff for the remainder of the school year and beyond. **Beginning September 19, we are asking you to complete a short anonymous survey** to give us feedback we need to provide the best services, resources, and learning experiences for our students and families. **We want to know what you think.**

The anonymous survey will begin on Monday, September 19, and close on Friday, September 30. You will be able to take the survey online using a computer, tablet, or smartphone. The survey link will be available on Monday, September 19 so be on the lookout for an email with the link. The link will also be available here: <https://sites.google.com/centerusd.org/cjusdfamilysurvey2022/home>

We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please do not hesitate to contact your school's Principal or Ryan Miranda at 916-338-6387.

In partnership,  
**Center Joint Unified School District**
