

Family-School Relationships Survey [NOW AVAILABLE ONLINE](#)

Dear, CJUSD Families-

We are currently surveying CJUSD families in order to gain insight into your perception of our school and district effectiveness. The Center Joint Unified School District wants to learn more about your family's experience with school this year, and how we can best support students, families, and staff for the remainder of the school year and beyond. **We want to know what you think.**

To administer this **completely anonymous survey**, we have continued to partner with Panorama Education to conduct our 2022 Family-School Relationships Survey. Panorama safeguards your privacy, keeping your responses confidential. The survey will be a valuable source of information for us as we work to make our schools and district as good as they can be.

You may complete the survey online between **Monday, September 19, and Friday, September 30** using a computer, tablet, or smartphone by visiting the website: <https://surveys.panoramaed.com/cjusdca/6140779331/surveys>
